ARTICLE I. IMPORTANT INFORMATION ABOUT THIS DISCLOSURE STATEMENT

The Debtors³ form a consolidated enterprise that owns and operates an expansive portfolio of 71 upscale and mid-priced extended-stay and select-service hotels, consisting of approximately 10,000 rooms, located in 20 states across the United States. On July 19, 2010, the Debtors filed voluntary petitions for relief with the Bankruptcy Court under chapter 11 of the Bankruptcy Code.

As provided in greater detail herein, the economic and operational environment in the global travel and tourism industry over the past several years has devastated the hospitality industry. During this time, supply also increased within the hospitality industry, exacerbating the negative impact of decreased demand within the industry. Due to the Debtors' focus on the business consumer, their hotel portfolio has been especially impacted by an overall tightening on corporate travel, training, and relocation expenditures.

As a result of the effects of the economic downturn, the Debtors were forced to dedicate excess cash flow after operations to debt service, causing the Debtors to fall behind on necessary investments in their hard assets and their business generally. Specifically, certain franchise agreements required the Debtors to make substantial investments in their hotels for which the Debtors did not have the cash or financing. Failure to perform under the franchise agreements might have caused franchisors to terminate the agreements, which would have had a deleterious effect on the Debtors' entire business model. As of the Petition Date, a number of franchisors had already provided the Debtors with notices of default under their respective franchise agreements.

The tightening of financial markets frustrated the Debtors' efforts to arrange an out of court restructuring. In other macroeconomic circumstances, the Debtors may have had the flexibility to refinance maturing loans, extend maturity dates, obtain new financing, or otherwise maintain liquidity. Given the restrictions of the marketplace, however, the Debtors determined they had no choice but to file for bankruptcy and become debtors in possession.

As debtors in possession, the Debtors have pursued an extensive marketing process for all of their assets, on both enterprise level and non-enterprise level bases. Over the course of a seven-month process, the Debtors have been in contact with more than 200 potential investors and plan sponsors. As a result of these efforts, the Debtors have determined to enter into a commitment letter (the "**Commitment Letter**") with Five Mile/Lehman and Midland for a stalking horse bid (the "**Five Mile/Lehman Bid**") for 64 of the Debtors' 71 hotels (the "**Fixed/Floating Hotels**"), which was approved by the Bankruptcy Court as the stalking horse bid for the Fixed/Floating Hotels pursuant to the *Order (I) Authorizing the Debtors to Enter into the Amended Commitment Letter with Five Mile Capital II Pooling REIT LLC, Lehman ALI Inc., and Midland Loan Services, (II) Approving the Amended New Party/Midland Commitment Between the Debtors and Midland Loan Services, (III) Approving Fixed/Floating Bidding Procedures, (IV) Approving Bid Protections, (V) Authorizing an Expense Reimbursement to "Bidder D," and (VI) Modifying Cash Collateral Order to Increase Expense Reserve*, entered March 11, 2011 [Docket No. 1011] (the "**Bidding Procedures Order**"). The Commitment Letter and the term sheet attached thereto form the basis for the Fixed/Floating Plan (as defined herein).

Each of the hotels included in the Five Mile/Lehman Bid is collateral for the Debtors' Fixed Rate Mortgage Loan or Floating Rate Mortgage Loan. The Five Mile/Lehman Bid is valued at \$970.7 million (including approximately \$622.5 million of debt financing (the "**Restructured Fixed Rate Note**") and approximately \$348.2 million of equity investment). Under the Five Mile/Lehman Bid, Fixed Rate Mortgage Loan holders will receive consideration of \$622.5 million in the form of the Restructured Fixed Rate Note and the Floating Rate Mortgage Loan holder will receive consideration of \$200.3 million in equity and cash.

³ Capitalized terms used but not otherwise defined in this Disclosure Statement have the meanings ascribed to those terms in the Plan.

The Five Mile/Lehman Bid is subject to overbids and the Bidding Procedures Order also authorized bidding procedures by which the Debtors will conduct an auction for the Fixed/Floating Hotels. At this time, the Debtors are continuing to market the Fixed/Floating Hotels in order to solicit as many viable bids as possible before the April 25, 2011 bid deadline for bids for the Fixed/Floating Hotels. To the extent there are competing bids that are qualified in accordance with the Bidding Procedures Order, an auction will be held on May 2, 2011 at 10:00 a.m. prevailing Eastern Time.

The Debtors also have the ability to exercise their “fiduciary out” under the Commitment Letter, which allows them to pursue any alternative transaction and decline to pursue the Fixed/Floating Bid if, upon the determination by the Debtors’ directors, trustees, or members, as applicable, the Debtors’ fiduciary duties require them to do so. If the marketing process does not result in a higher or otherwise better bid for the Fixed/Floating Hotels and the Debtors do not otherwise choose to exercise their fiduciary out, the Debtors currently intend to proceed with the Fixed/Floating Plan. If the marketing process results in a higher or otherwise better bid for the Fixed/Floating Hotels, the Debtors will file amended versions of the Plan and this Disclosure Statement and seek to confirm and consummate such superior bid.

The Five Mile/Lehman Bid does not include those Debtors that own and/or lease the assets commonly known as the Anaheim Hilton Suites, Hilton Ontario, Residence Inn Mission Valley, Residence Inn Anaheim (Garden Grove), Doubletree Washington, DC, Residence Inn Tyson’s Corner, and Homewood Suites San Antonio (commonly referred to collectively as, the “**Seven Sisters**”).

Since approval of the Bidding Procedures Order, the Debtors have been working diligently to develop restructuring proposals for the Seven Sisters, with separate workstreams for the Anaheim Hilton Suites, the Ontario Hilton, and the remaining five of the Seven Sisters—Residence Inn Mission Valley, Residence Inn Anaheim (Garden Grove), Doubletree Washington, DC, Residence Inn Tyson’s Corner, and Homewood Suites San Antonio (collectively, the “**Reorganizing Debtors**”).

As to the Anaheim Hilton, the Debtors are considering various restructuring alternatives, which include a sale of the property through the Anaheim Plan or giving the collateral securing the Secured Anaheim Hotel Mezzanine Loan Claims to TriMont Real Estate Advisors, Inc. (“**TriMont**”), the special servicer under the Anaheim Hotel Mezzanine Loan. The Debtors are working with TriMont and CWCcapital Asset Management LLC (“**CWCcapital**”)—the special servicer under the Anaheim Hilton Mortgage Loan—to refine this process. If the Debtors reach an agreement to give the collateral securing the Anaheim Hotel Mezzanine Loan to TriMont, TriMont will likely satisfy all claims of the Anaheim Hotel Owner in full in cash, including those of CWCcapital and the general unsecured creditors against the Anaheim Hotel Owner. With respect to a potential sale of the Anaheim Hilton, the Debtors have received several indications of interest. The Debtors have informed potential investors of their intended process of selecting a stalking horse for purchase of the property through a plan of reorganization. The Debtors are cautiously optimistic that, based on the indications of interest received to date, they will be able to choose a stalking horse bid for the Anaheim Hilton that will provide sufficient cash to satisfy the allowed claims of CWCcapital and the general unsecured claims against the Anaheim Hotel Owner in full in Cash. The Debtors expect to finalize a strategy with respect to the Anaheim Hilton in the coming weeks.

As to the Ontario Hilton, the Ontario Plan contemplates the turnover of the Ontario Hilton to C-III Asset Management LLC (“**C-III**”)—the special servicer under the Ontario Hotel Mortgage Loan. Over the next several weeks, the Debtors also intend to continue to market the Ontario Hilton and further explore the possibility of a sale of the asset.

As to the Reorganizing Debtors, the Debtors are presently exploring multiple restructuring options, including, among other things, (a) reinstatement of the Claims against and Interests in the Reorganizing Debtors or (b) the sale of some or all of the Reorganizing Hotels with distributions of the sale(s) made in accordance with the Distribution Waterfall. The Debtors are actively marketing the Reorganizing Hotels pursuant to a thorough process designed to generate as many viable bids as possible and maximize value to the Reorganizing Debtors’ estates. The Reorganizing Debtor Plan therefore currently contemplates alternate reinstatement or sale strategies.

In furtherance of these efforts, Moelis has sent out a call for offers to over 200 potential buyers, outlining the timing for bids and encouraging potential buyers to submit bids for any or all of the assets. As a result of these

efforts, the Debtors anticipate a number of qualified and non-qualified bids that may be for the entire enterprise, a particular pool, a combination of assets different from those contained in the Five Mile/Lehman Bid, or an individual hotel. Moelis has requested that interested bidders submit their irrevocable bids prior to April 25, 2011. To the extent the Debtors believe, in an exercise of their business judgment, that proceeding with an auction including such bids will be value-maximizing, the Debtors may hold a concurrent auction for those bids on May 2, 2011. That auction may or may not overlap with the auction for the Fixed/Floating Hotels. Moelis is in the process of informing potential non-qualified bidders that such an auction may take place on May 2, 2011.

As a result of thorough plan and subsequent marketing processes pursued by the Debtors over the past seven months, the Debtors are hopeful that the results of the continuing marketing process will reflect a robust market test of the value of the Debtors' assets.

A. *Summary of the Joint Plans*

The Plan contemplates four separate Joint Plans of reorganization that together provide for the resolution of all Claims against and Interests in each of the 92 Debtors in the Chapter 11 Cases.⁴ Among other things, the Plan provides for the following recoveries and other transactions:

1. Joint Plan for the Fixed/Floating Debtors

The Fixed/Floating Debtors are primarily Debtors related to the hotels serving as collateral for the Fixed Rate Pool Mortgage Loan and the Floating Rate Pool Mortgage Loan. The Joint Plan for the Fixed/Floating Debtors (the “**Fixed/Floating Plan**”) contemplates the recapitalization of the Fixed/Floating Debtors through debt conversion and infusions of new capital. The Fixed/Floating Plan reflects the support of the Debtors' two largest secured creditors, Midland and Lehman, who hold combined prepetition claims in the face amount of approximately \$970 million.⁵

- Postpetition secured lender Claims:
 - The \$17.5 million postpetition credit facility provided by an affiliate of Lehman (the “**Lehman DIP Facility**”) will be repaid in full in Cash; and
 - Tranche A of the \$53.0 million postpetition credit facility provided by Five Mile (the “**Five Mile DIP Facility**”) and, together with the Lehman DIP Facility, the “**DIP Facilities**”), which tranche is secured by liens on hotels owned or operated by the Fixed/Floating Debtors, will be repaid in full in Cash.
- Prepetition secured lender Claims:
 - Midland, the Debtors' largest creditor, will receive a new note reducing principal amount owing under the Fixed Rate Mortgage Pool Loan from \$825.4 million to at least \$622.5 million with no change to the interest rate, no amortization for the first 48 months after the Effective Date, and no prepayment penalty; and

⁴ Each of the Joint Plans discussed herein is severable from each other and the Confirmation and Consummation of any one of the four Joint Plans is not conditioned on the Confirmation or Consummation of any one or more of the other Joint Plans.

⁵ The consensual terms of the restructuring are conditioned upon certain requirements and events as set forth in the Commitment Letter attached hereto as Exhibit F (which was approved, as amended, by the Bidding Procedures Order [Docket No. 1009], attached hereto as Exhibit G), including that the form of the confirmation order for the Fixed/Floating Plan be acceptable to Lehman and Five Mile, whose consent will not be withheld unreasonably.

- Lehman, the Debtors' second-largest creditor, will receive, in exchange for 100% of its Claim against the Fixed/Floating Debtors on account of the Floating Rate Pool Mortgage Loan (a) up to 50% of new equity in the Reorganized Fixed/Floating Debtors (subject to adjustment for the Third-Party Investment) and (b) a Cash payment of \$26.2 million.
- New money:
 - Five Mile will receive 50% of the new equity in the Reorganized Fixed/Floating Debtors (subject to adjustment for the Third-Party Investment) in exchange for a new money Cash investment of \$174.1 million; and
 - A third party may participate in the restructuring by making a Cash purchase of up to 20% of the equity that would otherwise be allocated to Lehman and Five Mile, pursuant to which purchase the amount of new equity and Cash received by Lehman will be adjusted correspondingly.
- Certain other Claims and Interests:
 - Holders of Floating Rate Pool Mezzanine Loan Claims will receive a structured note or other debt or equity instrument or other consideration on terms to be agreed upon by Lehman, Five Mile, and the Debtors;
 - Each Holder of General Unsecured Claims against the Fixed/Floating Debtors will receive the lesser of (a) its Pro Rata share of \$3.75 million and (b) 65% of the face amount of the Holder's Allowed General Unsecured Claims against the Fixed/Floating Debtors (excluding any deficiency Claims);
 - Each Holder of General Unsecured Claims against the Fixed/Floating Debtors will receive a release and waiver by the Reorganized Fixed/Floating Debtors of all preferences under section 547 of the Bankruptcy Code and, to the extent related thereto, section 550 of the Bankruptcy Code;
 - Intercompany Claims and Interests will not receive any distributions and will be canceled, except that the Debtors may reinstate Intercompany Interests to the extent necessary to preserve certain elements of the Fixed/Floating Debtors' organizational structure; and
 - There will be no distribution to Holders of existing common or preferred equity interests in the Fixed/Floating Debtors.
- The Fixed/Floating Plan provides for mutual releases by the following parties in their respective capacities as such: (a) the Lehman DIP Lenders; (b) the Five Mile DIP Agent; (c) the Five Mile DIP Lenders; (d) the Debtors, (e) Lehman, in its capacity as Holder of Claims under the Floating Rate Mortgage Loan Agreement, (f) Five Mile, (g) Midland, (h) the master servicer for the C6 and C7 Trusts, (i) the trustees for the C6 and C7 Trusts, (j) the C6 and C7 Trusts, (k) TriMont, in its capacity as special servicer for the Floating Rate Pool Mezzanine Loan Agreement; (l) Apollo; (m) the Committee; (n) the Independent Committee; (o) all other Holders of Claims against or Interests in the Fixed/Floating Debtors; (p) the officers, directors, trustees, and members of the Debtors; and (q) each of the foregoing entities' respective predecessors, successors and assigns, shareholders, affiliates, subsidiaries, principals, employees, agents, officers, directors, trustees, members, master servicers, special servicers, trusts and trustees, and professionals.
- To be clear, the Preferred C Shareholders are not giving a release to any party under the Fixed/Floating Plan. The release does not include a waiver of rights by any releasing party with respect to the \$7.4 million in Cash currently held in the LP Bank Account. The non-

Fixed/Floating Debtors are only giving a release to the extent they hold Intercompany Claims against or Intercompany Interests in the Fixed/Floating Debtors. Island Hospitality Management, Inc. will not be entitled to the benefits of the release under the Fixed/Floating Plan unless it reasonably cooperates with Five Mile, Lehman, the Fixed/Floating Debtors, New HoldCo, and any new manager of the Fixed/Floating Debtors' properties. These releases will be granted on the Effective Date of the Fixed/Floating Plan.

- As described in Article IV.I below, the Plan also provides for Midland to release Apollo in exchange for a Cash payment by the Debtors to Midland of \$3.0 million. This release will be effective upon the receipt of the \$3.0 million Cash payment, which shall be made on the Effective Date of the Fixed/Floating Plan.
- The Plan also provides for a Cash payment of \$2.5 million by New HoldCo contemporaneously with the occurrence of the Effective Date to Midland as consideration for effecting the restructuring of the Fixed Rate Pool Mortgage Loan Agreement on behalf of the C6 and C7 Trusts.

2. Joint Plan for the Anaheim Hotel Debtors

The Anaheim Hotel Debtors are the Debtors that finance, own, and lease the Hilton Suites hotel in Anaheim, California (the "**Anaheim Hotel**"). The Debtors are presently exploring multiple restructuring options for the Anaheim Hotel, which options include, among other things, (a) the sale of the Anaheim Hotel and the distribution of sale proceeds to Holders of applicable Claims or (b) giving the collateral securing the Secured Anaheim Hotel Mezzanine Loan Claims to TriMont, the special servicer under the Anaheim Hotel Mezzanine Loan.

(a) Sale of the Anaheim Hotel

The Debtors are actively marketing the Anaheim Hotel pursuant to a thorough process designed to generate as many viable bids as possible and maximize value to the Anaheim Debtors' estates.

- Anaheim Hotel Mezzanine Loan Claims shall receive their entitled Pro Rata distribution of the purchase consideration for the Anaheim Hotel, which distribution shall be made in accordance with the Distribution Waterfall as it applies to the Anaheim Mezzanine Debtor;
- Holders of General Unsecured Claims against the Anaheim Mezzanine Debtor shall receive the Holder's entitled Pro Rata distribution of the Anaheim Hotel Purchase Consideration, which distribution shall be made in accordance with the Distribution Waterfall as it applies to the Anaheim Mezzanine Debtor; and
- Intercompany Interests in the Anaheim Hotel Owner shall receive the Holder's entitled Pro Rata distribution of the Anaheim Hotel Purchase Consideration, which distribution shall be made in accordance with the Distribution Waterfall as it applies to the Anaheim Hotel Owner.

(b) TriMont Receives its Collateral

The Debtors are in negotiations with TriMont and CWCcapital, the special servicer under the Anaheim Mortgage Loan, to give the collateral securing the Secured Anaheim Hotel Mezzanine Loan Claims to TriMont in satisfaction of the Secured Anaheim Mezzanine Loan Claims. If the Debtors pursue this strategy, TriMont would agree to satisfy in full in Cash the Secured Anaheim Hotel Mortgage Loan Claims and the General Unsecured Claims against the Anaheim Hotel Owner.

- Holders of Anaheim Hotel Mezzanine Loan Claims receive the collateral securing the Anaheim Hotel Mezzanine Loan Claims;
- Holders of General Unsecured Claims against the Anaheim Mezzanine Debtor will receive a distribution agreed to by the Holder of the Secured Anaheim Mezzanine Loans Claims; and

- Intercompany Interests in the Anaheim Hotel Owner will not receive any distribution on account of such Intercompany Interests; provided that, for the avoidance of doubt, the Holder of the Secured Anaheim Hotel Mezzanine Loan will receive the Intercompany Interests in the Anaheim Hotel Owner as the Intercompany Interests in the Anaheim Hotel Owner are the collateral securing the Secured Anaheim Hotel Mezzanine Loan Claims.

Regardless of whether and to what extent the Anaheim Plan is consummated via the sale of the Anaheim Hotel or through an agreement with TriMont, the Anaheim Plan provides that:

- Holders of Anaheim Hotel Mortgage Loan Claims will be paid in full in cash on the Effective Date or as soon as reasonably practical thereafter as a result of sale of the Anaheim Hotel, if consummated, or other transaction;
- Holders of General Unsecured Claims against the Anaheim Hotel Owner will be paid in full in cash on the Effective Date or as soon as reasonably practical thereafter as a result of a sale of the Anaheim Hotel, if consummated, or other transaction;
- Holders of General Unsecured Claims against the Anaheim Hotel Lessee will receive such Holders' entitled Pro Rata distribution of the Anaheim Hotel Lessee Unencumbered Assets, if any, which distribution will be made in accordance with the Distribution Waterfall as it applies to the Anaheim Hotel Lessee;
- Anaheim Hotel Mezzanine Loan Deficiency Claims will receive no distribution;
- Intercompany Claims in the Anaheim Hotel Debtors will receive no distribution and will be canceled;
- Intercompany Interests in the Anaheim Hotel Lessee will receive such Holders' entitled Pro Rata distribution of the Anaheim Hotel Lessee Unencumbered Assets, if any, which distribution will be made in accordance with the Distribution Waterfall as it applies to the Anaheim Hotel Lessee;
- Intercompany Interests in the Anaheim Mezzanine Debtor will be canceled, released, and extinguished as of the Effective Date; and
- The following parties will provide mutual releases in their respective capacities as such: (a) the Debtors, (b) CWC Capital, (c) TriMont, in its capacity as servicer for the Anaheim Hotel Mezzanine Loan; (d) Apollo, (e) the Independent Committee, (f) all other Holders of Claims against or Interests in the Anaheim Hotel Debtors; (g) the officers, directors, trustees, and members of the Debtors; and (h) each of the foregoing parties' respective predecessors, successors and assigns, shareholders, affiliates, subsidiaries, principals, employees, agents, officers, directors, trustees, members, master servicers, special servicers, trusts and trustees, and professionals.
- To be clear, the Preferred C Shareholders are not giving a release to any party under the Anaheim Plan. The release does not include a waiver of rights by any releasing party with respect to the \$7.4 million in Cash currently held in the LP Bank Account. Non-Anaheim Debtors are only giving a release to the extent they hold Intercompany Claims against or Intercompany Interests in the Anaheim Hotel Debtors. These releases will be granted on the Effective Date of the Anaheim Plan.

3. Joint Plan for the Ontario Hotel Debtors

The Ontario Hotel Debtors are the Debtors that own and lease the Hilton in Ontario, California (the "**Ontario Hotel**"). The Joint Plan for the Ontario Hotel Debtors (the "**Ontario Plan**") contemplates the turnover of the Ontario Hotel to Holders of Claims arising from the Ontario Hotel's mortgage loan in satisfaction of such Claims.

- Holders of Ontario Hotel Mortgage Loan Claims will receive a deed in lieu of foreclosure in the form attached hereto as Schedule I with respect to the collateral (in substantial part, the Ontario Hotel) securing the Ontario Hotel Mortgage Loan;
- All Classes of Claims relating to the Ontario Hotel that are junior to the Class of Ontario Hotel Mortgage Loan Claims will not receive any distributions, except that Holders of General Unsecured Claims against the Ontario Hotel Owner receive their Pro Rata share of the Ontario Hotel Unsecured Claim Fund and General Unsecured Claims against the Ontario Hotel Lessee will receive their Pro Rata share of the Ontario Hotel Unsecured Claim Fund and such Holders' entitled Pro Rata distribution of the Ontario Hotel Lessee Unencumbered Assets, if any, which distribution will be made in accordance with the Distribution Waterfall as it applies to the Ontario Hotel Lessee; and
- The Ontario Plan provides for mutual releases by the following parties in their respective capacities as such: (a) the Debtors, (b) C-III, (c) Apollo, (d) the Independent Committee; (e) all other Holders of Claims against or Interests in the Ontario Hotel Debtors; (f) the officers, directors, trustees, and members of the Debtors; and (g) each of the foregoing parties' respective predecessors, successors and assigns, shareholders, affiliates, subsidiaries, principals, employees, agents, officers, directors, trustees, members, master servicers, special servicers, trusts and trustees, and professionals.
- To be clear, the Preferred C Shareholders are not giving a release to any party under the Ontario Plan. The release does not include a waiver of rights by any releasing party with respect to the \$7.4 million in Cash currently held in the LP Bank Account. Non-Ontario Debtors are only giving a release to the extent they hold Intercompany Claims or Intercompany Interests in the Ontario Hotel Debtors. These releases will be granted on the Effective Date of the Ontario Plan.

4. Joint Plan for the Reorganizing Debtors

The Reorganizing Debtors are primarily those Debtors that own or operate the following five hotels: the Residence Inn in Garden Grove, California; the Residence Inn in San Diego, California; the Doubletree in Washington, District of Columbia; the Residence Inn in Tyson's Corner, Virginia; and the Homewood Suites in San Antonio, Texas (collectively, the "**Reorganizing Hotels**").

The Debtors are presently exploring multiple restructuring options for the Reorganizing Hotels, which options include, among other things, (a) the sale of some or all of the Reorganizing Hotels or (b) reinstatement of Claims and Interests against some or all of the Reorganizing Debtors.

(a) Sale of some or all of the Reorganizing Hotels

The Debtors are actively marketing the Reorganizing Hotels pursuant to a thorough process designed to generate as many viable bids as possible and to maximize the value of the Reorganizing Debtors' estates. To the extent such a sale or sales is or are consummated, the Reorganizing Debtor Plan may provide, among others, the following treatments.

- Tranche B of the Five Mile DIP Facility, which tranche is secured by liens on the Residence Inn in San Diego, California, will be repaid in full in Cash;
- Tranche C of the Five Mile DIP Facility, which tranche is secured by liens on the Residence Inn in Tyson's Corner, Virginia, will be repaid in full in Cash;
- Holders of Claims arising from mortgage loans to the Reorganizing Debtors will receive either (a) their Pro Rata share of Cash generated or debt assumed pursuant to the sale of an applicable Reorganizing Hotel or (b) if no such sale is consummated, the reinstatement of their Claims in accordance with section 1124 of the Bankruptcy Code. Any Cash distributed from the sale of a Reorganizing Hotel will be distributed according to the Distribution Waterfall;

- Holders of General Unsecured Claims against the Reorganizing Debtors will receive proceeds of the sale of an applicable Reorganizing Hotel in accordance with the Distribution Waterfall, to the extent that such proceeds are available for distribution after satisfying applicable mortgage loan Claims;
- Intercompany Claims in the Reorganizing Debtors will receive no distribution and will be canceled; and
- Preferred Equity Interests in Innkeepers USA Trust will receive Cash from the sale of the Reorganizing Hotels in accordance with the Distribution Waterfall, to the extent such proceeds are available for distribution after satisfying applicable mortgage loan Claims.

(b) Reinstatement of Claims and Interests against the Reorganizing Debtors

To the extent the Reorganizing Debtors do not consummate any or all of the sales contemplated by the Reorganizing Debtor Plan, Claims against and Interests in the Reorganizing Debtors will be reinstated and rendered unimpaired.

- To the extent the Debtors elect to reinstate Claims and Interests (rather than consummate a sale of the Reorganizing Hotels), all Claims and Interests against the Reorganizing Debtors (except Administrative, Other Priority Claims, and Intercompany Claims), including applicable Five Mile DIP Claims, mortgage loan claims, General Unsecured Claims, and preferred and common equity Interests, will be reinstated and rendered unimpaired. The treatment for the Holders of Innkeepers USA LP Preferred D Interests, whose interests will be reinstated and rendered unimpaired, will include the cooperation of the lenders in permitting the Debtors to provide Holders of Innkeepers USA LP Preferred D Interests with the ability to replace those guaranties in effect as of the Petition Date. Intercompany Claims in the Reorganizing Debtors will receive no distribution.
- Regardless of whether and to what extent the Reorganizing Debtor Plan is consummated via the sale of assets or reinstatement, the Reorganizing Debtor Plan provides for mutual releases by the following parties in their respective capacities as such: (a) the Five Mile DIP Agent; (b) the Five Mile DIP Lenders; (c) the Debtors, (d); LNR; (e) Apollo, (f) the Independent Committee, (g) all other Holders of Claims against or Interests in the Reorganizing Debtors; (h) the officers, directors, trustees, and members of the Debtors; and (i) each of the foregoing parties' respective predecessors, successors and assigns, shareholders, affiliates, subsidiaries, principals, employees, agents, officers, directors, trustees, members, master servicers, special servicers, trusts and trustees, and professionals. If the Preferred C Shareholders are impaired under the Reorganizing Debtor Plan and vote in favor of such plan, they will be bound by the release. If the Preferred C Shareholders are impaired and vote to reject the Reorganizing Debtor Plan, they will not be bound by the release. The release does not include a waiver of rights by any releasing party with respect to the \$7.4 million in Cash currently held in the LP Bank Account. These releases will be effective on the Effective Date of the Reorganizing Debtor Plans.

5. Further Information about the Plan

Confirmation and Consummation of the Plan are subject to certain material conditions precedent described in Article IX of the Plan. There is no assurance that the Plan will be confirmed or, if confirmed, that such material conditions precedent will be satisfied or waived.

You are encouraged to read this Disclosure Statement in its entirety, including the Plan (which is expressly incorporated into and made a part of this Disclosure Statement) and Article VIII herein entitled "Certain Risk Factors To Be Considered Prior To Voting" prior to submitting your ballot to vote to accept or reject the Plan. The Debtors urge you to consult with your own advisors with respect to any legal, financial, securities, tax, or business advice in reviewing this Disclosure Statement, the Plan, and each of the transactions contemplated thereby.

The Debtors will File a Plan Supplement with the Bankruptcy Court prior to the voting deadline. The Plan Supplement will include documents and forms of documents, schedules, and exhibits to the Plan, as amended, supplemented, or modified from time to time in accordance with the terms hereof, the Bankruptcy Code, and the Bankruptcy Rules, including: (a) a list of Causes of Action to be retained by the Post-Effective Date Debtors; (b) a list of Executory Contracts and Unexpired Leases to be assumed by and assigned to the Post-Effective Date Debtors and their respective Cure Obligations; (c) the Corporate Structure Summary; (d) the New Fixed/Floating By-Laws; (e) the New Fixed/Floating Organizational Documents; (f) to the extent contemplated by the Fixed/Floating Successful Bid, the forms of the New Fixed Rate Pool Mortgage Loan, the New Fixed Rate Pool Mortgage Notes, and the New Fixed Rate Pool Mortgage Loan Limited Guarantys; (g) the Hotel Sale Transaction Documents; (h) documents related to a rights offering or new mezzanine financing to the extent the Debtors determine to go forward with a rights offering or new mezzanine financing in connection with the Plan as applicable to the Reorganizing Debtors; (i) the Transition Services Agreement; and (j) to the extent known, with respect to members of the New HoldCo Board and the Post-Effective Date Board, information required to be disclosed in accordance with section 1129(a)(5) of the Bankruptcy Code.

Assuming the requisite acceptances to the Plan are obtained, the Debtors will seek the Bankruptcy Court's approval of the Plan. If the Plan is confirmed by the Bankruptcy Court and Consummation occurs, all Holders of Claims and Interests (including those Holders of Claims or Interests that do not submit ballots to accept or reject the Plan, or that are not entitled to vote on the Plan) will be bound by the terms of the Plan and the proposed transactions contemplated thereby.

The Plan and all documents to be executed and/or delivered in connection with the Consummation of the Plan, including the documents to be included in the Plan Supplement, are subject to revision and modification from time to time prior to the Effective Date (subject to the terms of the Plan).

B. Questions and Answers Regarding this Disclosure Statement and the Plan

Why are the Debtors sending me this Disclosure Statement?

The Debtors are seeking to obtain Bankruptcy Court approval of the Plan. Prior to soliciting acceptances of a proposed plan of reorganization, section 1125 of the Bankruptcy Code requires a debtor to prepare a disclosure statement containing information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of a chapter 11 plan. This Disclosure Statement is being submitted in accordance with such requirements. This Disclosure Statement includes, without limitation, information about:

- the classification and treatment of Claims and Interests under the Plan, including who is entitled to vote and how to vote on the Plan (Article V hereof);
- the Debtors' corporate history and corporate structure, business operations, and prepetition capital structure and indebtedness (Article III hereof);
- events leading to these Chapter 11 Cases, including the Debtors' restructuring negotiations (Article III hereof);
- significant events in the Debtors' chapter 11 cases (Article IV hereof);
- certain important effects of Confirmation of the Plan (Article V hereof);
- certain financial information about the Debtors, including financial projections (Article VI hereof and **Exhibit B** attached hereto);
- the statutory requirements for confirming the Plan (Article VII hereof);
- certain risk factors Holders of Claims should consider before voting to accept or reject the Plan and information regarding alternatives to Confirmation of the Plan (Article VIII hereof); and
- certain United States federal income tax consequences of the Plan (Article X hereof).

In light of the foregoing, the Debtors believe the Disclosure Statement contains “adequate information” to enable a hypothetical reasonable investor to make an informed judgment about the Plan and complies with all aspects of section 1125 of the Bankruptcy Code.

Am I entitled to vote to accept or reject the Plan? What percentage of my Claim will I receive from the Debtors if the Plan is Consummated?

Your ability to vote and your distribution, if any, depend on what kind of Claim or Interest that you hold. In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims and Priority Tax Claims have not been classified. The remainder of Claims and Interests are classified into the Classes in the table immediately below.

The following table is a summary of the classification, treatment, impairment status, voting rights, and potential distributions both under the Plan and pursuant to a liquidation under chapter 7 of the Bankruptcy Code. The amounts set forth below are estimates only. Reference should be made to the entire Disclosure Statement and the Plan for a complete description of the classification and treatment of Claims and Interests. The recoveries set forth below are projected recoveries and are therefore subject to change.

Only Holders of Claims or Interests included in one of the Classes entitled to vote to accept or reject the Plan will receive a Solicitation Package (as defined herein) from the Debtors' notice and claims agent, Omni Management Group, LLC (the "**Notice and Claims Agent**"). For more information about the treatment of Claims and Interests, see Article V.C herein entitled "Treatment of Claims and Interests."

If the Plan provides that I get a distribution, when do I get it, and what do you mean when you refer to "Confirmation," "Effective Date," and "Consummation?"

Confirmation of the Plan refers to the Bankruptcy Court's approval of the Plan. Confirmation of the Plan does not guarantee that you will receive the distribution indicated under the Plan. After Confirmation of the Plan, there are conditions (described in Article IX of the Plan) that need to be satisfied or waived so that the Plan can be Consummated and become effective. References to the Effective Date mean the date that all conditions to the Plan have been satisfied or waived, at which point the Plan may be "consummated." Distributions only will be made after Consummation of the Plan and will be made only to Holders on account of Claims or Interests that are or become Allowed. See Article VII herein entitled "Statutory Requirements for Confirmation of the Plan," for a discussion of the conditions to Consummation.

Do all four of the Joint Plans need to be confirmed simultaneously?

No. The Plan is comprised of the four Joint Plans described above—the Fixed/Floating Plan, the Anaheim Plan, the Ontario Plan, and the Reorganizing Debtor Plan. Each of those Joint Plans may be confirmed or consummated separately from the other Joint Plans. The Confirmation or Consummation of any one of the Joint Plans is not contingent upon Confirmation or Consummation of any other Joint Plan.

How will the Post-Effective Date Debtors fund distributions under the Plan?

The Post-Effective Date Debtors will fund distributions under the Plan through (a) cash from operations, (b) the New HoldCo Interests issued by New HoldCo pursuant to the Plan, (c) the funding obtained from new money investments by Five Mile pursuant to the Commitment Letter, (d) proceeds from sales of certain property, if any, (e) third party investments, or (f) a rights offering.

What materials will be sent to Holders of Claims or Interests who are eligible to vote to accept or reject the Plan?

Holders of Claims or Interests who are eligible to vote to accept or reject the Plan will receive appropriate solicitation materials including (the "**Solicitation Package**"):

- a CD-ROM containing this Disclosure Statement, as approved by the Bankruptcy Court (with all exhibits thereto, including the Plan and the exhibits to the Plan), an order approving the Disclosure Statement, as well as procedures for distributing materials and soliciting votes attached thereto (the “**Solicitation Procedures**”);
- a notice of a Confirmation Hearing;
- the appropriate ballot with voting instructions with respect thereto, together with a pre-addressed, postage prepaid return envelope;
- a letter from the unsecured creditors Committee recommending that Holders accept the Plan, if they are entitled to vote on the Plan; and
- any supplemental documents that the Debtors may file with the Bankruptcy Court or that the Bankruptcy Court orders to be included in the Solicitation Package.

The Solicitation Package may also be obtained (a) from the Debtors’ Notice and Claims Agent by: (i) visiting <http://www.omningt.com/innkeepers>; (ii) writing to Innkeepers USA Trust c/o Omni Management Group, LLC, 16161 Ventura Boulevard, Suite C, PMB 606, Encino, California, 91436; or (iii) calling (866) 989-6147; or (b) for a fee via PACER (except for ballots) at <http://www.nysb.uscourts.gov>.

Will the Post-Effective Date Debtors file reports with the SEC?

The Debtors do not expect that the Post-Effective Date Debtors will file reports with the SEC after emergence from these Chapter 11 Cases because they do not expect to be subject to the public reporting requirements of the Securities Exchange Act of 1934 or the regulations promulgated thereunder.

Who will manage the Post-Effective Date Debtors?

After Consummation of the Plan, provided that the transaction set forth in the Commitment Letter is the Fixed/Floating Successful Bid, New HoldCo will directly or indirectly hold the Fixed/Floating Debtors’ assets, and Post-Effective Date Innkeepers USA Trust will directly or indirectly hold the Debtors’ remaining assets. New HoldCo will be managed by the New HoldCo Board consisting of seven directors, members, or trustees: four nominated by the Fixed/Floating Plan Sponsors in accordance with the terms of the Fixed/Floating Successful Bid, and three independent directors, members, or trustees to be nominated by the Fixed/Floating Plan Sponsors and/or by the Third-Party Investors in accordance with the terms of the Fixed/Floating Successful Bid. To the extent known and to the extent required by section 1129(a)(5) of the Bankruptcy Code, the Plan Supplement will list the members of the New HoldCo Board and the members of the board of directors, members, and trustees of the New HoldCo subsidiaries identified as of the date of the filing thereof.

Post-Effective Date Innkeepers USA Trust will be managed by the Post-Effective Date Board. To the extent known and to the extent required by section 1129(a)(5) of the Bankruptcy Code, the Plan Supplement will list the members of the Post-Effective Date Board and the members of the board of directors, members, and trustees of the subsidiaries of Post-Effective Date Innkeepers USA Trust identified as of the date of the filing thereof.

What is the deadline to vote on the Plan?

The deadline to vote on the Plan is _____, 2011 at __:___.m. Eastern Time (the “**Voting Deadline**”).

How do I vote to accept or reject the Plan?

The Debtors are distributing this Disclosure Statement, accompanied by a ballot to be used for voting to accept or reject the Plan, to the Holders of Claims entitled to vote to accept or reject the Plan. If you are a Holder of a Claim or Interest in Classes FF3A, FF3B, FF4, FF5, A4, A5B, A5C, A8C, A9C, O3, O4A, O4B, R3A, R4, R7,

R8, R9, R10, and R11, you may vote to accept or reject the Plan by completing the ballot and returning it in the envelopes provided.

The Debtors have engaged Omni Management Group, LLC to serve as the Notice and Claims Agent. The Notice and Claims Agent is available to answer questions, provide additional copies of all materials, oversee the voting process, and process and tabulate ballots for each class entitled to vote to accept or reject the Plan.

BALLOTS
Ballots must be actually received by the Notice and Claims Agent by the Voting Deadline, which is _____, 2011 at __: __ .m. prevailing Eastern Time, at the following address:
<p style="text-align: center;">Innkeepers USA Trust c/o Omni Management Group, LLC 16161 Ventura Boulevard, Suite C PMB 606 Encino, California 91436</p>
If you have any questions on the procedure for voting on the Plan, please call the Debtors at:
(866) 989-6147

More detailed instructions regarding how to vote on the Plan are contained on the ballots distributed to Holders of Claims that are entitled to vote to accept or reject the Plan. If you are eligible to vote, for your vote to be counted, your ballot must be completed, signed, and received by the Voting Deadline; provided, however, that ballots received by the Notice and Claims Agent after the Voting Deadline may be counted only in the sole and absolute discretion of the Debtors.

Any ballot that is properly executed by the Holder of a Claim or Interest, but that does not clearly indicate an acceptance or rejection of the Plan or that indicates both an acceptance and a rejection of the Plan, will not be counted. Ballots received by facsimile or by electronic means will not be counted.

Each Holder of a Claim or Interest entitled to vote to accept or reject the Plan may cast only one ballot for each Claim or Interest held by such Holder. By signing and returning a ballot, each Holder of a Claim or Interest in Classes FF3A, FF3B, FF4, FF5, A4, A5B, A5C, A8C, A9C, O3, O4A, O4B, R3A, R4, R7, R8, R9, R10, and R11 will certify to the Bankruptcy Court and the Debtors that no other ballots with respect to such Claim or Interest have been cast or, if any other ballots have been cast with respect to such Claim or Interest, such earlier ballots are superseded and revoked.

All ballots will be accompanied by return envelopes. It is important to follow the specific instructions provided on each ballot, as failing to do so may result in your ballot not being counted.

How can I object to provisions contained in the Plan?

The Bankruptcy Court has established _____, 2011 at __: __ .m. Eastern Time as the deadline to object to confirmation of the Plan (the “**Plan Objection Deadline**”). All such objections must be filed with the Bankruptcy Court and served on the Debtors and certain other parties in interest in accordance with the order approving the Disclosure Statement and Solicitation Procedures so that they are *actually received* on or before the Plan Objection Deadline. The Debtors believe the Plan Objection Deadline, as established by the Bankruptcy Court, affords the Bankruptcy Court, the Debtors, and other parties in interest reasonable time to consider the objections to the Plan prior to a Confirmation Hearing.

When is the hearing on confirmation of the Plan expected to occur?

Assuming the requisite acceptances are obtained for any of the four Joint Plans, the Debtors intend to seek confirmation of the Plan at a hearing to be scheduled on _____, 2011 (with no less than 28 days' notice), before the Honorable Shelley C. Chapman, United States Bankruptcy Judge, in Courtroom No. 610 of the United States Bankruptcy Court for the Southern District of New York, Alexander Hamilton Custom House, One Bowling Green, New York, New York 10004-1408 (each such hearing, a "**Confirmation Hearing**"). A Confirmation Hearing may be continued from time to time without further notice other than an adjournment announced in open court or a notice of adjournment filed with the Bankruptcy Court and served on the entities who have filed objections to the Plan, without further notice to other parties in interest. The Bankruptcy Court, in its discretion and prior to a Confirmation Hearing, may put in place additional procedures governing that hearing. The Plan may be modified, if necessary, prior to, during, or as a result of the hearing to confirm the Plan without further notice to parties in interest.

ARTICLE II. THE DEBTORS' BACKGROUND⁷

A. *The Debtors' Business*

1. The Debtors' Business and Overview

Innkeepers USA Trust ("**Innkeepers**") is a self-administered Maryland REIT with a primary business focus of acquiring premium-branded upscale extended-stay, mid-priced limited service, and select-service hotels. Innkeepers' indirect, wholly-owned limited liability company subsidiaries, which are Debtors in these Chapter 11 Cases, hold title to, or ground leases in 71 hotels. Indirect, wholly-owned taxable REIT subsidiaries (the "**Operating Lessees**") lease the hotels from the property owners, and have entered into management agreements with third party hotel managers to manage the hotels. The operating lessees, through the hotel managers, are responsible for paying hotel operating expenses for the respective property owners, including personnel costs, franchise royalties and related fees, utility costs, and general repair and maintenance expenses. The property owners remain responsible for ownership costs such as property taxes and insurance, ground rent (where applicable), and capital expenditures.

The Debtors' primary customer base consists of business travelers, employees on temporary work assignments or enrolled in training programs, and individuals engaged in corporate relocations. Consistent with this customer base, the majority of the Debtors' integrated hotel portfolio consists of extended-stay hotels, which are a hybrid between a hotel and an apartment, offering longer-term accommodations with kitchens at more affordable rates than traditional full service hotels and with more efficiency than apartments. In general, extended-stay hotels are typically able to generate a more consistent revenue stream than traditional hotels due to historically higher than average occupancy rates, longer average stays, less staff, and lower fixed costs.

The Operating Lessees have entered into various hotel management agreements with Island Hospitality Management, Inc. and Dimension Development Company, Inc. to manage the Debtors' hotel properties. The Debtors' management is responsible for overseeing the hotel managers. Island manages all of the Debtors' hotels except for the Sheraton Four Points in Ft. Walton Beach, Florida, which is managed by Dimension. The Hilton in Ontario, California is managed by GF Management. Pursuant to the hotel management agreements, the hotel managers generally are required to perform or provide for all operational and management functions necessary to operate the hotels. Among other things, the hotel managers, on behalf of the Debtors, pay all property level expenses of the hotels (including payroll), contract with service providers, and purchase all goods and materials utilized in the operation of the business. Generally, the hotel managers fund the hotel operating expenses out of the property lessees' centralized cash accounts, over which the hotel managers have signing authority. When the hotel

managers have to fund expenses, the operating lessees reimburse the hotel managers periodically through hotel expense reimbursement reconciliations. In addition, the hotel managers receive management fees prescribed by the hotel management agreements.

The Debtors seek to affiliate their hotels with premier franchise companies and brands that offer robust marketing support and services and that have demonstrated their ability to command revenue premiums over other brands. The table below sets forth information regarding the Debtors' hotels by brand (ordered based on the number of rooms by brand):

The franchise licenses for the hotels are held by the operating lessees and are governed by franchise agreements between the operating lessees and the franchise owners. All but nine of the hotels in the table above operate under franchise agreements. Under the franchise agreements, the Debtors are required to pay franchise fees based on a percentage of hotel room revenue and must allow franchisors to inspect their licensed hotels periodically to confirm adherence to stated brand operating standards. These inspections can result in additional capital expenditure requirements or additional operational, marketing, or repairs and maintenance expenses. Grand Prix Holdings LLC, Innkeepers' direct parent and a Debtor in these Chapter 11 Cases, has guaranteed certain of the property lessees' obligations under certain of the franchise agreements.

The Debtors' stream of revenue is dependent on maintaining and improving key operating metrics, including occupancy, average daily rate ("ADR"), and revenue per available room ("RevPar") of their hotels. In 2009, the Debtors' consolidated revenues were approximately \$292 million (down from \$348 million in 2008, a 16% drop) and their adjusted EBITDA was approximately \$85 million (down from \$123 million in 2008, a 31% drop). The Debtors' consolidated assets for 2009 totaled approximately \$1.5 billion and consolidated liabilities totaled approximately \$1.5 billion (as calculated according to generally accepted accounting principles). In 2010, the Debtors' consolidated revenues improved to \$298 million and their adjusted EBITDA declined to \$58 million (which includes \$34 million of restructuring costs).

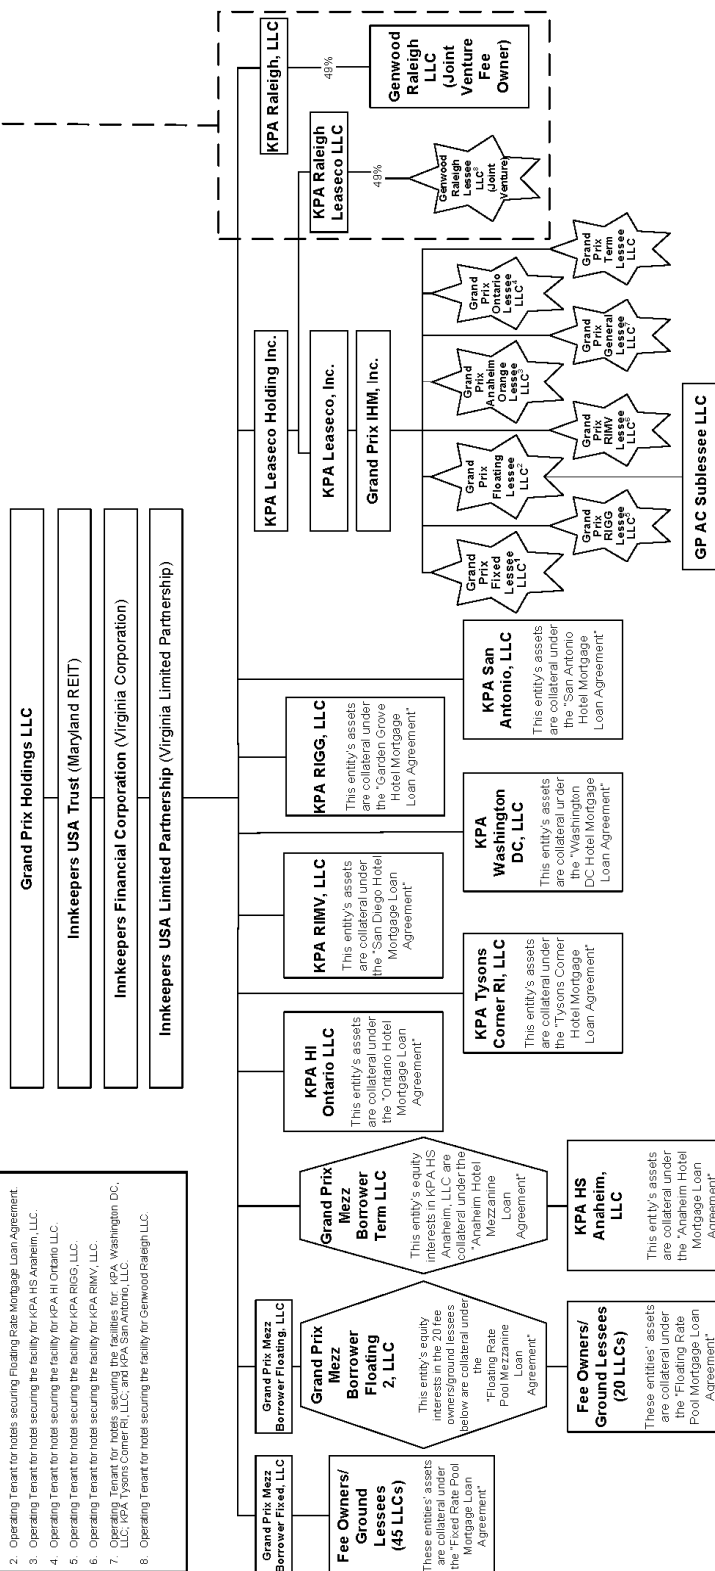

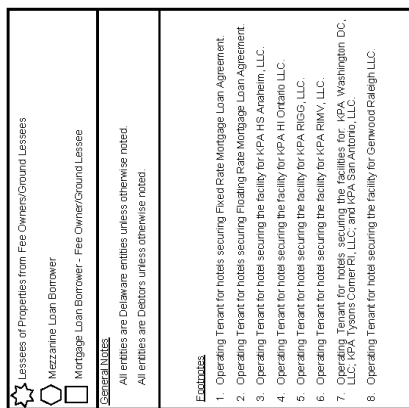

2. The Debtors' Corporate History and Organizational Structure

In June 2007, Apollo, through certain subsidiaries, acquired Innkeepers, which was a publicly traded company whose shares were listed on the New York Stock Exchange (the "**Acquisition**"). The Acquisition was funded with equity invested by Apollo (through certain subsidiaries), the assumption of certain secured debt outstanding prior to the Acquisition, and certain secured debt incurred at the time of the Acquisition. All of Innkeepers' common shares outstanding at the time of the Acquisition were acquired for cash and then extinguished. Innkeepers' \$145 million 8% series C cumulative preferred shares outstanding prior to the Acquisition remained outstanding after the Acquisition. In consideration for Apollo's \$250 million equity investment, Apollo's subsidiary Grand Prix Holdings LLC, a Debtor in these Chapter 11 Cases, was issued all (except for relatively small amounts currently held by management) of Innkeepers' newly issued (a) common shares and (b) 12% series A cumulative preferred shares.

A chart generally depicting the Debtors' prepetition organizational structure is provided below.

B. Summary of Prepetition Capital Structure

As of March 31, 2010, the Debtors had incurred aggregate funded secured indebtedness of approximately \$1.42 billion, including approximately \$1.29 billion of property-level secured debt, approximately \$1.05 billion of which was securitized and sold in the commercial mortgage-backed security market. The Debtors incurred the vast majority of their funded debt in connection with the June 2007 acquisition of Innkeepers by Apollo. The debt is secured by mortgages on the hotels or pledges of the equity of the property owners. The Debtors' funded secured debt is separated into nine general groups, the mortgages of each of which is secured by distinct hotel properties and the mezzanine loans of each of which is secured by related equity interests in the property owners. Each of these groups is discussed below. Additionally, the Debtors have four issuances of equity, which are also discussed below.

10. 12% Series A Cumulative Preferred Shares

Apollo Investment Corporation's subsidiary Grand Prix Holdings LLC was issued substantially all of Innkeepers' shares of 12% series A cumulative preferred shares in exchange for Apollo Investment Corporation's equity contribution in connection with the acquisition of Innkeepers. There have never been any distributions on account of the 12% series A cumulative preferred shares.

11. 8% Series C Cumulative Preferred Shares

The net proceeds from the offering were approximately \$145 million, a portion of which was used by Innkeepers to redeem a previously issued series of preferred shares. The Preferred C shares were publicly offered and survived the acquisition of Innkeepers by Apollo, and the Debtors believe these shares are held

by various third parties. No distributions have been made on account of the Preferred C shares since December 2008.

As of the Petition Date, Grand Prix Holdings LLC held substantially all of Innkeepers' current outstanding common shares. There have never been any distributions on account of common shares.

ARTICLE III. THE CHAPTER 11 CASES

The following is a general summary of these Chapter 11 Cases, including the events leading up to the filing of these Chapter 11 Cases and the events that have taken place during these Chapter 11 Cases.

A. Events Leading to the Chapter 11 Cases

A number of factors contributed to the Debtors' decision to commence these Chapter 11 Cases. Although the Debtors' business model is sound, their operating losses from decreased room revenue, significant liquidity constraints, considerable funded debt burden, and unprecedented adverse changes in the economy and hospitality industry generally, impaired the Debtors' ability to meet their debt obligations and certain obligations under their franchise agreements.

1. Recent Economic Crisis and Its Impact on the Hotel Industry and the Debtors

Over the last two and a half years, the global travel and tourism industry has faced one of the most difficult operating environments in a number of decades due to the unparalleled turmoil that beset the global and United States economies. A weak economy and plummeting demand for hotel accommodations, which can be traced to reduced consumer spending, higher fuel prices, increased unemployment, and a severe decline in business travel, have caused one of the deepest and longest recessions in the history of the hospitality industry. During this time, supply also increased within the hospitality industry, exacerbating the negative impact of decreased demand within the industry.

In the hotel industry, performance is generally measured by RevPar. RevPar identifies trends with respect to room revenues from comparable hotel properties and can be used to evaluate hotel performance on a regional and segment basis. Comparing RevPar against prior years, the magnitude of the rapid and unprecedented deterioration is readily apparent.

Other operating statistics similarly demonstrate the depth of the industry's decline. Contributing to the RevPar decline in 2009, the industry's ADR fell by 8.8%, compared to a 20-year industry annual average *increase* of 2.8%. In 2009, the ADR decreased by 8.6%, compared to a 20-year industry annual average decline of 0.7%. The hotel industry has also suffered a severe decline in food and beverage sales, meeting, conference, and banquet

hall rentals, and other guest services that generate additional revenue. Against this background, several of the Debtors' competitors filed for bankruptcy within the last two years.

The Debtors have not been insulated from these multi-year, record-breaking declines plaguing the hotel industry. In 2009, the Debtors' RevPar, ADR, and occupancy rate metrics decreased by 16.3%, 10.8%, and 6.1%, respectively. (In 2010, the Debtors' RevPar, ADR, and occupancy rate metrics increased 5.5%, decreased 1.0%, and increased 6.6%, respectively.) Due to the Debtors' focus on the business consumer, their hotel portfolio has been especially impacted by an overall tightening on corporate travel, training, and relocation expenditures. Certainly, the worst recession in 60 years has left corporations intent on saving rather than spending, and domestic and international business travel spending in the United States declined sharply.

2. The Debtors' Substantial Funded Debt Burden and Limited Access to Capital

In addition to reducing overall demand and significantly impairing the Debtors' overall revenue, the rapid softening of the economy and tightening of the financial markets limited the Debtors' financial flexibility. As a result, the Debtors had no real ability to recapitalize or reduce their debt burdens. Strategies that the Debtors might have previously employed to extend maturities, obtain new financing, and maintain liquidity are no longer available. These adverse changes severely limited the Debtors' ability to satisfy their obligations as they came due.

Limited access to capital is particularly significant in light of the Debtors' large debt service obligations. Specifically, the Debtors have failed to satisfy their debt service obligations as they came due (or make any subsequent payments) under the following loans: (a) the payment for the Ontario Hotel Mortgage Loan on October 1, 2009; (b) the payment for the Fixed Rate Pool Mortgage Loan on April 9, 2010; (c) the payments for the Anaheim Hotel Mezzanine Loan, San Diego Hotel Mortgage Loan, Garden Grove Hotel Mortgage Loan, Washington DC Hotel Mortgage Loan, Tysons Corner Hotel Mortgage Loan, and San Antonio Hotel Mortgage Loan, each on May 1, 2010; and (d) the payment for the Anaheim Hotel Mortgage Loan, Floating Rate Pool Mortgage Loan, and Floating Rate Pool Mortgage Loan, each on June 10, 2010.

The Debtors' level of indebtedness is of significant importance in these Chapter 11 Cases because, with essentially all cash flow from operations being directed to debt service, the Debtors' cash was not available for other purposes, such as maintaining the hotel properties in a condition that complies with the franchise agreements and performing other upgrades to capitalize on opportunities to increase revenue and to meet competitive conditions and preserve asset value.

3. The Debtors' Inability to Fund PIP Obligations

In addition to placing a burden on the Debtors' ability to meet debt service obligations and fund day-to-day business operations, the lack of available cash made it impossible for the Debtors to sufficiently fund capital expenditures on hotel properties necessary to comply with their obligations under the franchise agreements. Certain of the franchise agreements include provisions that require the Debtors to comply with property improvement plans required under applicable franchise agreements ("PIPs"), under which they are obligated to perform certain renovations and other capital improvements to their hotel properties, such as replacing furniture, fixtures, and equipment. While necessary, the required PIP improvements are costly, subject to delays, and disrupt operations and displace revenue at the hotels while rooms under renovation are out of service.

Franchisors periodically inspect the hotels to ensure the Debtors' compliance with their operating standards and the PIPs, the breach of which could result in the termination of a franchise agreement. The loss of a franchise agreement for a hotel would have an immediate and material adverse effect on the underlying value of the hotel due to the loss of associated name recognition, marketing support, brand loyalty, and centralized reservation systems provided by the franchisors. Pursuant to prior agreement, in September of 2009, a Residence Inn franchise agreement with respect to a hotel property in Columbus, Ohio terminated. Subsequent to termination, revenue precipitously dropped by 50% and the property was sold for a fraction of its appraised value from only two years earlier.

Prior to the Petition Date, the Debtors received numerous notices of potential default from franchisors, including 22 notices of default from Marriott International, Inc. sent on March 16, 2010. The Debtors own 44 hotels under Marriott brands, more than half of which are “Generation 1” Residence Inn by Marriott extended-stay hotels. Generation 1 Residence Inn hotels resemble garden style apartments with multiple two- to three-story buildings, each comprised of eight rooms with exterior access to each room. In contrast, subsequent generations of Residence Inn hotels typically feature more rooms in a single multi-story building with interior corridors. Upkeep costs associated with older Generation 1 Residence Inn hotels are typically higher than other types of hotel properties because of their age (generally 20 to 30 years), layout (eight or more buildings located on large parcels of land), and less efficient utilization of heating and other utilities.

As a result, many Generation 1 franchise agreements may not be renewed as they mature or are exiting the Residence Inn system before the maturity of their franchise agreements. As the Residence Inn by Marriott brand grows (with over 600 in the brand system currently), the importance of Generation 1 hotels to the Residence Inn brand will continue to decrease. Maintaining the franchise agreements on the Debtors’ Generation 1 hotels is critically important for their cash flow and enterprise value. The loss of revenue (and cash flow) associated with an immediate withdrawal of the Debtors’ Generation 1 hotels from the Residence Inn system would have a severely detrimental effect on the Debtors’ entire enterprise as Generation 1 Residence Inn hotels comprise approximately 31% of the Debtors’ annual revenue. Recognizing this, the Debtors reached agreement with Marriott in 2007 for the Debtors to complete extensive PIPs on most of its Generation 1 hotels in exchange for franchise agreement extensions until at least 2021.

The dramatic reduction in the Debtors’ RevPar, coupled with their significant debt burden and an inability to access new capital, have rendered the Debtors unable to comply with their PIP obligations under the Marriott (and other) franchise agreements. The Marriott default notices state that if the Debtors failed to perform the required PIP obligations by June 14, 2010, the 22 Marriott franchise agreements would immediately terminate as of that date. The Debtors and Marriott executed certain forbearance agreements, extending the deadline to meet PIP obligations for Marriott hotels (other than a Generation 1 hotel located in Troy, Michigan) according to the schedules provided in the Marriott Adequate Assurance Agreement.

The Debtors’ inability to invest in their hotel properties, along with the collapse of the real estate market, have caused the value of the Debtors’ hotels to severely decline, resulting in the overall erosion of the Debtors’ enterprise value. As a result, it is clear that a comprehensive restructuring of the entire capital structure is necessary to preserve and maximize value.

B. Restructuring Efforts

1. Cost Savings

To address the liquidity constraints caused by the tightening credit markets, decreased consumer demand, and high debt service carrying costs, since the first quarter of 2008, the Debtors’ management took several proactive steps to reduce costs, restructure their business operations, and address operational cash shortfalls. These initiatives included:

- a company-wide labor reduction to the minimal staffing levels possible without harming guest satisfaction (including for both the Debtors’ and the hotel managers’ employees);
- a 5% salary reduction for all personnel;
- the renegotiation of benefit programs in an effort to lower costs (with employees’ share of obligations increased);
- the suspension of the Debtors’ discretionary 401(k) plan matching;
- the suspension of distributions to Holders of Preferred C Interests beginning in December 2008;
- the reduction of certain fixed costs, including the renegotiation of maintenance, grounds cleaning, and vendor contracts; and
- the immediate cessation of all non-emergency capital expenditures on the hotel properties beginning in late 2008 and the related settlement for approximately \$8.5 million of approximately \$13.1 million of outstanding capital expenditure obligations for work performed and goods ordered.

The results of the Debtors' efforts were positive. From 2008 to 2010, the Debtors were able to reduce their annual costs by approximately \$24 million. However, despite this reduction, due to the economic climate and ongoing credit crisis, the Debtors concluded their liquidity would continue to erode and potentially could be exacerbated by further declines in the hospitality market. In addition, the Debtors determined any new debt or equity investments would be unlikely unless they could restructure their existing debt given the current amount of outstanding debt owed to their lenders. The Debtors also concluded they would need additional liquidity to meet their near term obligations under the franchise agreements.

2. Marriott Adequate Assurance Agreement

On June 25, 2010, the Debtors and Marriott entered into the Marriott Adequate Assurance Agreement, which is attached hereto as Exhibit E and incorporated herein by reference.

Among other things, the terms and conditions of the Marriott Adequate Assurance Agreement provide that Marriott will (a) forbear from exercising its remedies under the franchise agreements, (b) forbear from seeking relief from the automatic stay, and (c) permit the Debtors to assume the franchise agreements for the Marriott hotels that have defaulted under the franchise agreements. In consideration for the foregoing, the Marriott Adequate Assurance Agreement obligates the Debtors to (a) perform certain PIPs for the defaulted Marriott hotels according to a three-phase schedule ending November 20, 2011, and (b) file a motion seeking debtor-in-possession financing approval contemporaneously with the bankruptcy filing which seeks to have the Bankruptcy Court approve the financing within 60 days. The Debtors are in compliance with their obligations at this time, including the PIP completion schedule. The Debtors are assuming the Marriott Consent Agreement, dated June 29, 2007, which was negotiated in connection with Apollo's acquisition of Innkeepers. The Marriott Consent Agreement requires an annual \$800,000 payment from the Debtors or the Post-Effective Date Debtors, as applicable, to Marriott through 2013.

The Marriott Adequate Assurance Agreement includes certain provisions relating to the assumption of applicable franchise agreements. Upon completion of a PIP for each Marriott hotel in accordance with the schedule set forth in the Marriott Adequate Assurance Agreement, Marriott's consent to the assumption of the respective franchise agreement shall be deemed given with respect to such Marriott hotel, and the Debtors shall seek to assume the applicable franchise agreement. If, as of the date of the filing of this Disclosure Statement, the Debtors are in compliance with the schedule, Marriott will consent to the assumption of all franchise agreements scheduled in the Marriott Adequate Assurance Agreement. The Debtors will schedule these franchise agreements as part of the Plan Supplement and will assume the franchise agreements as of Consummation of the Plans.

The Marriott Adequate Assurance Agreement terminates, if, among others, the following events occur:

- Termination of the DIP Facilities, unless the Debtors can establish they have sufficient funds to complete the PIPs in accordance with the schedule of PIP completion under the Marriott Adequate Assurance Agreement;
- The Debtors fail to complete a PIP in accordance with the schedule set forth in the Marriott Adequate Assurance Agreement, but termination shall be effective only with respect to such Marriott hotel; and
- All parties agree to terminate the agreement.

Under the Marriott Adequate Assurance Agreement, Marriott has the following additional remedies:

- If the Debtors fail to complete a PIP for a specific Marriott hotel in accordance with the schedule set forth in the Marriott Adequate Assurance Agreement, Marriott may seek relief from the automatic stay with respect to such Marriott hotel and the related franchise agreement. In such instance, the Debtors agree they will not contest a motion seeking relief from the automatic stay and shall deem the forbearance period with respect to such Marriott hotel terminated.
- If the Debtors fail to complete all of the PIPs required during the first phase and two hotels in the second phase, Marriott may serve a notice of default with a 60-day cure period. If, after the 60-day cure period, the Debtors do not come into compliance with the schedule, Marriott may seek relief from the automatic stay with respect to any or all of the Marriott hotels whose franchise agreements have not already been assumed.

3. Prepetition Restructuring Negotiations

Against the backdrop described above, the Debtors considered their options with respect to a global financial restructuring with the goal of rationalizing the Debtors' secured debt obligations and providing the Debtors with the flexibility necessary to continue their business on a going-forward basis. Consistent with those goals, in November 2008, the Debtors hired Marc Beilinson, an independent director of Innkeepers since 2007, as Chief Restructuring Officer to explore alternative restructuring opportunities.⁹ In early 2010, the Debtors retained Kirkland & Ellis LLP ("**K&E**") and Moelis & Co. LLC ("**Moelis**") to represent the Debtors in their continued discussions with certain of the Debtors' constituents regarding the evaluation of a possible comprehensive restructuring and other financial alternatives for improving the Debtors' balance sheet.

The Debtors, with the assistance of their advisors, reviewed and analyzed the Debtors' business operations and determined the cash necessary to work towards a successful restructuring and maintain their operations. In undertaking this analysis, the Debtors and their advisors considered the impact of the current economic outlook on the Debtors' near-term projected financial performance, including the demand for hotel accommodations and the projected cost to complete the PIPs and other capital improvements necessary to maintain the value of the properties. Because of the high levels of current debt, the immediate crisis caused by the impending Marriott defaults, and the Debtors' inability to satisfy their debt service obligations as they came due, it became clear that a comprehensive balance-sheet restructuring through a chapter 11 proceeding was the best available restructuring alternative for the Debtors and their estates.

The Debtors continued to engage several parties, including Marriott, Lehman, and certain prepetition secured lenders, in extensive negotiations leading up to the filing of these Chapter 11 Cases. Ultimately, these negotiations culminated in a series of interrelated agreements designed to, among other things, (a) fund PIP and other capital expenditures necessary to retain premium brand affiliations, maintain customer loyalty, and improve the Debtors' industry market share and (b) avoid any alleged potential change of control defaults that would jeopardize the Debtors' franchise agreements.

On July 19, 2010, the Debtors filed for Chapter 11 with a proposed restructuring supported by Lehman, which was intended to eliminate a substantial portion of the Debtors' funded indebtedness, and also provide the Debtors with the necessary financing to fund critical hotel maintenance and repair projects, allowing the Debtors to preserve valuable franchise agreements, meet competitive conditions, and preserve asset value for the Debtors and their estates.

ARTICLE IV. EVENTS OF THE CHAPTER 11 CASES

A. First Day Pleadings and Other Case Matters

1. First and Second Day Pleadings

To facilitate these Chapter 11 Cases and minimize disruption to the Debtors' operations, the Debtors' filed certain motions and applications with the Bankruptcy Court on the Petition Date or immediately thereafter seeking certain relief summarized below. The relief sought in the "first day" and "second day" pleadings has facilitated the Debtors' seamless transition into chapter 11 and aided in the preservation of the Debtors' going-concern value. The first and second day pleadings included the following:

- Customer Programs. On July 20, 2010, the Bankruptcy Court entered an order authorizing the debtors to honor certain prepetition obligations to customers and otherwise continue certain customer programs

⁹ Marc Beilinson is a former restructuring attorney with over 25 years of experience. In November 2009, Mr. Beilinson was elected to serve as an independent director on the board of directors of Apollo Commercial Real Estate Finance Inc., a publicly traded REIT and an affiliate of Apollo Investment Corporation. Mr. Beilinson no longer serves on this board.

and practices in the ordinary course of business [Docket No. 59]. The Debtors did not believe that the obligations at issue represented an out-of-pocket cash cost to the Debtors, but the Debtors believed that honoring the customer programs was the prudent course of action.

- Taxes. On July 20, 2010, the Bankruptcy Court entered an interim order authorizing the Debtors to pay certain income, sales and use, franchise, occupancy, and other taxes, assessments, fees, and similar charges in the ordinary course of business [Docket No. 61]. Such payments only affect the timing of payment for the vast majority of the amounts at issue. The Bankruptcy Court entered a final order granting the relief requested on August 12, 2010 [Docket No. 184].
- Wages and Employee Benefits. On July 20, 2010, the Bankruptcy Court entered an interim order authorizing the Debtors to (a) pay certain prepetition wages, salaries, and reimbursable employee expenses, (b) pay and honor certain employee medical and other benefits, and (c) continue employee benefits programs [Docket No. 58]. The relief requested and granted by the order allowed the Debtors' business operations to continue without labor-related frustration or interruption. The Bankruptcy Court entered a final order granting the relief requested on August 12, 2010 [Docket No. 183].
- Lien Creditors. On July 20, 2010, the Bankruptcy Court entered an interim order authorizing the Debtors to (a) grant administrative expense priority to all undisputed obligations for goods ordered prepetition and delivered postpetition and satisfy such obligations in the ordinary course of business, (b) pay prepetition claims of shippers, warehousemen, and materialmen, and (c) pay prepetition PACA claims [Docket No. 60]. The delay and frustration absent an order granting the relief requested could have severely impaired the Debtors' business operations as well as the confidence of counterparties in the Debtors going forward. The Bankruptcy Court entered a final order granting the relief requested on August 12, 2010 [Docket No. 185].
- Property Management. On July 20, 2010, the Bankruptcy Court entered an interim order authorizing the Debtors to continue to perform under the hotel management agreements and the shared services agreement for services performed that are critical to the ability of the Debtors to operate their portfolio of hotels going forward [Docket No. 62]. The Bankruptcy Court entered a final order granting the relief requested on August 12, 2010 [Docket No. 190].
- Insurance. On August 12, 2010, the Bankruptcy Court entered an order authorizing the Debtors to (a) maintain prepetition insurance policies and premium financing agreements and (b) pay all prepetition obligations in respect thereof [Docket No. 186].
- Cash Management. On July 20, 2010, the Bankruptcy Court entered an interim order authorizing the Debtors to continue to use their existing cash management system, existing bank accounts, existing business forms, and certain existing investment guidelines [Docket No. 55]. The Bankruptcy Court entered a final order granting the relief requested on September 2, 2010 [Docket No. 401].
- Cash Collateral. On July 20, 2010, the Bankruptcy Court entered an interim order approving the use of cash collateral to fund operations and restructuring costs [Docket No. 54]. This relief was necessary to ensure the Debtors can continue to operate in the ordinary course during these Chapter 11 Cases. The Bankruptcy Court entered a final order granting the relief requested on September 2, 2010 [Docket No. 402] (amended by subsequent orders entered October 1, 2010 [Docket No. 539] and March 11, 2011 [Docket No. 1008]).
- Lehman DIP. On September 1, 2010, the Bankruptcy Court entered an order authorizing the Debtors to borrow approximately \$17.5 million in postpetition debtor-in-possession financing for the specific purpose of funding the PIPs required in the applicable franchise agreements and making certain other investments in properties securing the Floating Rate Pool Mortgage Loan [Docket No. 385]. These funds are critical to the Debtors' ability to meet their obligations under the PIPs.

- Five Mile DIP. On September 2, 2010, the Bankruptcy Court entered an order authorizing the Debtors to borrow approximately \$53.0 million in postpetition debtor-in-possession financing for the specific purpose of funding the PIPs and cycle renovations required in the applicable franchise agreements for properties securing the Fixed Rate Pool Mortgage Loan (Tranche A), the San Diego Hotel Mortgage Loan (Tranche B), and the Tysons Corner Hotel Mortgage Loan (Tranche C) [Docket No. 400]. These funds are critical to the Debtors' ability to meet their obligations under the PIPs.
- Plan Support Agreement. On September 2, 2010, the Bankruptcy Court entered an order denying the Debtors' request for approval to enter into a plan support agreement with Lehman [Docket Nos. 403, 776]. Since that date, the Debtors have worked diligently to develop the Plans described in this Disclosure Statement.

2. Procedural and Administrative Motions

To facilitate the efficient administration of these Chapter 11 Cases and to reduce the administrative burden associated therewith, the Debtors also filed and received authorization to implement several procedural and administrative motions:

- authorizing the joint administration of the Debtors' chapter 11 cases;
- approving notice, case management, and administrative procedures to govern these Chapter 11 Cases;
- extending the time during which the Debtors may file certain schedules of assets and liabilities, schedules of executory contracts and unexpired leases, and statements of financial affairs, the filing of which are required under section 521 of the Bankruptcy Code;
- allowing the Debtors to prepare a list of creditors in lieu of submitting a formatted mailing matrix and to file a consolidated list of the Debtors' 50 largest creditors;
- allowing the Debtors to retain and compensate certain Professionals utilized in the ordinary course of business;
- determining the amount and nature of the adequate assurance payment for future utility service;
- allowing the Debtors to prepare a list of creditors and file a consolidated list of the Debtors' 50 largest unsecured creditors; and
- approving the procedures for the interim compensation and reimbursement of retained Professionals in these Chapter 11 Cases.

3. Retention of Chapter 11 Professionals

The Debtors also filed several applications and obtained authority to retain various professionals to assist the Debtors in carrying out their duties under the Bankruptcy Code during these Chapter 11 Cases. These professionals include: (a) K&E, as counsel to the Debtors; (b) Moelis, as investment banker to the Debtors; (c) AP Services, LLC, as restructuring advisor to the Debtors; and (d) Omni Management Group, LLC, as the Notice and Claims Agent for the Debtors.

4. Compensation for the Independent Committee Members and Counsel for Such Committee

The Debtors' plan process required the committee of independent trustees of the Board of Trustees of Innkeepers USA Trust (the "**Independent Committee**") to take on certain special obligations related to the restructuring. To advise it in such endeavors, the Independent Committee hired Fried, Frank, Harris, Shriver & Jacobson LLP ("**Fried Frank**"). On November 10, 2010, the Bankruptcy Court authorized the Debtors to compensate pursuant to section 363 of the Bankruptcy Code (a) the Independent Committee and (b) Fried Frank as counsel to the Independent Committee [Docket No. 701]. Although the Bankruptcy Court authorized the Debtors' compensation of Fried Frank pursuant to section 363 of the Bankruptcy Code, Fried Frank agreed to comply with

certain requirements of section 327 of the Bankruptcy Code by filing and serving verified statements of its fees and expenses.

5. Troy Hotel Dispute

On August 4, 2010, Marriott filed a motion for relief from the automatic stay with regard to a hotel in Troy, Michigan [Docket No. 131] that was not part of the Marriott Adequate Assurance Agreement. In response, the Debtors sought to assume the franchise agreement between the Debtors and Marriott relating to the Troy hotel [Docket No. 172]. After an extensive discovery process, the Debtors determined that the estates were better served by settling with Marriott. The settlement included, among other provisions, the Debtors' agreement to allow Marriott to de-identify the Troy hotel in exchange for Marriott's agreement to provide the Debtors with valuable rights related to their PIP obligations, the specifics of which are documented in a confidential settlement agreement disclosed to the Bankruptcy Court [Docket No. 357]. The Debtors also agreed to assume the Marriott Adequate Assurance Agreement [Docket No. 446].

6. Motions Filed by the Ad Hoc Committee of Preferred Shareholders

The Ad Hoc Committee of Preferred Shareholders filed a motion to appoint an examiner in the Debtors' chapter 11 cases on August 11, 2010 [Docket No. 179] as well as a motion, on September 13, 2010, to appoint an official committee of preferred shareholders [Docket No. 435]. After the filing of a number pleadings by various parties in interest, extensive discovery, and contested hearings, the Bankruptcy Court denied both motions without prejudice on October 19, 2010 [Docket Nos. 582 and 583].

7. Best Western West Palm Beach Dispute

On October 4, 2010, Best Western International, a franchisor for one of the Debtors' hotels, filed a motion seeking relief from the automatic stay to terminate the franchise agreement for the Best Western West Palm Beach Airport Inn in West Palm Beach, Florida [Docket No. 655]. In that motion, Best Western alleged the Debtors were in default of the franchise agreement, and, as a consequence, Best Western should be granted relief from the automatic stay to terminate the franchise agreement. Pursuant to the Bankruptcy Court's oral decision on November 10, 2010, on February 28, 2011, the Bankruptcy Court entered an order denying the relief requested by Best Western [Docket No. 955].

On January 12, 2011, the Debtors filed a motion seeking to reject the franchise agreement at the Best Western West Palm Beach hotel, as well as the related ground lease and other executory contracts on the basis that the property was not profitable [Docket No. 803]. On January 26, 2011, the Bankruptcy Court granted the Debtors' motion, removing the Best Western West Palm Beach hotel from the Debtors portfolio of hotels [Docket No. 865].

8. Postpetition Insurance Motions

On December 14, 2010, the Bankruptcy Court entered orders permitting the Debtors to enter into certain premium financing agreements [Docket Nos. 759 and 761]. Pursuant to these agreements, AFCO Credit Corporation and IPFS Credit Corporation will provide financing to the Debtors allowing them to meet their premium obligations under their D&O policies, as well as property insurance and workers' compensation policies that are critical to the Debtors business and in some cases required by law. As part of the agreements, AFCO and IPFS received security interests in unearned premiums and dividends that may become payable under the applicable insurance policies.

B. The LP Bank Account

On the Petition Date, Innkeepers USA Limited Partnership held a bank account that contained, among other things, Cash collected from three sources: (a) the operation of the Debtors' hotels; (b) transfers from Apollo in January and May 2010; and (c) transfers from Lehman just prior to the Petition Date to pay for certain PIP and renovation related expenditures that the Debtors were unable to disburse because of the Debtors' bankruptcy filings. On September 23, 2010, the Debtors communicated to all of their major constituencies that they would separate this

Cash, which amounted to approximately \$7.4 million, from the Debtors' operating account into a new Bank of America account in the name of Innkeepers USA Limited Partnership (the "**LP Account**"), that the Debtors would not use funds from this new account without a prior Bankruptcy Court order, and that all parties would retain their right to claim entitlement to these funds. All parties continue to retain their right to claim entitlement to the funds in the LP Account.

C. Claims Bar Date

On September 1, 2010, the Debtors filed their schedules and statements with the Bankruptcy Court pursuant to section 521 of the Bankruptcy Code [Docket No. 390]. The Bankruptcy Code allows a bankruptcy court to fix the time within which proofs of claim must be filed in a chapter 11 case. Any creditor whose Claim is not scheduled in the Debtors' schedules or whose Claim is scheduled as disputed, contingent, or unliquidated must file a proof of claim.

On September 16, 2010, the Bankruptcy Court entered an order [Docket No. 440] approving (a) October 29, 2010 as the deadline for filing Claims in the Debtors' Chapter 11 Cases, including Claims under section 503(b)(9) of the Bankruptcy Code; (b) January 18, 2011 as the deadline for all governmental units (as defined in section 101(27) of the Bankruptcy Code) to file Claims in the Debtors' Chapter 11 Cases; (c) procedures for filing proofs of claim; and (d) the form and manner of notice of the bar dates.

D. Exclusivity

Under the Bankruptcy Code, a debtor has the exclusive right to file a plan or plans of reorganization for an initial period of 120 days from the date on which the debtor filed for voluntary relief, which period may be extended by the bankruptcy court for a period of up to 18 months after the petition date.

On October 27, 2010, the Debtors filed a motion seeking to extend the exclusive periods during which only the Debtors may file a chapter 11 plan and solicit acceptances thereof to March 16, 2011 and May 15, 2011, respectively [Docket No. 610]. A number of parties filed responses or objections [Docket Nos. 663, 665, 666, 667, 673, and 675]. After a period of fact development and negotiation, the Debtors and the objecting parties agreed upon an extension of the Debtors' exclusivity periods for an additional 75 days through and including January 30, 2011 and March 31, 2011 for the filing of a plan and the solicitation thereof, respectively. The Bankruptcy Court entered an order giving effect to that negotiated resolution on November 10, 2011 [Docket No. 699].

On January 13, 2011, the Debtors filed a second motion to further extend their exclusive periods for filing a chapter 11 plan and soliciting acceptances thereof through and including May 30, 2011 and July 29, 2011, respectively [Docket No. 805]. On January 26, 2011, the Bankruptcy Court entered a bridge order extending the Debtors' exclusive periods through and until March 29, 2011 [Docket No. 861] when the motion could be heard. Pursuant to the Commitment Letter, the Debtors agreed to modify their original request for a 120-day extension of its exclusive periods and agreed to only seek an extension to June 30, 2011 (subject to further requests), and Five Mile, Lehman, and Midland agreed that they would support such modified request. On March 29, 2011, the Bankruptcy Court further extended the Debtors' exclusive periods for filing a chapter 11 plan to June 30, 2011 [Docket No. 1065]. The Debtors' rights to seek additional extensions of the exclusive periods beyond June 30, 2011, and the rights of Five Mile, Lehman and Midland to oppose additional extensions and to move to terminate exclusivity, are preserved.

During the period established by the above orders of the Bankruptcy Court, no other party in interest may file a competing chapter 11 plan or plans; however, a court may modify the exclusive period upon request of a party in interest and "for cause." The Debtors have filed the Plan and Disclosure Statement within the exclusivity period, as extended by the Bankruptcy Court, and reserve the right to seek extensions of their exclusive right to file a plan or plans and solicit votes thereon if necessary and appropriate.

E. Pending Litigation Proceedings

In the ordinary course of business, the Debtors are party to various lawsuits, legal proceedings, and claims arising out of their business. The Debtors cannot predict with certainty the outcome of these lawsuits, legal proceedings, and claims. Nevertheless, they do not believe the outcome of any currently existing proceeding, even if determined adversely, would have a material adverse effect on their business, financial condition, or results of operations.

With certain exceptions, the filing of these Chapter 11 Cases operates as a stay with respect to the commencement or continuation of litigation against the Debtors that was or could have been commenced before the commencement of these Chapter 11 Cases. In addition, the Debtors' liability with respect to litigation stayed by the commencement of these Chapter 11 Cases is subject to compromise, settlement, and release upon confirmation of a plan under chapter 11, with certain exceptions. Therefore, certain litigation claims against the Debtors may be subject to compromise in connection with these Chapter 11 Cases. This may reduce the Debtors' exposure to losses in connection with the adverse determination of such litigation.

On March 29, 2011 the Court extended the period during which the Debtors may file notices of removal with respect to any actions that are subject to removal under 28 U.S.C. § 1452 [Docket No. 1063]. Specifically, the Debtors' removal deadline under Bankruptcy Rule 9027 is the latest of: (a) October 10, 2011; (b) the day that is 30 days after the entry of an order terminating the automatic stay provided by section 362 of the Bankruptcy Code with respect to the particular action sought to be removed; and (c) with respect to actions filed during the pendency of these Chapter 11 Cases, the time periods set forth in Bankruptcy Rule 9027(a)(3).

F. The LNR/CRES Litigation

On October 27, 2010, LNR filed a complaint and temporary restraining order in the Supreme Court of the State of New York seeking, among other things, specific performance and/or preliminary injunctive relief requiring CRES Investment No. II, LP ("CRES"), to terminate Midland Loan Services, Inc. as special servicer for the Fixed Rate Pool Mortgage Loan and appoint LNR as special servicer for the Fixed Rate Pool Mortgage Loan. See LNR Partners, LLC v. CRES Investment No. II, LP, Case No. 651850-10 (N.Y. Sup. Ct. Oct. 27, 2010). The action was

removed to the Bankruptcy Court on November 10, 2010. See LNR Partners, LLC v. CRES Investments No. II, LP, Adv. Proc. No. 10-04237 (the “**LNR/CRES Litigation**”). In the LNR/CRES Litigation, LNR seeks to compel CRES to terminate Midland as the special servicer of the Fixed Rate Pool Mortgage Loan and to pay damages to LNR for CRES’s alleged breach of contract in failing to appoint LNR as special servicer. LNR claims that CRES is obligated to exercise its purported right to terminate Midland and name LNR the special servicer of the Fixed Rate Pool Mortgage Loan based on a demand by LNR of April 2010 issued pursuant to a November 30, 2007 Servicer Designation Agreement among CRES, LNR, and others. CRES denies that it has any obligation to appoint LNR as special servicer for the Fixed Rate Pool Mortgage Loan and alleges that the November 30, 2007 Servicer Designation Agreement does not address designation of the special servicer for the Fixed Rate Pool Mortgage Loan. CRES opposed LNR’s request for injunctive relief and also filed a motion to dismiss the LNR/CRES Litigation. At a hearing held on December 16, 2010, the Bankruptcy Court denied LNR’s request for equitable and injunctive relief, finding that LNR had an adequate remedy at law in the form of monetary damages. The Bankruptcy Court requested further briefing on one issue in order to rule on CRES’s motion to dismiss LNR’s claim for breach of contract. The parties are currently awaiting a decision by the Bankruptcy Court and the matter remains *sub judice*.

G. Compensation of the Debtors’ Chief Restructuring Officer

On January 31, 2011, the employment agreement between Innkeepers and its Chief Restructuring Officer, Marc Beilinson, expired. The Board determined that the continued employment of Mr. Beilinson was critical to the ongoing restructuring and, at the Board’s request, Mr. Beilinson agreed to continue his employment on an at-will basis while the Board considered and negotiated his compensation and incentive package for the current year. During this time, Mr. Beilinson received his current base salary pursuant to Board direction.

In March 2011, the Board hired the compensation consultant Johnson Associates, Inc., and directed them to examine compensation structures of comparable real estate and hotel businesses and approved incentive programs of companies in large chapter 11 cases. Based upon the analysis of Johnson Associates, and in consultation with its other advisors, on April 1, 2011, the Compensation Committee and then the Board considered and approved the Management Incentive Program for Mr. Beilinson, including up to \$2 million in incentives linked to operating and restructuring milestones, which are set forth on Schedule 2. The Debtors have shared the compensation proposal with some of their constituents and are currently engaged in discussions regarding the proposal.

Unless otherwise approved during the Chapter 11 Cases, on the Effective Date of the Fixed/Floating Plan, the Management Incentive Program (as set forth in the Plan Supplement) shall be deemed approved in its entirety without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity and the Debtors will be authorized to make all payments due under the Management Incentive Program on the Effective Date.

H. The Debtors’ Plan Process

The Debtors have engaged all major stakeholders to solicit input regarding restructuring alternatives with the goal of proposing and filing a consensual plan. To promote meaningful plan development and dialogue, the Debtors created a virtual data room through which potential plan sponsors could perform necessary diligence. The Debtors established a communication protocol to solicit, receive, and consider restructuring proposals. The Debtors also formed a committee of independent trustees of Debtor Innkeepers USA Trust to facilitate the plan consideration process.

The Debtors focused their energy and resources on pursuing a single, comprehensive process—after soliciting input from their key constituencies on the parameters of such process—that was intended to maximize value for the benefit of their estates and creditors. As part of this plan process, the Debtors and their advisors, including Moelis, engaged all of their key constituencies in active discussions regarding the Debtors’ restructuring strategy and solicited restructuring proposals from a selected group of potential plan sponsors whose financial wherewithal and experience in the hospitality and real estate industries could have benefited the Debtors’ estates. The Debtors provided their key constituencies with multiple and regular status updates and provided the Bankruptcy Court with updates through status reports, chambers conferences, and statements made on the record at the Debtors’ hearings.

1. Selection of a Stalking Horse

The Debtors engaged in an intensive stalking horse bidder selection process. Following a meeting of the Independent Committee of the Board on September 20, 2010, and a Board meeting on September 21, 2010, the Debtors began a process of developing plan concepts and a more detailed process timeline to facilitate a restructuring process aimed at maximizing the value of the Debtors' estates for the benefit of all constituents. The Debtors' management and advisors met over the next four weeks (including several meetings with the Debtors' key constituencies) to discuss and develop restructuring alternatives and the appropriate process to pursue a strategy to maximize value.

Following a meeting of the Board on October 19, 2010, where a number of possible restructuring alternatives were discussed, reviewed, and considered, the Board requested that Moelis consider and propose a process to explore an enterprise-level restructuring.

On October 22, 2010, the Debtors and their advisors presented the Board with, and the Board approved, proposed timelines for selecting a stalking horse bidder and engaging in a process to achieve that. At the meeting, Moelis proposed a detailed timeline with the goal of selecting a stalking horse for plan sponsorship for an enterprise-level restructuring transaction within four weeks and selecting the winning bidder within approximately 14 weeks. After discussion and input, the Board approved the proposed timeline and tasked Moelis and the Debtors' management with executing the stalking horse process and meeting the various milestones set forth therein.

On October 26, 2010, the Board held another meeting to discuss the plan process going forward. The Debtors identified Five Mile and four other stalking horse candidates, which list included large private equity firms and real estate-focused investors. The Debtors selected the four other stalking horse candidates from a list of potential investors compiled by Moelis, which was narrowed to the four potential bidders based on, among other criteria, the following: (a) availability of funds; (b) breadth and depth of experience within the lodging sector; (c) familiarity with the bankruptcy process; and (d) ability to execute due diligence in a timely manner. Following the selection of these stalking horse bidder candidates, the Debtors and their advisors engaged in a process to select the stalking horse bidder. Between October 26 and November 3, 2010, the Debtors and their advisors negotiated confidentiality agreements with the stalking horse candidates.

Between October 30 and November 9, 2010, the Debtors granted the potential stalking horse bidders access to an electronic data room for the potential bidders to conduct due diligence. The data room contains detailed information regarding the Debtors' business and finances.

After the November 10, 2010 hearing on the Debtors' motion to extend exclusivity, the Debtors distributed a process letter to the stalking horse candidates outlining the timeframe and requesting indications of interest on or before November 23, 2010 (the "**Process Letter**").

The Debtors and their advisors worked to facilitate the formulation of offers by the stalking horse candidates in a number of ways. For example, Moelis and the Debtors' management coordinated an aggregate of over 120 site visits by the stalking horse candidates and over 25 diligence calls with sales, general, and/or regional managers of the Debtors' hotels. In addition, Moelis held numerous conference calls with the stalking horse candidates to exchange views, to solicit feedback, and to facilitate the formulation of offers. The Debtors' management team also made itself available for a conference call with each stalking horse candidate to discuss the Debtors' revised financial model.

On or shortly after the November 23, 2010 deadline provided for in the Process Letter, four out of the five stalking horse candidates, including Five Mile/Lehman, responded with proposals. All indications of interest contemplated some form of enterprise-level restructuring, notwithstanding the Debtors' willingness to entertain non-enterprise-level restructuring proposals as well. After evaluating these indications of interest, as well as factors regarding each candidate's ability to close their proposed transaction, the Debtors, in consultation with their advisors, conducted a side-by-side analysis of the proposals. Moelis then followed-up with each of the stalking horse candidates to ask clarifying questions and to better understand the proposals and determine the extent to which each candidate would be flexible in changing certain terms of their offers.

Through this process, the Debtors received a verbal offer to modify the structure of one stalking horse proposal. However, the Debtors and their advisors, in consultation with the Independent Committee, determined the proposed verbal modification from the potential bidder would not work structurally and was not worth pursuing for a variety of reasons, including the candidate's need for additional diligence. Two other stalking horse candidates failed to indicate whether they would be willing to materially change the terms of their offers at that time. As a result, the Debtors were left with two proposals, one from Five Mile/Lehman and the other from the stalking horse candidate identified to the key constituencies as Bidder D ("**Bidder D**").

On December 2, 2010, the Independent Committee met with its counsel, Fried, Frank, and the Debtors' management and advisors to discuss the stalking horse proposals. In advance of the meeting, the members of the Independent Committee received the stalking horse proposals, as well as a presentation by Moelis summarizing the terms of each proposal, including the initial Five Mile/Lehman proposal, and comparing contemplated recoveries under each offer. At the Independent Committee meeting, the stalking horse bidders and their proposals were discussed in detail. The terms of each proposal, as well as the contemplated recoveries under each, were analyzed for their impact on the Debtors' estates and on the Debtors' constituents. In addition, the Independent Committee decided on a process moving forward, as well as a recommendation to the Board for the selection of a stalking horse bid. After considering each of the proposals, the Independent Committee concluded that the Bidder D proposal was the highest and best offer at that time.

At a Board meeting held on December 3, 2010, the Board agreed with the Independent Committee's assessment and made the determination that Bidder D's proposal represented the highest and best offer presented. The Board selected Bidder D to be the stalking horse subject to the Debtors' advisors continuing their efforts to negotiate certain requested modifications with Bidder D that would make the Bidder D proposal even more favorable to the estates, while also instructing the Debtors and their advisors to engage with the constituencies to keep them apprised and solicit feedback on the process and the Bidder D proposal.

Following further negotiations with Bidder D, the Debtors received a revised Bidder D proposal on December 4, 2010, incorporating certain, but not all, of the Debtors' requested modifications. The Debtors and Bidder D and their advisors then began the process of negotiating appropriate documentation with Bidder D, while the Debtors and their advisors contacted constituencies to inform them about the Debtors' selection of Bidder D and to solicit feedback from the constituencies about the Bidder D proposal and the process going forward.

On December 7 and December 8, 2010, the Debtors and their advisors met in person or by telephone with each of the key constituencies, including Midland, Lehman, LNR Partners, LLC, CWC Capital Asset Management, LLC, TriMont, the Creditor's Committee, and the Ad Hoc Committee, to advise them of the status of the stalking horse bid process and of the Debtors' intentions to move expeditiously to seek approval of bidding procedures and bid protections. Prior to these meetings, the Debtors asked each participating constituent to confirm its agreement to keep the information regarding the stalking horse proposals confidential, in accordance with the confidentiality agreements previously executed between each constituent and the Debtors. At these meetings, subject to the confidentiality agreements, the Debtors' management and advisors provided the key constituencies (other than Lehman, given its status as a potential bidder) with documentation summarizing each of the stalking horse proposals (without identifying which bidder had proposed which bid) and explained the analyses that the Debtors, their advisors, and the Board had performed in reaching their conclusions regarding the Bidder D proposal. The Debtors and their advisors also solicited input from the key constituencies at these meetings. At or around the same time, the Debtors notified the stalking horse candidates, including Five Mile, that they had selected Bidder D's proposal as the stalking horse proposal.

At the same time, the Debtors and their advisors proceeded to document the Bidder D proposal. On December 9, 2010, the Debtors and their advisors updated the Board on the status of discussions with Bidder D regarding its proposal and the stalking horse process. In addition to an update on the status of negotiations with Bidder D, the Debtors and their advisors apprised the Board of communications with the Debtors' constituencies regarding the Bidder D proposal and the concerns raised by the constituencies, including Midland and Lehman, about the Bidder D proposal and the Debtors' selection of a stalking horse bidder. After this update, the Board directed the Debtors' management and advisors to focus their resources on attempting to finalize documentation with Bidder D, while also continuing their discussions with the key constituencies to solicit feedback and to incorporate the constituencies' thoughts, to the extent possible, in the process.

Certain constituencies raised concerns with the Debtors' management and advisors that the Debtors were proceeding on an expedited timeline to select Bidder D as the stalking horse bidder without engaging in direct negotiations with Five Mile and Lehman before selecting Bidder D. While the Debtors and their advisors were sensitive to these concerns, they were focused on reaching agreement on a proposal that would lead to an auction process commencing with the best baseline bid.

On December 10, 2010, Five Mile/Lehman informed the Debtors it had substantially improved its proposal and that commitment letters had been signed between Five Mile and Lehman and Five Mile and Midland. On December 13, 2010, the Debtors met with representatives from Five Mile/Lehman and Midland to discuss their revised offer. In advance of this meeting, Five Mile/Lehman sent the Debtors and their advisors a revised commitment agreement between Lehman and Five Mile, executed as of December 10, 2010, detailing a joint commitment to act as plan sponsors with the support of Midland.

At the December 13, 2010 meeting, Five Mile/Lehman and Midland discussed the revised proposal in detail with the Debtors and their advisors. Following the meeting, the Debtors and their advisors reviewed and analyzed the revised proposal and determined that it was a significant improvement over Five Mile/Lehman's previous proposal from November 23, 2010, and that it was competitive with and possibly superior to the Bidder D proposal.

On the night of December 13, 2010, the Debtors and their advisors reconvened with Five Mile/Lehman and Midland to further negotiate certain terms of the proposal. These discussions lasted well into the evening and focused on the Debtors' desire that the Five Mile/Lehman Bid contain significant consideration for other constituencies, including unsecured creditors, preferred shareholders, and lenders for the mezzanine debt on the Floating Rate Pool. In addition, the Debtors requested modifications to the proposed bid protections in the proposal. These discussions were productive and resulted in agreement from Five Mile/Lehman and Midland to: (a) increase recoveries to unsecured creditors; (b) provide a baseline recovery and the Co-Investment Right to the holders of the Series C Preferred Shares; (c) resolve litigation between Midland and Apollo on account of the Apollo Guaranty thereby enhancing recoveries for Series C Preferred Shareholders; (d) provide some form of structured debt or equity instrument or other consideration for the Floating Rate Mezzanine Lenders; (e) reduce the initial overbid protection to \$15 million inclusive of the Break-Up Fee and the Expense Reimbursement; (f) agree not to object to an expense reimbursement of up to \$500,000 for Bidder D; and (g) increase the Expense Reserve from \$4.5 million to \$18.5 million.

Following this meeting, the Debtors and their advisors conducted further side-by-side analyses of the Five Mile/Lehman proposal and the other stalking horse bids and concluded that the Five Mile/Lehman proposal, as revised, provided the highest and best offer received to date. On the morning of December 14, 2010, the Debtors and their advisors had a status call with the Board to inform it generally about the updated situation regarding the Five Mile/Lehman proposal. The Debtors and their advisors then held a separate conference call with the Independent Committee to discuss the Five Mile/Lehman proposal in detail. The Independent Committee considered the Five Mile/Lehman proposal and the Bidder D proposal and concluded that the Five Mile/Lehman proposal was the superior bid. The Independent Committee thus decided to recommend the Five Mile/Lehman proposal to the Board.

In a subsequent meeting with the Board on December 14, 2010, the Independent Committee provided its recommendation to the Board. The Board considered the Five Mile/Lehman proposal in detail, and agreed with the Independent Committee's assessment that it provided the best and highest offer received to date. The Board then instructed the Debtors and their advisors to continue negotiations with Five Mile/Lehman and Midland to improve their bid, while working to finalize a commitment.

Between December 14 and December 16, 2010, the Debtors and their advisors informed the other constituencies about the selection of Five Mile/Lehman as the stalking horse bidders and solicited feedback. In addition, the Debtors and their advisors continued negotiations with Five Mile/Lehman and Midland between December 14 and December 22, 2010, to improve recoveries for most constituencies and to improve the contemplated bid protections.

On December 18, 2010, the Debtors and their advisors met with the Board again to provide another status update on the negotiations with Five Mile/Lehman. At that meeting, the Debtors advised the Board of the open issues in the negotiations and the Board requested that the Debtors and their advisors proceed with finalizing the commitment letter on the best terms and conditions the Debtors could negotiate.

Throughout that weekend, the Debtors and their advisors continued to engage in near around-the-clock negotiations with Five Mile/Lehman and Midland to address or otherwise minimize the Board's concerns. As a result of those negotiations, the Debtors won concessions from Five Mile/Lehman, including an extension of the post-stalking horse selection marketing period to 45-days, with no limitation on the Debtors' ability to market prior to approval of the Bidding Procedures.

On December 21, 2010, the Debtors and their advisors met with the Independent Committee and the Board to provide a further update on the status of their negotiations with Five Mile/Lehman and to discuss the issues of concern that the Board had with the Five Mile/Lehman proposal. At that meeting, the Board discussed the proposal from the Ad Hoc Committee and considered it against the entire package presented by Five Mile/Lehman and Midland. The Board determined that it should not risk losing the benefits of the Five Mile/Lehman Bid, including support from the Debtors' two largest creditors representing more than \$1 billion in claims, the portability of the Midland Financing to other bidders pursuant to the Commitment Letter, the baseline recoveries for other constituents, and the broad "fiduciary out" in the Commitment Letter.

Following the December 21 meeting of the Board, the Debtors and their advisors continued their ongoing negotiations with the Five Mile/Lehman and Midland to finalize the Commitment Letter and related documentation.

On December 23, 2010, the Debtors and their advisors met with the Independent Committee and the Board to provide a further update on the status of their negotiations with Five Mile/Lehman. After due consideration, and after weighing the benefits and detriments of the Five Mile/Lehman Bid, and after receiving advice from the Debtors' advisors, the Independent Committee unanimously recommended approval of the Five Mile/Lehman Bid to the Board and the Board (with each of the Apollo Board members and the Chief Restructuring Officer having recused themselves from voting) determined to move forward with the Five Mile/Lehman Bid (the "**Original Stalking Horse Proposal**"). On January 14, 2011, the Debtors filed a motion to, among other things, approve the Original Stalking Horse Proposal and related bidding procedures.

In addition to pursuing the Five Mile/Lehman Bid through the stalking horse process, the Debtors and their advisors continued to engage in a broad marketing process deliberately and carefully designed to maximize the value of the estates. Consistent with the directions of the Board and the Independent Committee, Moelis and the Debtors' management contacted a broad range of prospective buyers, representing a spectrum of potential interest, from established hotel owners and operators, to large private equity investors, sovereign wealth funds, and individual investors.

As part of this effort, the Debtors' management and Moelis began to circulate a marketing teaser letter (the "**Initial Marketing Letter**") on January 7, 2011 circulated the Initial Marketing Letter to over 100 potential financial, strategic, and other buyers. The Initial Marketing Letter explains the benefits of becoming a bidder for the Debtors' enterprise or their individual assets, and sets forth in detail the investment opportunity in sponsoring a plan of reorganization for the Debtors or in otherwise offering a proposal to purchase or acquire all or a portion of the Debtors' assets.

On January 24, 2011, the Debtors' management and Moelis began to circulate a more detailed and updated process letter (the "**Follow-Up Process Letter**"). The Follow-Up Process Letter was sent to over 70 potential buyers, including financial and strategic investors. The Follow-Up Process Letter invited proposals in all forms that will maximize value, and also described the process to conduct due diligence and to submit proposals both in advance of and after the hearing on the Original Stalking Horse Proposal (the "**Stalking Horse Hearing**").

The Debtors also issued a press release on January 24, 2011 announcing the Five Mile/Lehman Bid (the "**Press Release**"). The Press Release described and further highlighted the Debtors' continued pursuit and consideration of all value-maximizing proposals, including non-enterprise based proposals.

On January 24 through January 26, 2011, representatives of Moelis attended The American Lodging Investment Summit Conference in San Diego, California (the “**ALIS Conference**”) to promote or generate potential investor interest. At the ALIS Conference, Moelis representatives engaged with numerous potential buyers to discuss the investment opportunity in acquiring the Debtors’ enterprise or their individual assets. In addition to seven scheduled meetings with prospective investors, Moelis conducted several ad hoc discussions with potentially interested parties during the ALIS Conference.

On February 1, 2011, the Board held a meeting to discuss the ongoing marketing process. In furtherance of this discussion, the Debtors and their advisors provided a detailed process update to the Board, presented a comparison of restructuring proposals (including the Five Mile/Lehman Bid, the stalking horse proposals of Bidders A-D, and earlier bids from Five Mile), discussed the Initial Marketing Letter, and informed the Board of the status of discussions with potential buyers.

On February 11, 2011, Moelis conducted a meeting with financial advisors to the Debtors’ key constituencies. At the meeting, Moelis provided an update on the Debtors’ marketing process in detail and solicited feedback from the financial advisors.

2. The Commitment Letter

On February 15, 2011, the Debtors received an offer from Lehman to modify the Initial Commitment Letter with certain proposed amendments that envision carving out those Debtors from the Initial Commitment Letter and the Five Mile/Lehman Bid that own and/or lease the Seven Sisters—Anaheim Hilton Suites, Hilton Ontario, Residence Inn Mission Valley, Residence Inn Anaheim (Garden Grove), Doubletree Washington, DC, Residence Inn Tyson’s Corner, and Homewood Suites San Antonio.

On February 18, 2011, the Debtors’ management and their advisors provided an update to the Board on the status of the restructuring and the marketing process. Specifically, the Debtors and their advisors updated the Board on the broader marketing process, including a discussion of a letter received from Lehman on February 15, 2011, proposing certain amendments to the Initial Commitment Letter.

On February 21, 2011, the Debtors responded to Lehman’s proposal and explained that the proposed amendments to the Initial Commitment Letter were not acceptable to the Debtors.

On February 22, 2011, Lehman responded to the Debtors’ February 21, 2011 letter with a revised proposal for amendments to the Initial Commitment Letter.

On March 2, 2011, the Debtors’ management and advisors provided a further update to the Board on the status of the ongoing marketing process, including that since the filing of the Stalking Horse Motion, Moelis had identified and contacted approximately 200 potential buyers, sent marketing materials to approximately 120 of those parties, and executed non-disclosure agreements with approximately 30 potential bidders. Moelis also provided an update on the five non-enterprise bids received from bidders, as well as the proposed amendment to the Initial Commitment Letter proposed by Lehman.

After reviewing Lehman’s proposal with the Board at the March 2, 2011 Board meeting, the Debtors and their advisors, at the direction of the Board and the Independent Committee, worked to reach an agreement with Lehman, Five Mile, and Midland to modify the Five Mile/Lehman Bid. Simultaneously with these negotiations, the Debtors received an indication of interest from a potential replacement stalking horse bidder. The Debtors explored this option but ultimately decided to proceed with the Five Mile/Lehman Bid, as modified.

Through further negotiation with Five Mile/Lehman and Midland, the Debtors ultimately reached an agreement to modify the Five Mile/Lehman Bid. Among other things, the Debtors and Five Mile/Lehman and Midland agreed to modify the Initial Commitment Letter to remove the Seven Sisters from the Five Mile/Lehman Bid and to eliminate the \$7 million break-up fee for Five Mile/Lehman contemplated by the Initial Commitment Letter. This agreement was memorialized in the Commitment Letter with Five Mile, Lehman, and Midland, reflecting revised terms to the Original Stalking Horse Proposal. The Commitment Letter contemplates

restructuring the 64 properties that serve as collateral under the Fixed Rate Pool Mortgage Loan Agreement and the Floating Rate Pool Mortgage Loan Agreement.¹⁰

In addition to the Commitment Letter, there are two auxiliary agreements between non-Debtor parties to the Commitment Letter. Five Mile entered into an agreement with Lehman and a separate agreement with Midland (the Debtors are not party to either agreement). The Lehman/Five Mile Commitment governs the rights of Lehman and Five Mile as they relate to each other with respect to the Fixed/Floating Debtors' restructuring, including, among other things, with respect to the application of the plan sponsor deposit and the terms of Five Mile's equity commitment. The Five Mile/Midland Commitment governs the rights of Five Mile and Midland as they relate to each other with respect to the Fixed/Floating Debtors' restructuring, including, among other things, with respect to certain "bad boy" guarantees Five Mile is entering into in connection with the Fixed Rate Mortgage Loan.

3. The Stalking Horse Hearing

On March 11, 2011, the Debtors presented the Stalking Horse Motion to the Bankruptcy Court for entry of a corresponding order approving an auction and related bidding procedures. The Debtors resolved all objections to the Stalking Horse Motion prior to the hearing with the exception of objections filed by Appaloosa Investment L.P. I, Palomino Fund Ltd., Thoroughbred Fund L.P., and Thoroughbred Master Ltd ("**Appaloosa**"). Appaloosa is a certificateholder in certain CMBS mortgage trusts secured by the Debtors' assets and serviced by Midland.

On March 11, 2011 (the "**March 11 Hearing**"), the Bankruptcy Court entered the Commitment Letter and Bidding Procedures Order [Docket No. 1009], approving the Debtors' entry into the Commitment Letter, as well as granting authority to reimburse Five Mile/Lehman for up to \$3 million in expenses under certain circumstances and approving bidding procedures, according to which the Debtors will conduct an auction (the "**Auction**") to maximize value for creditors of the Fixed/Floating Debtors.

4. Ruling as to Certificateholder Standing

Until recently, no court had addressed whether certificateholders in commercial mortgage-backed security ("**CMBS**") REMICs (Real Estate Mortgage Investment Conduits) have standing to be heard in chapter 11 cases under section 1109(b) as "parties in interest." At the March 11 Hearing, the Bankruptcy Court ruled on the issue. Specifically, Appaloosa, in its capacity as a holder of certificated interests in the two REMICs that hold the Fixed Rate Mortgage Loan urged the Bankruptcy Court to adopt a broad interpretation of "party in interest" under section 1109(b) of the Bankruptcy Code to grant them standing to object to the Stalking Horse Motion. The Bankruptcy Court denied the standing request, relying both on controlling law and the express terms of the servicing agreement that governs the Fixed Rate Mortgage Loan, which contractually binds Midland, as special servicer under the Fixed Rate Mortgage Loan, to consider the collective interests of all certificateholders, and which enables certificateholders to take separate action in the event of an alleged breach of duty.

5. Auction Outcome

The deadline for overbids related to the Fixed/Floating Debtors is April 25, 2011. The Debtors have scheduled the Auction for May 2, 2011.

¹⁰ As noted previously, the Debtors no longer own the Best Western hotel in West Palm Beach, Florida. The ground lessee associated with that property, however, remains a Floating Rate Pool Hotel Debtor and is considered a hotel property for purposes of Plan structure.

I. Statement of the Committee

The Committee, in fulfillment of its fiduciary duties, undertook an investigation concerning the Acquisition. Following entry by the Court on August 25, 2010 of an Order authorizing the Committee to take discovery pursuant to Federal Rule of Bankruptcy Procedure 2004 (“**Rule 2004**”), the Committee obtained and reviewed in excess of 550,000 pages of information. These materials were obtained by the Committee from, among others, the Debtors, Apollo, Lehman and Midland.

Utilizing this information, the Committee and its advisors conducted a factual and legal review of potential claims against third parties arising out of the Acquisition. In addition to investigating whether the Acquisition could be challenged as a fraudulent conveyance under state or federal law, the Committee also considered whether claims could be asserted against parties that participated in, assisted with, and/or benefited from the Acquisition.

Following its investigation and analysis, the Committee negotiated a settlement with the Fixed/Floating Debtors, Five Mile, Lehman and Midland that was memorialized in the Five Mile/Midland Commitment. The settlement was agreed to by the Committee in large measure because under the Plan, the Fixed/Floating Debtors intend to assume their hotel franchise agreements, which will minimize the amount of unsecured claims against the Fixed/Floating Debtors and potentially increase distributions to claimholders when compared to a proposed plan under which the hotel franchise agreements are rejected. For these reasons, the Committee believes this settlement is fair, reasonable and in the best interests of the general unsecured creditors of the Fixed/Floating Debtors under the circumstances. With respect to the Reorganized Debtors, no such settlement agreement exists.

Finally, as a result of its examination of the validity of the prepetition secured creditors’ liens, the Committee concluded that neither CWC Capital nor LNR perfected their respective security interests against the assets of Grand Prix General Lessee LLC, Grand Prix RIGG Lessee LLC, Grand Prix RIMV Lessee LLC and Grand Prix Anaheim Orange Lessee LLC (together, the “**Unencumbered Lessees**”). The Committee has not yet commenced an adversary proceeding with respect to the validity of the purported liens against the Unencumbered Lessees. Instead, the Committee will attempt to negotiate an appropriate settlement agreement with the affected secured creditor prior to confirmation of this or any plan of reorganization. In any event, the Committee believes that the assets of these entities will be available to satisfy unsecured claims as set forth in the proposed Plan.

J. Apollo’s Participation in the Chapter 11 Cases

Apollo owns 100% of the common equity interests in Debtor Grand Prix Holdings, LLC and the majority of the Innkeepers USA Trust Series A Preferred Interests. Prior to the Petition Date, on June 29, 2007, Apollo entered into the Apollo Guaranty with respect to certain PIPs for the benefit of the lenders under the Fixed Rate Mortgage Loan Agreement. Prior to the Petition Date, on May 21, 2010, Midland sued Apollo in state court, seeking specific performance of the Apollo Guaranty. The specific performance claim was dismissed without prejudice on the pleadings. *Midland Loan Services, Inc. v. Apollo Investment Corporation*, No. 601324/2010 (N.Y. Sup. Ct. Nov. 4, 2010) (granting Apollo’s motion to dismiss). However, the Court left open the possibility for Midland to seek damages on its breach of contract claim.

While Apollo has been active in these Chapter 11 Cases, Apollo’s role in the development of the Plan was limited. No Apollo employees are members of the Independent Committee. Apollo was not involved in, nor did Apollo influence, the Independent Committee’s deliberations, including the Independent Committee’s decision to pursue the Fixed/Floating Bid, which contemplates releases for Apollo. In fact, representatives from Apollo recused themselves from voting on the Fixed/Floating Bid. Nevertheless, among other contributions, Apollo has made a corporate representative available to be deposed twice and produced all relevant and non-privileged documents requested. The Debtors believe that Apollo has been acting and continues to act in good faith for the benefit of the estate.

Apollo does support the Fixed/Floating Plan and has agreed to (i) not submit an overbid for the Fixed/Floating Hotels; (ii) contribute \$375,000 to the estate, which shall be available for distribution to the holders of General Unsecured Claims against the Fixed/Floating Debtors; and (iii) waive its right to receive any recovery or distribution under the Fixed/Floating Plan. To be clear, Apollo will not receive any distributions under the

Fixed/Floating Plan as creditor, ultimate equity holder, or otherwise. Apollo agreed to each of these concessions at the specific request of the Debtors to address and respond to concerns raised by the Debtors and other parties-in-interest during the course of Plan negotiations. As part of the Plan, Apollo will receive a release from certain parties, including a release with respect to claims associated with the Apollo Guaranty. (Additional information regarding releases is provided in Article I.A and Article V.I of this Disclosure Statement.)

Certain parties may contend that the releases Apollo will receive under the Plan from the Debtors are inappropriate because the Debtors have substantial claims against Apollo and because the Debtors are contributing \$3 million to Midland to resolve any litigation over the Apollo Guaranty. The Debtors disagree. With respect to the release of claims on account of the Apollo Guaranty, the Debtors and the beneficiaries of the Apollo Guaranty believe that the Apollo Release is reasonable and provides appropriate value to the Debtors under the circumstances. To be clear, the Debtors do not have any direct claims against Apollo with respect to the Apollo Guaranty. The Debtors are not parties to, direct beneficiaries of, or direct counterparties to the Apollo Guaranty. Rather, Midland directly benefits from the Apollo Guaranty and has the exclusive right to enforce it. The Debtors believe that settlement of all claims relating to the Apollo Guaranty is in the best interests of the estate. By securing the release, the Debtors are insulated from involvement in potentially complex, protracted and costly litigation in the event that Midland renews its lawsuit against Apollo and Apollo seeks indemnification or contribution from the estate. The outcome of such a lawsuit remains uncertain and may, after additional expense, inconvenience and delay, ultimately place a significant liability on the Debtors. Accordingly, the Debtors believe that the Apollo Release is in the best interest of the Debtors, especially when measured against the fact that Apollo will (i) contribute \$375,000 to the Fixed/Floating Unsecured Claim Fund; (ii) to waive its right to receive any recovery or distribution under the Fixed/Floating Debtors' Plan; and (iii) grant releases for the benefit of the estates and key parties in interest.

F. Treatment of Executory Contracts and Unexpired Leases

1. Rejection of Executory Contracts and Unexpired Leases

Except as otherwise provided in the Plan, the Executory Contracts or Unexpired Leases of a Debtor that are not assumed or rejected pursuant to an Order prior to the Effective Date applicable to such Debtor shall be deemed rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, except for those Executory Contracts or Unexpired Leases: (1) identified on the list of assumed and assigned Executory Contracts and Unexpired Leases in the Plan Supplement; (2) that are the subject of a motion to assume and assign or reject pending on the Effective Date applicable to such Debtor (in which case such assumption and assignment or rejection and the effective date thereof shall remain subject to a Final Order); or (3) that are subject to a motion to reject with a requested effective date of rejection after the Effective Date applicable to such Debtor. Entry of the Confirmation Order shall constitute an approval of the assumptions and assignment or rejections of such Executory Contracts or Unexpired Leases as set forth in the Plan, including the assumption and assignment of the Executory Contracts and Unexpired Leases identified on the list of assumed and assigned Executory Contracts and Unexpired Leases in the Plan Supplement and the rejection of the Executory Contracts and Unexpired Leases identified on the list of rejected Executory Contracts and Unexpired Leases in the Plan Supplement, all pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Unless otherwise indicated, all assumptions and assignments or rejections of a Debtor's Executory Contracts and Unexpired Leases in the Plan are effective as of the Effective Date applicable to such Debtor. Notwithstanding anything to the contrary in the Plan, the Post-Effective Date Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the lists of Executory Contracts or Unexpired Leases applicable to the Post-Effective Date Debtors identified in Article V of the Plan and in the Plan Supplement at any time through and including the later of 30 days after the Effective Date.

2. Cure of Defaults for Assumed and Assigned Executory Contracts and Unexpired Leases

Any Executory Contracts or Unexpired Leases to be assumed and assigned pursuant to the Plan that are, or may be, alleged to be in default, shall be satisfied solely by the satisfaction of the Cure Obligations or by an agreed-upon waiver of the Cure Obligations on the Effective Date or as soon as reasonably practicable thereafter or on such other terms as the Post-Effective Date Debtors and the counterparties to each such Executory Contract or Unexpired Lease may otherwise agree.

Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption and assignment or related Cure Obligations must be Filed, served, and actually received by the Debtors by 30 days after the Effective Date of the Joint Plan applicable to the Debtor that is the counterparty to the Executory Contract or Unexpired Lease. Any counterparty to an Executory Contract and Unexpired Lease that fails to object timely to the proposed assumption and assignment of such Executory Contract or Unexpired Lease or such Cure Obligations will be deemed to have assented to such matters and shall be forever barred, estopped, and enjoined from asserting such objection against the Debtors.

In the event of a dispute regarding: (1) the Cure Obligations; (2) the ability of the Post-Effective Date Debtors to provide “adequate assurance of future performance” within the meaning of section 365(b) of the Bankruptcy Code, if applicable, under the Executory Contract or the Unexpired Lease to be assumed and assigned; or (3) any other matter pertaining to assumption and/or assignment, then the applicable Cure Obligations shall be satisfied following the entry of a Final Order resolving the dispute and approving the assumption and assignment of such Executory Contracts or Unexpired Leases or as may be agreed upon the Debtors or the Post-Effective Date Debtors, as applicable, and the counterparty to such Executory Contract or Unexpired Lease; provided that prior to the Effective Date, the Debtors, or the Post-Effective Date Debtors, as applicable, may settle any dispute regarding Cure Obligations without any further notice to any party or any action, order, or approval of the Bankruptcy Court. The Debtors or the Post-Effective Date Debtors, as applicable, reserve the right to reject, or nullify the assumption and assignment of, any Executory Contract or Unexpired Lease no later than 30 days after a Final Order determining the Cure Obligations, any request for adequate assurance of future performance required to assume and assign such Executory Contract or Unexpired Lease, and any other matter pertaining to assumption and/or assignment.

Assumption and assignment of any Executory Contract or Unexpired Lease pursuant to the Plan, or otherwise, shall result in the full release and satisfaction of any Claims or defaults, subject to satisfaction of the Cure Obligations, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption and/or assignment. Anything in the Schedules and any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed and assigned shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity.

3. Claims Based on Rejection of Executory Contracts and Unexpired Leases

Unless otherwise provided by an order of the Bankruptcy Court, any Proofs of Claim based on the rejection of the Debtors’ Executory Contracts or Unexpired Leases pursuant to the Plan or otherwise, must be Filed with the Notice and Claims Agent no later than the later of (a) 30 days after the effective date of rejection of such Executory Contract or Unexpired Lease and (b) 30 days after the Effective Date of the Joint Plan applicable to the Debtor whom the Claim is against.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease for which Proofs of Claims were not timely Filed as set forth in the paragraph above shall not (a) be treated as a creditor with respect to such Claim, (b) be permitted to vote to accept or reject the Plan, or (c) participate in any distribution in the Chapter 11 Cases on account of such Claim, and such Claim shall be deemed fully satisfied, released, settled and compromised, and be subject to the permanent injunction set forth in Article VIII.G of the Plan, notwithstanding anything in the Schedules or a Proof of Claim to the contrary.

4. Pre-existing Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection or repudiation of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under such contracts or leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Post-Effective Date Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors or the Post-Effective Date Debtors, as applicable, from counterparties to rejected or repudiated Executory Contracts or Unexpired Leases.

5. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each assumed and assigned Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements have been previously rejected or repudiated or is rejected or repudiated under the Plan.

Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

6. Reservation of Rights

Neither the exclusion nor inclusion of any contract or lease in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Post-Effective Date Debtors have any liability thereunder. In the event of a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption and assignment or rejection, the Debtors or the Post-Effective Date Debtors, as applicable, shall have 90 days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease as otherwise provided in the Plan.

G. Provisions Governing Distributions

1. Timing and Calculation of Amounts to Be Distributed

Except as otherwise provided in the Plan, on the Effective Date or as soon as reasonably practicable thereafter (or if a Claim or Interest is not an Allowed Claim or Interest on the Effective Date, on the date that such a Claim or Interest becomes an Allowed Claim or Allowed Interest, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim or Allowed Interest against the Debtors shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests in the applicable Class from the Disbursing Agent. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VII of the Plan. Except as otherwise provided in the Plan, Holders of Claims or Interests shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. Notwithstanding anything to the contrary in the Plan or in this Disclosure Statement, no Holder of an Allowed Claim or Allowed Interest shall, on account of such Allowed Claim or Allowed Interest, receive a distribution in excess of the Allowed amount of such Claim or Interest plus any postpetition interest on such Claim or Interest payable in accordance with the Plan.

2. Distributions Generally; Disbursing Agent

All distributions under the Plan that are to be made on the Effective Date shall be made by the Debtors as Disbursing Agent. All other distributions under the Plan shall be made after the Effective Date by the Post-Effective Date Debtors as Disbursing Agent or such other Entity designated by the Post-Effective Date Debtors as a Disbursing Agent. A Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

3. Rights and Powers of Disbursing Agent

(a) Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to, as applicable: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

(b) Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Post-Effective Date Debtors without any further notice to or action, order, or approval of the Bankruptcy Court.

4. Distributions on Account of Claims Allowed After the Effective Date

(a) Payments and Distributions on Disputed Claims

Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

(b) Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as may be agreed to by the Debtors or the Post-Effective Date Debtors, as applicable, on the one hand, and the Holder of a Disputed Claim, on the other hand, no partial payments and no partial distributions shall be made with respect to any Disputed Claim until all Disputed Claims held by the Holder of such Disputed Claim have become Allowed Claims or have otherwise been resolved by settlement or Final Order.

5. Delivery of Distributions and Undeliverable or Unclaimed Distributions

(a) Delivery of Distributions in General

Except as otherwise provided in the Plan, the Disbursing Agent shall make distributions to Holders of Allowed Claims at the address for each such Holder as indicated on the Debtors' books and records as of the date of any such distribution; provided that the manner of such distributions shall be determined at the discretion of the Disbursing Agent; and provided further, that the address for each Holder of an Allowed Claim shall be deemed to be the address set forth in any Proof of Claim Filed by that Holder. If a Holder holds more than one Claim in any one Class, all Claims of the Holder will be aggregated into one Claim and one distribution will be made with respect to the aggregated Claim.

The Five Mile DIP Agent shall be deemed to be the Holder of all Five Mile DIP Claims for purposes of distributions to be made hereunder, and the Disbursing Agent shall make all distributions on account of such Five Mile DIP Claims to or on behalf of the Five Mile DIP Agent. The Five Mile DIP Agent shall hold or direct such distributions for the benefit of the Holders of Allowed Five Mile DIP Claims. The Five Mile DIP Agent shall arrange to deliver such distributions to or on behalf of such Holders of Allowed Five Mile DIP Claims; provided that the Five Mile DIP Agent shall retain all rights as administrative agent under the Five Mile DIP Agreement in connection with delivery of distributions to Five Mile DIP Lenders; provided further, however, that the Debtors' obligations to make such distributions in accordance with Article II.C of the Plan shall be deemed satisfied upon delivery of such distributions to the Five Mile DIP Agent.

The Lehman DIP Lender shall be deemed to be the Holder of all Lehman DIP Claims for purposes of distributions to be made hereunder, if any, and the Disbursing Agent shall make all distributions on account of such Lehman DIP Claims to or on behalf of the Lehman DIP Lender. The Lehman DIP Lender shall hold or direct such distributions for the benefit of the Holders of Allowed Lehman DIP Claims. The Lehman DIP Lender shall arrange to deliver such distributions to or on behalf of such Holders of Allowed Lehman DIP Claims; provided that the Lehman DIP Lender shall retain all rights as administrative agent under the Lehman DIP Agreement in connection with delivery of distributions to Lehman DIP Lender; provided further, however, that the Debtors' obligations to make distributions in accordance with Article II.D of the Plan shall be deemed satisfied upon delivery of distributions to the Lehman DIP Lender.

Midland shall be deemed to be the Holder of all Fixed Rate Pool Mortgage Loan Claims for purposes of distributions to be made hereunder, if any, and the Disbursing Agent shall make all distributions on account of such Fixed Rate Pool Mortgage Loan Claims to or on behalf of the Special Servicer. Midland shall hold or direct such distributions for the benefit of the Holders of Allowed Fixed Rate Pool Mortgage Loan Claims. Midland shall arrange to deliver such distributions to or on behalf of such Holders of Allowed Fixed Rate Pool Mortgage Loan Claims; provided that that the Debtors' obligations to make distributions in accordance with Article III.B shall be deemed satisfied upon delivery of distributions to Midland.

(b) Minimum; De Minimis Distributions

No Cash payment of less than \$50.00, in the reasonable discretion of the Disbursing Agent, shall be made to a Holder of an Allowed Claim or Allowed Interest on account of such Allowed Claim or Allowed Interest.

(c) Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then current address of such Holder, at which time such distribution shall be made to such Holder without interest; provided that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six months from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the applicable Post-Effective Date Debtor (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder to such property or interest in property shall be released, settled, compromised, and forever barred.

(d) Manner of Payment Pursuant to the Plan

Any payment in Cash to be made pursuant to the Plan shall be made at the election of the Disbursing Agent by check or by wire transfer.

6. Compliance with Tax Requirements/Allocations

In connection with the Plan, to the extent applicable, the Disbursing Agent shall comply with all tax withholding and reporting requirements imposed on it by any Governmental Unit, and all distributions pursuant hereto shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with

such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate.

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

7. Claims Paid or Payable by Third Parties

(a) Claims Paid by Third Parties

The Debtors on or prior to the Effective Date or the Post-Effective Date Debtors after the Effective Date, shall reduce in full a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim. To the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or the Post-Effective Date Debtors on account of such Claim, such Holder shall, within two weeks of receipt thereof, repay or return the distribution to the Post-Effective Date Debtors, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the Allowed amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the Post-Effective Date Debtors annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the two-week grace period specified above until the amount is repaid.

(b) Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

(c) Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors, the Post-Effective Date Debtors, or any other Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained in the Plan or in this Disclosure Statement constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

H. *Procedures for Resolving Contingent, Unliquidated, and Disputed Claims*

1. Resolution of Disputed Claims

(a) Allowance of Claims

On or after the Effective Date, each of the Post-Effective Date Debtors shall have and shall retain any and all rights and defenses that the applicable Debtor had with respect to any Claim, except with respect to any Claim deemed Allowed as of the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy

Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim.

(b) Prosecution of Objections to Claims

The Debtors or the Post-Effective Date Debtors, as applicable, shall have the exclusive authority to File objections to Claims, settle, compromise, withdraw or litigate to judgment objections to any and all Claims, regardless of whether such Claims are in a Class or otherwise. From and after the Effective Date, the Post-Effective Date Debtors may settle or compromise any Disputed Claim without any further notice to or action, order, or approval of the Bankruptcy Court. From and after the Effective Date, the Post-Effective Date Debtors shall have the sole authority to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval of the Bankruptcy Court.

(c) Time to File Objections to Claims

Any objections to Claims shall be filed on or before the Claims Objection Bar Date.

(d) Claims Estimation

The Debtors and the Post-Effective Date Debtors, as applicable, may, at any time, and shall have the exclusive authority to request that the Bankruptcy Court estimate (a) any Disputed Claim pursuant to applicable law and (b) any contingent or unliquidated Claim pursuant to applicable law, including section 502(c) of the Bankruptcy Code, regardless of whether the Debtors or the Post-Effective Date Debtors have previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under 28 U.S.C. §§ 157 and 1334 to estimate any Disputed Claim, contingent Claim or unliquidated Claim, including during the litigation concerning any objection to any Claim or during the pendency of any appeal relating to any such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register but that is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any Disputed Claim, contingent Claim, or unliquidated Claim, that estimated amount shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim for all purposes under the Plan, including for purposes of distributions, and the Debtors or the Post-Effective Date Debtors, as applicable, may elect to pursue additional objections to the ultimate distribution on such Claim. If the estimated amount constitutes a maximum limitation on such Claim, the Debtors or the Post-Effective Date Debtors, as applicable, may elect to pursue any supplemental proceedings to object to any ultimate distribution on account of such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before 21 days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

(e) Expungement or Adjustment to Claims Without Objection

Any Claim that has been paid, satisfied, or superseded may be expunged on the Claims Register by the Notice and Claims Agent at the direction of the Debtors or the Post-Effective Date Debtors, as applicable, and any Claim that has been amended may be adjusted thereon by the Debtors or the Post-Effective Date Debtors, in all cases without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

2. Disallowance of Claims

All Claims or Interests of any Entity from which property is sought by the Debtors or the Post-Effective Date Debtors under section 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Post-Effective Date Debtors allege is a transferee of a transfer that is avoidable under section 522(f), 522(h), 544, 545, 547, 548,

549, or 724(a) of the Bankruptcy Code shall be disallowed if (1) the Entity, on the one hand, and the Debtors or the Post-Effective Date Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turnover any property or monies under any of the aforementioned sections of the Bankruptcy Code and (2) such Entity or transferee has failed to turnover such property by the date set forth in such agreement or Final Order.

EXCEPT AS PROVIDED FOR UNDER THE PLAN OR OTHERWISE AGREED TO BY THE DEBTORS OR THE POST-EFFECTIVE DATE DEBTORS, AS APPLICABLE, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE APPLICABLE CLAIMS BAR DATE (THAT DO NOT AMEND TIMELY FILED CLAIMS) SHALL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE OF THE JOINT PLAN OF THE DEBTOR AGAINST WHOM SUCH CLAIM IS ASSERTED WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER, OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM IS DEEMED TIMELY FILED BY A FINAL ORDER OF THE BANKRUPTCY COURT.

3. Amendments to Claims

On or after the Effective Date, except as provided in Article II.A of the Plan, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Post-Effective Date Debtors, and any such new or amended Claim Filed shall be deemed disallowed and expunged without any further notice to or action, order, or approval of the Bankruptcy Court.

I. *Settlement, Release, Injunction, and Related Provisions*

1. Compromise and Settlement of Claims, Interests, and Controversies

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the classification, distributions, releases, and other benefits provided pursuant to the Plan, on the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims, Interests, and controversies resolved pursuant to the Plan or relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Allowed Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Post-Effective Date Debtors may compromise and settle Claims against the Debtors and their Estates and Causes of Action against other Entities.

2. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Allowed Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors or the Post-Effective Date Debtors, as applicable, reserve the right to re-classify any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto. Notwithstanding anything herein or in the Plan to the contrary, and as provided in Article III.B of the Plan, no Holder of a Section 510(b) Claim shall receive any distribution on account of such Section 510(b) Claim, and all Section 510(b) Claims shall be extinguished.

R. Setoffs

Except as otherwise provided in the Plan, the Debtors or the Post-Effective Date Debtors, as applicable, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim or Interest, may set off against any Allowed Claim or Allowed Interest and the distributions to be made pursuant to the Plan on account of such Allowed Claim or Allowed Interest (before any distribution is made on account of such Allowed Claim or Allowed Interest), any Claims, rights, and Causes of Action of any nature that such Debtor or the Post-Effective Date Debtors, as applicable, may hold against the Holder of such Allowed Claim or Interest, to the extent such Claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); provided that neither the failure to effect such a setoff nor the allowance of any Claim or Interest pursuant to the Plan shall constitute a waiver or release by the Post-Effective Date Debtors of any such Claims, rights, and Causes of Action that the Post-Effective Date Debtors may possess against such Holder.

S. Severability of Plan and Conditions Precedent to the Effective Date

1. Severability of the Plan

The Plan contemplates four separate Joint Plans of reorganization that together provide for the resolution of all Claims against and Interests in each of the 92 Debtors in the Chapter 11 Cases: (a) the Fixed/Floating Plan; (b) the Anaheim Plan; (c) the Ontario Plan; and (d) the Reorganizing Debtor Plan. The Fixed/Floating Plan, the Anaheim Plan, the Ontario Plan, and the Reorganizing Debtor Plan are severable from each other and the Confirmation and Consummation of any one of the four Joint Plans are not conditioned on the Confirmation and Consummation of any of the other three Joint Plans.

2. Condition Precedent to Confirmation of the Fixed/Floating Plan

It shall be a condition to Confirmation of the Fixed/Floating Plan that the Confirmation Order, the Fixed/Floating Plan, and the Plan Supplement, along with any amendments, modifications, or supplements to any of the foregoing, shall be acceptable in all respects to the Fixed/Floating Plan Sponsors and Midland in each of their reasonable discretion in accordance with the Fixed/Floating Successful Bid.

3. Conditions Precedent to the Effective Date of Each of the Joint Plans

It shall be a condition to Consummation of the Plan as applicable to a certain Debtor or certain Debtors that the following conditions shall have been satisfied or waived pursuant to the provisions of Article IX.C of the Plan:

1. Conditions Applicable to All Debtors

- (i) The Bankruptcy Court shall have entered the Confirmation Order and it shall have become a Final Order;
- (ii) All documents and agreements necessary to implement the Joint Plan shall have (a) all conditions precedent to the effectiveness of such documents and agreements satisfied or waived pursuant to the terms of such documents or agreements, (b) been tendered for delivery, and (c) been effected or executed;
- (iii) All governmental and material third party approvals and consents, including Bankruptcy Court approval, necessary in connection with the transactions contemplated by the Joint Plan shall have been obtained, not be subject to unfulfilled conditions and be in full force and effect, and all applicable waiting

periods shall have expired without any action being taken or threatened by any competent authority that would restrain, prevent, or otherwise impose materially adverse conditions on such transactions;

- (iv) The Professional Fee Escrow Account shall have been funded with Cash in the amount of the aggregate Professional Fee Reserve Amount for all Professionals; and
- (v) The “tail policy” for current and former trustees, directors, and officers referenced in Article IV.T of the Plan shall have been purchased.

2. Additional Conditions Applicable Only to the Fixed/Floating Plan

- (i) The Special Servicer Payment, the Special Service Release Payment, and the Apollo Unsecured Claim Fund Payment shall have been made.
- (ii) The Fixed/Floating Successful Bid has not been terminated.
- (iii) The Plan as applicable to the Fixed/Floating Debtors and the Plan Supplement as applicable to the Fixed/Floating Debtors, including any amendments, modifications, or supplements to any of the foregoing shall be in form and substance reasonably acceptable to the Debtors, the Plan Sponsors, and Midland to the extent required by the terms of the Fixed/Floating Successful Bid.

4. Waiver of Conditions

The conditions to Confirmation of the Plan and to the Effective Date of the Plan set forth in Article IX of the Plan may be waived only by consent of the Debtors; provided that with respect to the Consummation of the Fixed/Floating Plan, the conditions precedent to the Effective Date may be waived by the consent of the Fixed/Floating Plan Sponsors or Midland, as applicable, in accordance with the terms of the Fixed/Floating Successful Bid.

5. Effective Date

For each Debtor, the Effective Date shall be the date that is a Business Day selected by the Debtors after the Confirmation Date on which: (a) no stay of the Confirmation Order is in effect; and (b) all conditions precedent applicable to such Debtor specified in Article IX.C of the Plan have been satisfied or waived (in accordance with Article IX.D of the Plan).

6. Effect of Non-Occurrence of the Effective Date Regarding Fixed/Floating Debtors

To the extent that the bid set forth in the Commitment Letter is the Fixed/Floating Successful Bid, unless otherwise agreed by the Debtors, the Fixed/Floating Plan Sponsors, and Midland, if the Effective Date as to the Fixed/Floating Debtors does not occur on or before September 15, 2011 (*i.e.*, the “Outside Date” under the Commitment Letter), the Confirmation Order shall be automatically revoked and the Plan as applicable to the Fixed/Floating Debtors and the Commitment Letter shall be null and void in all respects and nothing contained in the Plan, the Disclosure Statement, or the Commitment Letter shall: (1) constitute a waiver or release of any claims by or Claims against or Interests in the Fixed/Floating Debtors; (2) prejudice in any manner the rights of the Fixed/Floating Debtors, the Fixed/Floating Plan Sponsors, any Holders of Claims against or Interests in the Fixed/Floating Debtors, or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking by the Fixed/Floating Debtors, the Fixed/Floating Plan Sponsors, any Holders of Claims against or Interests, or any other Entity in any respect.

T. Modification, Revocation, or Withdrawal of the Plan

1. Modification and Amendments

Subject to the limitations contained in the Plan, the Debtors reserve the right to modify the Plan as to material terms and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not resolicit votes on such modified Plan. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan, the Debtors expressly reserve their rights to alter, amend, or modify materially the Plan with respect to the Debtors, one or more times, after Confirmation, and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan. Any such modification or supplement shall be considered a modification of the Plan and shall be made in accordance with Article X of the Plan.

2. Effect of Confirmation on Modifications

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan occurring after the solicitation thereof and prior to the Confirmation Date are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

3. Revocation or Withdrawal of the Plan

The Debtors reserve the right to revoke or withdraw the Plan with respect to one or more of the Debtors prior to the Confirmation Date or the Effective Date and to file subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan with respect to any Debtor, or if Confirmation or Consummation does not occur, then: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption and assignment or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims or Interests; (b) prejudice in any manner the rights of the Debtors or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by the Debtors or any other Entity. Nothing contained in Article X of the Plan shall impair the rights and obligations existing under the Commitment Letter.

U. Retention of Jurisdiction

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, the Bankruptcy Court shall retain such jurisdiction over the Chapter 11 Cases and all matters, arising out of, or related to, the Chapter 11 Cases and the Plan, including jurisdiction to:

1. Allow, disallow, determine, liquidate, classify, estimate, or establish the priority, Secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the Secured or unsecured status, priority, amount, or allowance of Claims or Interests;

V. Miscellaneous Provisions

1. Immediate Binding Effect

Subject to Article IX.A of the Plan and notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date with respect to any of the Joint Plans, the terms of such plan, the corresponding Plan Supplement, and the Confirmation Order shall be immediately effective and enforceable and deemed binding upon the relevant Debtors, the relevant Post-Effective Date Debtors, and any and all Holders of Claims or Interests against or in the relevant Debtors (regardless of whether such Claims or Interests are deemed to have accepted or rejected the Plan), all Entities that are parties to or are subject to the settlements, compromises, releases, and injunctions described in such plan, each Entity acquiring property under such plan or the Confirmation Order, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the relevant Debtors. All Claims and debts shall be as fixed, adjusted or compromised, as applicable, pursuant to the Plan regardless of whether any Holder of a Claim or debt has voted on the Plan.

2. Additional Documents

On or before the Effective Date, the Debtors may File with the Bankruptcy Court such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The Debtors or the Post-Effective Date Debtors, as applicable, and all Holders of Claims or Interests receiving distributions pursuant to the Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

3. Payment of Statutory Fees

All fees payable pursuant to section 1930(a) of the Judicial Code shall be paid by the Debtors (prior to or on the Effective Date) or the Post-Effective Date Debtors (after the Effective Date) for each quarter (including any fraction thereof) until the Chapter 11 Cases are converted, dismissed, or closed, whichever occurs first.

4. Dissolution of Committees

Without considering any of the Chapter 11 Cases that have been converted, dismissed or closed, on the date that is the latest Confirmation Date of a chapter 11 plan applicable to any of the Chapter 11 Cases, the Committees, if any, shall dissolve and all members, employees or agents thereof shall be released and discharged from all rights and duties from or related to the Chapter 11 Cases; provided that the Committee shall continue in existence following the Confirmation Date for the sole purpose of prosecuting its applications for fees and expenses.

5. Reservation of Rights

Except as expressly set forth in the Plan, any of the Joint Plans shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order with respect to such Joint Plan. Neither the Plan, any statement or provision contained in the Plan, nor any action taken or not taken by any Debtor with respect to the Plan, the Disclosure Statement, the Confirmation Order, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Debtor with respect to the Holders of Claims or Interests prior to the Effective Date.

6. Successors and Assigns

The rights, benefits, and obligations of any Entity named or referred to in the Plan or the Confirmation Order shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor, or assign, affiliate, officer, director, manager, trustee, agent, representative, attorney, beneficiaries, or guardian, if any, of each Entity.

7. Dissolution of Entities

To the extent there are no remaining Claims against a Debtor and such Debtor has no assets and no liabilities, such Debtor shall be deemed dissolved under state law without further action by the Post-Effective Date Debtors and without any further notice to or action, order, or approval of the Bankruptcy Court or any other Entity.

8. Service of Documents

Any pleading, notice, or other document required by the Plan to be served on or delivered to the Debtors or the Post-Effective Date Debtors shall be served on:

9. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

10. Entire Agreement

Except as otherwise indicated, the Plan, the Confirmation Order, and the Plan Supplement supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

11. Nonseverability of Plan Provisions

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the consent of the Debtors; and (3) nonseverable and mutually dependent.

(a) Votes Solicited in Good Faith.

Upon entry of the Confirmation Order, Innkeepers will be deemed to have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code, and pursuant to section 1125(e) of the Bankruptcy Code, Innkeepers and each of its Affiliates, agents, representatives, members, principals, shareholders, officers, directors, employees, advisors and attorneys will be deemed to have participated in good faith and in compliance with the Bankruptcy Code in the offer and issuance of Securities Distributed under the Plan and any previous plan, and, therefore, such parties, individuals and Reorganized Innkeepers will not have any liability for the violation of any

applicable law, rule or regulation governing the solicitation of votes on the Plan or the offer and issuance of the Securities offered and Distributed under the Plan and any previous plan.

(b) Closing of Chapter 11 Cases.

Innkeepers shall, promptly after the full administration of the Chapter 11 Cases, file with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

(c) Waiver or Estoppel.

The Plan provides that each Holder of a Claim or an Equity Interest shall be deemed to have waived any right to assert any argument, including the right to argue that its Claim or Equity Interest should be Allowed in a certain amount, in a certain priority, Secured or not subordinated by virtue of an agreement made with Innkeepers, its counsel or any other Entity, if such agreement was not disclosed in the Plan, the Disclosure Statement or papers filed with the Bankruptcy Court prior to the Confirmation Date. For the avoidance of doubt, this provision in the Plan is not intended to limit a creditor's ability to enter into a consensual post-confirmation resolution of its Claim.

(d) Conflicts.

Except as set forth in the Plan, to the extent that any provision of the Disclosure Statement, the Plan Supplement or any other order (other than the Confirmation Order) referenced in the Plan (or any exhibits, schedules, appendices, supplements or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Plan, the Plan shall govern and control.

**ARTICLE VI.
VALUATION ANALYSIS AND FINANCIAL PROJECTIONS**

A. Valuation of the Debtors

A valuation analysis of the Debtors will be attached hereto as **Exhibit D**.

B. Financial Projections

As further discussed in Article VII.B.2 of this Disclosure Statement, the Debtors believe the Plan meets the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code, as confirmation is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtors or any successor to the Debtors under the Plan. In connection with developing the Plan, and for purposes of determining whether the Plan satisfies feasibility standards, the Debtors' management has developed the financial projections, which are attached hereto as **Exhibit B** and incorporated by reference.

**ARTICLE VII.
STATUTORY REQUIREMENTS FOR CONFIRMATION OF THE PLAN**

The following is a brief summary of the confirmation process. Holders of Claims and Interests are encouraged to review the relevant provisions of the Bankruptcy Code and to consult their own advisors with respect to the summary provided herein.

A. Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires a bankruptcy court, after notice, to conduct a hearing to consider confirmation of a chapter 11 plan. Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of the Plan. **The Bankruptcy Court has scheduled a Confirmation Hearing for each Joint Plan for _____, 2011.** A Confirmation Hearing may be adjourned from time to time by the

Bankruptcy Court without further notice except for an announcement of the adjourned date made at a Confirmation Hearing or the filing of a notice of such adjournment served in accordance with the order approving the Disclosure Statement and Solicitation Procedures. Any objection to the Plan must (1) be in writing, (2) conform to the Bankruptcy Rules and the Local Bankruptcy Rules, (3) state the name, address, phone number, and e-mail address of the objecting party and the amount and nature of the Claim or Interest of such entity, if any, (4) state with particularity the basis and nature of any objection to the Plan and, if practicable, a proposed modification to the Plan that would resolve such objection, and (5) be filed, contemporaneously with a proof of service, with the Bankruptcy Court and served so that it is actually received by the following notice parties set forth in Article V.V.8 herein no later than the Plan Objection Deadline. **Unless an objection to the Plan is timely served and filed, it may not be considered by the Bankruptcy Court.**

B. Confirmation Standards

At a Confirmation Hearing, the Bankruptcy Court will determine whether the Plan satisfies the requirements of section 1129 of the Bankruptcy Code. The Debtors believe that the Plan satisfies or will satisfy all of the statutory requirements of chapter 11 of the Bankruptcy Code and that they have complied or will have complied with all of the requirements of chapter 11 of the Bankruptcy Code. Specifically, the Debtors believe that the Plan satisfies or will satisfy the applicable confirmation requirements of section 1129 of the Bankruptcy Code, including those set forth below.

- The Plan complies with the applicable provisions of the Bankruptcy Code.
- The Debtors, as the Plan proponents, have complied with the applicable provisions of the Bankruptcy Code.
- The Plan has been proposed in good faith and not by any means forbidden by law.
- Any payment made or to be made under the Plan for services or for costs and expenses in, or in connection with, these Chapter 11 Cases, or in connection with the Plan and incident to these Chapter 11 Cases, has been or will be disclosed to the Bankruptcy Court, and any such payment: (1) made before the confirmation of the Plan is reasonable; or (2) is subject to the approval of the Bankruptcy Court as reasonable, if it is to be fixed after confirmation of the Plan.
- With respect to each Class of Claims, each Holder of an Impaired Claim has accepted the Plan or will receive or retain under the Plan on account of such Claim property of a value as of the Effective Date of the Plan that is not less than the amount that such Holder would receive or retain if the Debtors were liquidated on that date under chapter 7 of the Bankruptcy Code. With respect to each Class of Interests, each Holder of an Impaired Interest has accepted the Plan or will receive or retain under the Plan on account of such Interest property of a value as of the Effective Date of the Plan that is not less than the amount that such Holder would receive or retain if the Debtors were liquidated on that date under chapter 7 of the Bankruptcy Code.
- Each Class of Claims or Interests that is entitled to vote on the Plan has either accepted the Plan or is not Impaired under the Plan, or the Plan can be confirmed without the approval of such voting Class of Claims or Interests pursuant to section 1129(b) of the Bankruptcy Code.
- Except to the extent that the Holder of a particular Claim will agree to a different treatment of its Claim, the Plan provides that: (1) Holders of Claims specified in sections 507(a)(2) and 507(a)(3) will receive, under different circumstances, Cash equal to the amount of such Claim either on the Effective Date (or as soon as practicable thereafter), no later than 30 days after the Claim becomes Allowed, or pursuant to the terms and conditions of the transaction giving rise to the Claim; (2) Holders of Claims specified in sections 507(a)(1), 507(a)(4), 507(a)(5), 507(a)(6), or 507(a)(7) of the Bankruptcy Code will receive on account of such Claims Cash equal to the Allowed amount of such Claim on the Effective Date of the Plan (or as soon thereafter as is reasonably practicable) or Cash payable over no more than six months after the Petition Date; and (3) Holders of Claims

specified in section 507(a)(8) of the Bankruptcy Code will receive on account of such Claim regular installment payments of Cash of a total value, as of the Effective Date of the Plan, equal to the Allowed amount of such Claim over a period ending not later than five years after the Petition Date.

- At least one class of Impaired Claims has accepted the Plan, determined without including any acceptance of the Plan by any “insider,” as that term is defined by section 101(31) of the Bankruptcy Code, holding a Claim in that Class.
- Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Debtors or any successors thereto under the Plan, unless the Plan contemplates such liquidation or reorganization.
- The Debtors have paid or the Plan provides for the payment of the required filing fees pursuant to 28 U.S.C. § 1930 to the clerk of the Bankruptcy Court.

1. Best Interests of Creditors Test - Liquidation Analysis

Often called the “best interests” test, section 1129(a)(7) of the Bankruptcy Code requires that a bankruptcy court find, as a condition to confirmation, that a chapter 11 plan provides, with respect to each class, that each Holder of a Claim or an interest in such class either (a) has accepted the plan or (b) will receive or retain under the plan property of a value, as of the Effective Date of the plan, that is not less than the amount that such Holder would receive or retain if the debtors liquidated under chapter 7 of the Bankruptcy Code.

To demonstrate compliance with the “best interests” test, the Debtors, with the assistance of their advisors, prepared the Liquidation Analysis, attached hereto as Exhibit C, showing that the value of the distributions provided to Holders of Allowed Claims under the Plan would be the same or greater than under a hypothetical chapter 7 liquidation.

2. Financial Feasibility

Section 1129(a)(11) of the Bankruptcy Code requires that the Bankruptcy Court find that Confirmation is not likely to be followed by the liquidation of the Post-Effective Date Debtors or the need for further financial reorganization, unless the Plan contemplates such liquidation or reorganization. The Debtors believe that the Plan meets the financial feasibility requirement. Moreover, the Debtors believe that sufficient funds will exist to make all distributions required by the Plan. Accordingly, the Debtors believe that the Plan satisfies the feasibility requirement of section 1129(a)(11) of the Bankruptcy Code.

C. *Acceptance by Impaired Classes*

The Bankruptcy Code requires, as a condition to confirmation, that, except as described in the following section, each class of claims or interests that is impaired under a plan, accept the plan. A class that is not impaired under a plan is presumed to have accepted the plan and, therefore, solicitation of acceptances with respect to such class is not required. Pursuant to section 1124 of the Bankruptcy Code, a class is impaired unless the plan: (1) leaves unaltered the legal, equitable, and contractual rights to which the claim or the interest entitles the Holder of such claim or interest; (2) cures any default, reinstates the original terms of such obligation, and compensates; or (3) provides that, on the Consummation date, the Holder of such claim or interest receives cash equal to the allowed amount of that claim or, with respect to any interest, any fixed liquidation preference to which the Holder of such interest is entitled or to any fixed price at which the debtor may redeem the security.

Section 1126(c) of the Bankruptcy Code defines acceptance of a plan by a class of impaired creditors as acceptance by holders of at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of claims in that class, but for that purpose counts only those who actually vote to accept or to reject a plan. Thus, a Class of creditor Claims will have voted to accept the Plan only if two-thirds (2/3) in amount and a majority in number actually voting cast their ballots in favor of acceptance, subject to Article III of the Plan.

Section 1126(d) of the Bankruptcy Code defines acceptance of a plan by a class of impaired interests as acceptance by holders of at least two-thirds (2/3) in dollar amount of those interests who actually vote to accept or to reject a plan. Votes that have been “designated” under section 1126(e) of the Bankruptcy Code are not included in the calculation of acceptance by a class of interests. Thus, a Class of Interests will have voted to accept the Plan only if two-thirds (2/3) in amount actually voting cast their ballots in favor of acceptance, not counting designated votes, subject to Article III of the Plan.

D. Confirmation without Acceptance by All Impaired Classes

Section 1129(b) of the Bankruptcy Code allows a bankruptcy court to confirm a plan even if impaired classes entitled to vote on the plan have not accepted it or if an impaired class is deemed to reject the plan, *provided that* the plan is accepted by at least one impaired class. Pursuant to section 1129(b) of the Bankruptcy Code, notwithstanding an impaired class’s rejection or deemed rejection of the plan, such plan will be confirmed, at the plan proponent’s request, in a procedure commonly known as “cram down,” so long as the plan does not “discriminate unfairly” and is “fair and equitable” with respect to each class of claims or interests that is impaired under, and has not accepted, the plan.

1. No Unfair Discrimination.

The test for unfair discrimination applies to classes of claims or interests that are of equal priority and are receiving different treatment under the Plan. The test does not require that the treatment be the same or equivalent but that such treatment be “fair.” In general, bankruptcy courts consider whether a plan discriminates unfairly in its treatment of classes of claims of equal rank (*e.g.*, classes of the same legal character). The Debtors do not believe the Plan discriminates unfairly against any Impaired Class of Claims or Interests that have voted against or are deemed to vote against the Plan. The Debtors believe that the Plan and the treatment of all Classes of Claims and Interests satisfy the foregoing requirements for non-consensual Confirmation.

2. Fair and Equitable Test.

The fair and equitable test applies to classes of different priority and status (*e.g.*, secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the amount of the allowed claims in such class. As to each non-accepting class, the test sets different standards depending on the type of claims or interests in such class. As set forth below, the Debtors believe that the Plan satisfies the “fair and equitable” requirement, notwithstanding the fact that certain Classes are deemed to reject the Plan. There is no Class of equal priority receiving more favorable treatment and no Class that is junior to such dissenting Class that will receive or retain any property on account of the Claims or Interests in such Class.

(a) Secured Claims

The condition that a plan be “fair and equitable” to a non-accepting class of secured claims includes the requirements that: (i) the holders of such secured claims retain the liens securing such claims to the extent of the allowed amount of the claims, whether the property subject to the liens is retained by the debtor or transferred to another entity under the plan; and (ii) each holder of a secured claim in the class receives deferred cash payments totaling at least the allowed amount of such claim with a present value, as of the effective date of the plan, at least equivalent to the value of the secured claimant’s interest in the debtor’s property subject to the liens.

(b) Unsecured Claims

The condition that a plan be “fair and equitable” to a non-accepting class of unsecured claims includes the requirement that either: (i) the plan provides that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the Effective Date of the plan, equal to the allowed amount of such claim; or (ii) the holder of any claim or any interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or junior interest any property.

(c) Interests

The condition that a plan be “fair and equitable” to a non-accepting class of interests includes the requirements that either: (i) the plan provides that each holder of an interest in that class receives or retains under the plan on account of that interest property of a value, as of the effective date of the plan, equal to the greater of: (1) the allowed amount of any fixed liquidation preference to which such holder is entitled; (2) any fixed redemption price to which such holder is entitled; or (ii) the value of such interest; or (iii) if the class does not receive the amount as required under (i) hereof, no class of interests junior to the non-accepting class may receive a distribution under the plan.

**ARTICLE VIII.
CERTAIN RISK FACTORS TO BE CONSIDERED PRIOR TO VOTING**

Holders of Claims and Interests entitled to vote should read and consider carefully the risk factors set forth below, as well as the other information set forth in this Disclosure Statement and the documents delivered together herewith, referred to or incorporated by reference herein, prior to voting to accept or reject the Plan. These factors should not be regarded as constituting the only risks present in connection with the Debtors’ business or the Plan and its implementation.

A. Certain Bankruptcy Law Considerations

The occurrence or non-occurrence of any or all of the following contingencies, and any others, could affect distributions available to Holders of Allowed Claims and Allowed Interests under the Plan but will not necessarily affect the validity of the vote of the Impaired Classes to accept or reject the Plan or necessarily require a re-solicitation of the votes of Holders of Claims in such Impaired Classes.

1. Parties in Interest May Object to the Plan’s Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an interest in a particular class only if such claim or interest is substantially similar to the other claims or interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests, each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims and Interests in each such class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

2. Failure to Satisfy Vote Requirements

With respect to each Joint Plan, if votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors intend to seek, as promptly as practicable thereafter, Confirmation of the Plan. In the event that sufficient votes are not received, the Debtors may seek to confirm an alternative chapter 11 plan. There can be no assurance that the terms of any such alternative chapter 11 plan would be similar or as favorable to the Holders of Allowed Claims as those proposed in the Plan. In the event that sufficient votes are not received for any Joint Plan, the Debtors may still seek to confirm any of the other Joint Plans that does receive sufficient votes.

3. The Debtors May Not Be Able to Secure Confirmation of the Plan

The Debtors will need to satisfy section 1129 of the Bankruptcy Code for each of the four Joint Plans. With respect to each Joint Plan, section 1129 of the Bankruptcy Code sets forth the requirements for confirmation of a chapter 11 plan and requires, among other things, a finding by a bankruptcy court that: (a) such plan “does not unfairly discriminate” and is “fair and equitable” with respect to any non-accepting classes; (b) confirmation of such plan is not likely to be followed by a liquidation or a need for further financial reorganization unless such liquidation or reorganization is contemplated by the plan; and (c) the value of distributions to non-accepting holders of claims and interests within a particular class under such plan will not be less than the value of distributions such holders would receive if the debtors were liquidated under chapter 7 of the Bankruptcy Code.

There can be no assurance that the requisite acceptances to confirm the Plan will be received. Even if the requisite acceptances are received, there can be no assurance that the Bankruptcy Court will confirm the Plan. A non-accepting Holder of an Allowed Claim or an Allowed Interest might challenge either the adequacy of this Disclosure Statement or whether the balloting procedures and voting results satisfy the requirements of the Bankruptcy Code or Bankruptcy Rules. Even if the Bankruptcy Court determines that this Disclosure Statement, the Solicitation Procedures, and the voting results are appropriate, the Bankruptcy Court can still decline to confirm the Plan if it finds that any of the statutory requirements for Confirmation have not been met, including the requirement that the terms of the Plan do not “unfairly discriminate” and are “fair and equitable” to non-accepting Classes. If the Plan is not confirmed, it is unclear what distributions, if any, Holders of Allowed Claims and Allowed Interests will receive with respect to their Allowed Claims and Allowed Interests.

The Debtors, subject to the terms and conditions of the Plan, reserve the right to modify the terms and conditions of the Plan as necessary for Confirmation. Any such modifications could result in a less favorable treatment of any Class than the treatment currently provided in the Plan. Such a less favorable treatment could include a distribution of property to the Class affected by the modification of a lesser value than currently provided in the Plan or no distribution of property whatsoever under the Plan.

4. Nonconsensual Confirmation

In the event that any impaired class of claims or interests does not accept a chapter 11 plan, a bankruptcy court may nevertheless confirm a plan at the proponents’ request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any “insider” in such class), and, as to each impaired class that has not accepted the plan, the bankruptcy court determines that the plan “does not discriminate unfairly” and is “fair and equitable” with respect to the dissenting classes. The Debtors believe that the Plan satisfies these requirements and the Debtors may request such nonconsensual Confirmation in accordance with section 1129(b) of the Bankruptcy Code. Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion. In addition, with respect to each Joint Plan, the pursuit of nonconsensual Confirmation of the Plan may result in, among other things, increased expenses and the expiration of the entities’ commitments to provide support for the Plan, financially or otherwise.

5. The Debtors May Object to the Amount or Classification of a Claim

Except as specifically provided in the Plan, the Debtors reserve the right, under the Plan, to object to the amount or classification of any Claim. The estimates set forth in this Disclosure Statement cannot be relied upon by any Holder of a Claim where such Claim is or may be subject to an objection. Any Holder of a Claim that is or may be subject to an objection, thus, may not receive its expected share of the estimated distributions described in this Disclosure Statement.

6. Risk of Non-Occurrence of the Effective Date

Although the Debtors believe that the Effective Date may occur quickly after the Confirmation Date with respect to each Joint Plan, there can be no assurance as to such timing or as to whether such an Effective Date will, in fact, occur. In addition, the Fixed/Floating Plan shall be null and void in all respects if the Effective Date does not occur on or before September 15, 2011 (the “Outside Date” under the Commitment Letter), unless otherwise agreed by the Debtors, Five Mile/Lehman, and Midland in writing.

7. Contingencies Could Affect Votes of Impaired Classes to Accept or Reject the Plan

The distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which could affect distributions available to Holders of Allowed Claims and Allowed Interests under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes.

B. Risk Factors that May Affect Recovery Available to Holders of Allowed Claims and the Value of Securities to Be Issued Under the Plan

1. Actual Amounts of Allowed Claims May Differ from Estimated Amounts of Allowed Claims, Thereby Adversely Affecting the Recovery of Some Creditors

The estimate of Allowed Claims and creditor recoveries set forth in this Disclosure Statement are based on various assumptions. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary significantly from the estimated Claims contained in this Disclosure Statement. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the recoveries to Holders of Allowed Claims under the Plan and the Debtors' and the Post-Effective Date Debtors' abilities to meet the Financial Projections.

2. The Commitment Letter May Terminate, Thereby Preventing the Debtors From Consummating the Plan as Applicable to the Fixed/Floating Debtors

To the extent that the terms or conditions of the Commitment Letter are not satisfied, or to the extent events giving rise to termination of the Commitment Letter occur, the Commitment Letter may terminate prior to the Confirmation or Consummation of the Fixed/Floating Plan, which could result in the loss of support for the Fixed/Floating Plan by important creditor constituents. Any such loss of support could adversely affect the Debtors' ability to confirm and consummate the Plan.

3. The Post-Effective Date Debtors May Not Be Able to Meet the Projected Financial Results as Applicable to the Fixed/Floating Debtors

The Post-Effective Date Debtors may not be able to meet the Debtors' current projected financial results or achieve projected revenues and cash flows that they have assumed in projecting future business prospects. To the extent that the Post-Effective Date Debtors do not meet the Debtors' projected financial results, the Post-Effective Date Debtors may lack sufficient liquidity to continue operating as planned, may be unable to service its debt obligations, and may not be able to meet its working capital and operational needs. Any one of these failures may preclude the Post-Effective Date Debtors from, among other things: (a) generating and growing revenues; (b) maintaining the physical condition of directly and indirectly owned properties; (c) meeting obligations under various franchise agreements; (d) taking advantage of future business opportunities; and (e) responding to competitive pressures. While the financial projections represent management's view based on current known facts and assumptions about future operations, there is no guarantee that the financial projections will be realized.

4. A Small Number of Holders or Voting Blocks May Control the Post-Effective Date Debtors

Consummation of the Plan may result in a small number of Holders owning a significant percentage of the shares of the outstanding New HoldCo Interests. These Holders may, among other things, exercise a controlling influence over the business and affairs of the Post-Effective Date Debtors and have the power to elect directors or managers and approve significant mergers and other material corporate transactions.

5. Certain Tax Implications of the Debtors' Bankruptcy May Increase the Tax Liability of the Purchaser

Holders of Allowed Claims should carefully review Article X herein, "Certain United States Federal Tax Income Consequences" to determine how the tax implications of the Plan and these Chapter 11 Cases may adversely affect the Post-Effective Date Debtors.

C. Risk Factors that Could Negatively Impact the Debtors' Business

The Debtors are subject to a number of risks, including (1) bankruptcy-related risk factors and (2) general business and financial risk factors. Any or all such factors, which are enumerated below, could have a materially

adverse effect on the business, financial condition, or results of operations of the Debtors and the Post-Effective Date Debtors. Additional risks and uncertainties not currently known to the Debtors or that the Debtors currently deem to be immaterial at this time may also materially adversely affect the Debtors' business, financial condition, or results of operations. Any of the following risks could materially adversely affect the Debtors' business, financial condition, or results of operations.

1. Bankruptcy Related Risk Factors

For the duration of these Chapter 11 Cases, the Debtors' operations and the Debtors' ability to execute their business strategy will be subject to the risks and uncertainties associated with bankruptcy. These risks include:

- The Chapter 11 Cases may adversely affect the Debtors' business prospects and their ability to operate while in chapter 11.
- The Chapter 11 Cases and the attendant difficulties of operating the Debtors' business while attempting to reorganize the business in bankruptcy may make it more difficult to maintain and promote the Debtors' services and attract customers to their business.
- The Chapter 11 Cases will cause the Debtors to incur substantial costs for fees and other expenses associated with these Chapter 11 Cases.
- The Chapter 11 Cases may prevent the Debtors from continuing to grow their business and may restrict their ability to pursue other business strategies. Among other things, the Bankruptcy Code limits the Debtors' ability to incur additional indebtedness, make investments, sell assets, consolidate, merge or sell, or otherwise dispose of assets or grant liens. These restrictions may place the Debtors at a competitive disadvantage.
- Transactions by the Debtors outside the ordinary course of business are subject to the prior approval of the Bankruptcy Court, which may limit their ability to respond timely to certain events or take advantage of certain opportunities. The Debtors may not be able to obtain Bankruptcy Court approval or such approval may be delayed with respect to actions they seek to undertake in these Chapter 11 Cases.
- The Debtors may be unable to retain and motivate key executives and employees through the process of reorganization, and the Debtors may have difficulty attracting new employees. In addition, so long as these Chapter 11 Cases continue, the Debtors' senior management will be required to spend a significant amount of time and effort dealing with the reorganization instead of focusing exclusively on business operations.
- There can be no assurance as to the Debtors' ability to maintain sufficient financing sources to fund their business and meet future obligations. The Debtors currently are financing their operations during their reorganization using funds from operations. The borrowings under the postpetition credit facilities will be used to fund the PIPs. The Debtors may be unable to operate pursuant to the terms of their DIP Facilities, including the financial covenants and restrictions contained therein, or to negotiate and obtain necessary approvals, amendments, waivers, or other types of modifications, and to otherwise fund and execute the Debtors' business plans throughout the duration of these Chapter 11 Cases.
- There can be no assurance that the Debtors will be able to successfully develop, prosecute, confirm, and consummate one or more chapter 11 plans with respect to these Chapter 11 Cases that are acceptable to the Bankruptcy Court and the Debtors' creditors, equityholders, and other parties in interest. Additionally, third parties may seek and obtain Bankruptcy Court approval to terminate or shorten the exclusivity period for the Debtors to propose and confirm one or more plans of reorganization, to appoint a chapter 11 trustee, or to convert the cases to chapter 7 cases.

In addition, the uncertainty regarding the eventual outcome of the Debtors' restructuring, and the effect of other unknown adverse factors could threaten the Debtors' existence as a going-concern. Continuing on a going-concern basis is dependent upon, among other things, obtaining Bankruptcy Court approval of a chapter 11 plan, maintaining the support of key vendors, franchisors, and customers, and retaining key personnel, along with financial, business, and other factors, many of which are beyond the Debtors' control. Under the priority scheme established by the Bankruptcy Code, unless creditors agree otherwise in accordance with the Bankruptcy Code, distributions from the estate for prepetition liabilities and postpetition liabilities must comply with section 1129 of the Bankruptcy Code. The ultimate recovery to Holders of Claims or interests, if any, will not be determined until Confirmation of the Plan or an alternative to a chapter 11 plan. No assurance can be given as to what values, if any, will be ascribed in these Chapter 11 Cases to each of these constituencies or what types or amounts of distributions, if any, they would receive.

2. General Business and Financial Risk Factors

(a) General Economic Conditions

In the financial projections, the Debtors have assumed that the general economic conditions of the United States economy will improve over the next several years. The stability of economic conditions is subject to many factors outside the Debtors' control, including interest rates, inflation, unemployment rates, the housing market, consumer spending, war, terrorism and other such factors. Any one of these or other economic factors could have a significant impact on the operating performance of the Debtors. There is no guarantee that economic conditions will improve in the near term.

(b) Implementation of Business Plan

The Debtors believe that they will succeed in implementing and executing their business plan and financial restructuring. However, there are risks that the goals of the Debtors' going-forward business plan and financial restructuring strategy will not be achieved. In such event, the Debtors may be unable to refinance maturing debt or be forced to sell all or parts of their business, develop and implement further restructuring plans not contemplated herein or become subject to further insolvency proceedings.

(c) Seasonality

The Debtors' principal sources of revenue are revenues generated by their properties. The Debtors' experience seasonal revenue patterns similar to those of the hospitality industry in general. This seasonality can be expected to cause fluctuations in the Debtors' revenues, profit margins and net income.

(d) Competition

The hospitality industry is highly competitive, which may impact the Debtors' ability to compete successfully for customers with other hotel properties. The Debtors generally operate in markets that contain numerous competitors. The Debtors' ability to remain competitive and to attract and retain business and leisure travelers depends on the Debtors' success in distinguishing the quality, value, and efficiency of the Debtors' hospitality products and services from those offered by others and their access to capital to be used for capital expenditures. If the Debtors are unable to compete successfully in these areas, this could limit the Debtors' operating margins, diminish the Debtors' market share, and reduce their earnings.

(e) Operating Risks

The Debtors are subject to the range of operating risks common to the hotel industry. The profitability of the hotels that the Debtors own may be adversely affected by a number of factors, including:

- the availability of and demand for hotel rooms;
- international, national, and regional economic and geopolitical conditions;

- the impact of war, actual or threatened terrorist activity and heightened travel security measures instituted in response to war, terrorist activity or threats;
- the desirability of particular locations and changes in travel and/or weather patterns;
- the state of the housing and construction industries;
- travelers' fears of exposure to contagious diseases, such as Avian Flu, Severe Acute Respiratory Syndrome, and H1N1 Flu;
- the occurrence of natural disasters, such as earthquakes, tsunamis, and hurricanes;
- taxes and government regulations that influence or determine wages, prices, interest rates, construction procedures, and costs;
- the costs and administrative burdens associated with compliance with applicable laws and regulations, including, among others, privacy, marketing and sales, licensing, labor, and employment, immigration and environmental laws;
- the availability and cost of capital to allow the Post-Effective Date Debtors to fund investments;
- regional and national development of competing properties;
- increases in wages and other labor costs, energy, healthcare, insurance, transportation and fuel, and other expenses central to the conduct of the Debtors' business or the cost of travel for the Debtors' customers, including recent increases in energy costs and any resulting increase in travel costs or decrease in airline capacity; and
- organized labor activities, which could cause the diversion of business from hotels involved in labor negotiations, loss of group business, and/or increased labor costs. Any one or more of these factors could limit or reduce the demand or the prices of the Debtors' hotels are able to obtain for hotel rooms or could increase their costs and therefore reduce the profit of the Post-Effective Date Debtors' hospitality businesses. Even where such factors do not reduce demand, property-level profit margins may suffer if the Post-Effective Date Debtors is unable to fully recover increased operating costs from its guests. Similarly, the Post-Effective Date Debtors' revenue could be impacted by weak property-level revenue or profitability.

(f) National and Regional Conditions

The Debtors' hospitality operations are subject to national and regional conditions. In recent years, the Debtors' business has been hurt by decreases in travel resulting from recent economic conditions. The Post-Effective Date Debtors' future economic performance is similarly subject to the economic environment in the United States and elsewhere, which is uncertain, as evidenced by recent failures and near failures of a number of large financial service companies, the current worldwide recession, the resulting unknown pace of business travel, the occurrence of any future incidents in the United States, and the pace of recovery of any such adverse events or conditions.

(g) Property Damage

The Debtors have comprehensive property and liability insurance policies with coverage features and insured limits that the Debtors believe are customary. Market forces beyond the Debtors control may nonetheless limit the scope of insurance coverage that the Post-Effective Date Debtors can obtain, as well as the ability to obtain coverage at reasonable rates. Certain types of losses, generally of a catastrophic nature, such as earthquakes, hurricanes and floods, or terrorist acts, may be uninsurable or too expensive to justify obtaining insurance. As a result, the Debtors may not be successful in obtaining insurance without increases in cost or decreases in coverage

levels. In addition, in the event of a substantial loss, the insurance coverage the Debtors carry may not be sufficient to pay the full market value or replacement cost of the Debtors' lost investment or in some cases could result in certain losses being totally uninsured. As a result, the Debtors could lose some or all of the capital they have invested in a property, as well as the anticipated future revenue from the property, and the Debtors could remain obligated for guarantees, debt, or other financial obligations related to the property.

(h) Hotel Managers

The Debtors rely on their Hotel Management Agreements with Island and Dimension for the management of their hotel properties. The temporary or permanent inability of Island or Dimension to meet their obligations under the Hotel Management Agreements could severely impact the ability of the Debtors' properties to generate revenues.

(i) Continuing Leverage and Ability to Service Debt

Although the Consummation of the Plan will significantly reduce the Debtors' debt service obligations, the Post-Effective Date Debtors will remain leveraged. The Debtors believe that, following Consummation of the Plan, the Post-Effective Date Debtors will be able to meet its anticipated future operating expenses, capital expenditures, and debt service obligations. However, the Post-Effective Date Debtors' ability to meet its debt service obligations and to carry out capital spending that is important to its growth and productivity will depend on a number of factors, including future operating performance and ability to achieve the business plan. These factors will be affected by general economic, financial, competitive, regulatory, business, and other factors beyond the Post-Effective Date Debtors' control.

D. Risks Associated with Forward Looking Statements

1. Financial Information Is Based on the Debtors' Books and Records and, Unless Otherwise Stated, No Audit Was Performed.

The financial information contained in this Disclosure Statement has not been audited. In preparing this Disclosure Statement, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have used their reasonable business judgment to ensure the accuracy of the financial information provided in this Disclosure Statement, and while the Debtors believe that such financial information fairly reflects the financial condition of the Debtors, the Debtors are unable to represent or warrant that the financial information contained herein and attached hereto is without inaccuracies.

2. Financial Projections and Other Forward Looking Statements Are Not Assured, Are Subject to Inherent Uncertainty Due to the Numerous Assumptions Upon Which They Are Based and, as a Result, Actual Results May Vary.

This Disclosure Statement contains various projections concerning the financial results of the Debtors' operations, including the Financial Projections, that are, by their nature, forward looking, and which projections are necessarily based on certain assumptions and estimates. Should any or all of these assumptions or estimates ultimately prove to be incorrect, the actual future experiences of the Post-Effective Date Debtors may turn out to be different from the Financial Projections. The Financial Projections do not reflect emergence adjustments including the impact of generally accepted "fresh start" accounting.

Specifically, the projected financial results contained in this Disclosure Statement reflect numerous assumptions concerning the anticipated future performance of the Post-Effective Date Debtors, some of which may not materialize, including, without limitation, assumptions concerning: (a) the timing of Confirmation and Consummation of the Plan in accordance with its terms; (b) the anticipated future performance of the Post-Effective Date Debtors, including the ability to maintain or increase revenue and gross margins, control future operating expenses, or make necessary capital expenditures; (c) general business and economic conditions; (d) overall industry performance and trends; (e) the Debtors' ability to maintain market strength and receive vendor support by way of favorable purchasing terms; and (f) customer preferences continuing to support the Debtors' operations.

Due to the inherent uncertainties associated with projecting financial results generally, the projections contained in this Disclosure Statement will not be considered assurances or guarantees of the amount of funds or the amount of Claims that may be Allowed in the various Classes. While the Debtors believe that the Financial Projections contained in this Disclosure Statement are reasonable, there can be no assurance that they will be realized.

6. Failure to Identify Litigation Claims or Projected Objections

No reliance should be placed on the fact that a particular litigation claim or projected objection to a particular Claim or Interest is, or is not, identified in this Disclosure Statement. The Debtors or the Post-Effective Date Debtors may seek to investigate, File, and prosecute Claims and Interests and may object to Claims or Interests after the Confirmation or Effective Date of the Plan irrespective of whether this Disclosure Statement identifies such Claims or Interests or objections to such Claims or Interests.

7. No Waiver of Right to Object or Right to Recover Transfers and Assets

The vote by a Holder of an Allowed Claim for or against the Plan does not constitute a waiver or release of any claims, causes of action, or rights of the Debtors or the Post-Effective Date Debtors (or any entity, as the case may be) to object to that Holder's Claim or Interest, or recover any preferential, fraudulent, or other voidable transfer of assets, regardless of whether any claims or causes of action of the Debtors or their respective estates are specifically or generally identified herein.

The statements contained in this Disclosure Statement are made by the Debtors as of the date of this Disclosure Statement, unless otherwise specified herein, and the delivery of this Disclosure Statement after the date of this Disclosure Statement does not imply that there has not been a change in the information set forth herein since that date. While the Debtors have used their reasonable business judgment to ensure the accuracy of all of the information provided in this Disclosure Statement and in the Plan, the Debtors nonetheless cannot, and do not, confirm the current accuracy of all statements appearing in this Disclosure Statement. Further, although the Debtors may subsequently update the information in this Disclosure Statement, the Debtors have no affirmative duty to do so unless ordered to do so by the Bankruptcy Court.

10. No Representations Outside this Disclosure Statement Are Authorized

No representations concerning or relating to the Debtors, these Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than as contained in, or included with, this Disclosure Statement, should not be relied upon by you in arriving at your decision. You should promptly report unauthorized representations or inducements to the counsel to the Debtors, the United States Trustee for the Southern District of New York, and counsel to the Creditors Committee.

F. Liquidation Under Chapter 7

If no plan can be confirmed, the Debtors' Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that a chapter 7 liquidation would have on the recoveries of Holders of Claims and the Debtors' liquidation analysis is set forth in Article VII herein, "Statutory Requirements for Confirmation of the Plan" and the Liquidation Analysis attached hereto as Exhibit C.

**ARTICLE IX.
IMPORTANT SECURITIES LAW DISCLOSURE**

A. New HoldCo Interests

The Plan provides for New HoldCo to issue New HoldCo Interests. The Debtors believe that all of the New HoldCo Interests constitute "securities," as defined in section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code, and applicable state securities laws.

B. Issuance and Resale of New HoldCo Interests under the Plan

1. Exemption from Registration

Section 1145 of the Bankruptcy Code provides that the registration requirements of section 5 of the Securities Act (and any state securities laws) shall not apply to the offer or sale of stock, options, warrants, or other securities by a debtor if (a) the offer or sale occurs under a plan of reorganization; (b) the recipients of the securities hold a claim against, an interest in, or claim for administrative expense against, the debtor; and (c) the securities are issued in exchange for a claim against or interest in a debtor or are issued principally in such exchange and partly for cash and property.

In reliance on Section 1145 of the Bankruptcy Code, the offer and sale of the New HoldCo Interests will not be registered under the Securities Act or any state securities law. Under section 1145 of the Bankruptcy Code, the New HoldCo Interests may be resold without registration under the Securities Act or other federal securities laws, unless the Holder is an “underwriter” (as discussed below) with respect to such securities, as that term is defined in section 2(a)(11) of the Securities Act and in the Bankruptcy Code. In addition, the New HoldCo Interests generally may be able to be resold without registration under state securities laws pursuant to various exemptions provided by the respective securities laws of those states; however, recipients of the New HoldCo Interests are advised to consult with their own legal advisors as to the availability of any such exemption from registration under the federal securities laws and any relevant state securities laws in any given instance and as to any applicable requirements or conditions to such availability.

2. Resales of New HoldCo Interests; Definition of Underwriter

Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” for purposes of the Securities Act as one who, subject to certain exceptions, (a) purchases a claim against, interest in, or claim for an administrative expense in the case concerning, the debtor, if such purchase is with a view to distribution of any security to be received in exchange for such claim or interest, or (b) offers to sell securities offered or sold under the plan for the Holders of such securities, or (c) offers to buy securities issued under the plan from the Holders of such securities, if the offer to buy is made with a view to distribution of such securities, and if such offer is under an agreement made in connection with the plan, with the Consummation of the plan or with the offer or sale of securities under the plan, or (d) is an issuer, as used in section 2(11) of the Securities Act, with respect to such securities. In addition, a “person,” as defined in section 101(41) of the Bankruptcy Code, who receives a fee in exchange for purchasing an issuer’s securities could also be considered an underwriter within the meaning of section 2(a)(11) of the Securities Act.

The term “issuer,” as used in section 2(11) of the Securities Act, includes any person directly or indirectly controlling or controlled by, an issuer of securities, or any person under direct or indirect common control with such issuer. “Control” (as defined in Rule 405 under the Securities Act) means the possession, direct or indirect, of the power to direct or cause the direction of the policies of a person, whether through the ownership of voting securities, by contract, or otherwise. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be “in control” of such debtor or successor, particularly if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor’s or its successor’s voting securities. Moreover, the legislative history of section 1145 of the Bankruptcy Code suggests that a creditor who owns at least ten percent (10%) of the voting securities of a reorganized debtor may be presumed to be a “control person.”

To the extent that persons deemed “underwriters” receive securities under the Plan, resales of such securities would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Holders of such restricted securities may, however, be able, at a future time and under certain conditions described below, to sell securities without registration pursuant to the resale provisions of Rule 144 and Rule 144A under the Securities Act.

Under certain circumstances, affiliated holders of restricted securities may be entitled to resell their securities pursuant to the limited safe harbor resale provisions of Rule 144. Generally, Rule 144 provides that if certain conditions are met (e.g., that the availability of current public information with respect to the issuer, volume limitations, and notice and manner of sale requirements), specified persons who resell restricted securities or who

resell securities which are not restricted but who are “affiliates” of the issuer of the securities sought to be resold, will not be deemed to be “underwriters” as defined in section 2(11) of the Securities Act. Rule 144 provides that: (i) a non-affiliate who has not been an affiliate during the preceding three months may resell restricted securities after a six-month holding period if at the time of the sale there is current public information regarding the issuer and after a one year holding period if there is not current public information regarding the issuer at the time of the sale; and (ii) an affiliate may sell restricted securities after a six month holding period if at the time of the sale there is current public information regarding the issuer and after a one-year holding period if there is not current public information regarding the issuer at the time of the sale, provided that in each case the affiliate otherwise complies with the volume, manner of sale and notice requirements of Rule 144.

Rule 144A provides a non-exclusive safe harbor exemption from the registration requirements of the Securities Act for resales to certain “qualified institutional buyers” of securities that are “restricted securities” within the meaning of the Securities Act, irrespective of whether the seller of such securities purchased its securities with a view towards reselling such securities, if certain other conditions are met (e.g., the availability of information required by paragraph 4(d) of Rule 144A and certain notice provisions). Under Rule 144A, a “qualified institutional buyer” is defined to include, among other persons, “dealers” registered as such pursuant to section 15 of the Exchange Act, and entities that purchase securities for their own account or for the account of another qualified institutional buyer and that, in the aggregate, own and invest on a discretionary basis at least \$100 million in the securities of unaffiliated issuers. Subject to certain qualifications, Rule 144A does not exempt the offer or sale of securities that, at the time of their issuance, were securities of the same class of securities then listed on a national securities exchange (registered as such pursuant to section 6 of the Exchange Act) or quoted in a United States automated inter-dealer quotation system.

IN VIEW OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A RECIPIENT OF NEW INTERESTS MAY BE AN UNDERWRITER OR AN AFFILIATE OF NEW INNKEEPERS, NEW INNKEEPERS MAKES NO REPRESENTATIONS CONCERNING THE RIGHT OF ANY PERSON TO TRADE THE NEW INTERESTS TO BE DISTRIBUTED PURSUANT TO THE PLAN. ACCORDINGLY, NEW INNKEEPERS RECOMMENDS THAT POTENTIAL RECIPIENTS OF NEW INTERESTS UNDER THE PLAN CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRADE SUCH SECURITIES.

3. Exemptions from Registration of Rights

The Plan contemplates the potential issuance of rights to purchase new equity in certain of the Post-Effective Date Debtors. The issuance of such rights and equity securities pursuant to such rights, if any, may be issued without registration in reliance upon the exemption set forth in Section 4(2) of the Securities Act and will be “restricted securities.”

Section 4(2) of the Securities Act provides that the issuance of securities by an issuer in transactions not involving any public offering are exempt from registration under the Securities Act. Regulation D is a non-exclusive safe harbor promulgated by the United States Securities and Exchange Commission under the Securities Act related to, among others, section 4(2) of the Securities Act.

The term “issuer,” as used in section 4(2) of the Securities Act, means, among other things, a person who issues or proposes to issue any security.

Securities issued pursuant to the exemption provided by section 4(2) of the Securities Act or Regulation D promulgated thereunder are considered “restricted securities.” As a result, resales of such securities may not be exempt from the registration requirements of the Securities Act or other applicable law. Holders of such restricted securities may, however, be able, at a future time and under certain conditions described below, to sell securities without registration pursuant to the resale provisions of Rule 144 and Rule 144A under the Securities Act.

C. No Registration or Listing of New Interests

New HoldCo will not be required to file periodic reports under the Securities Exchange Act or seek to list the New HoldCo Interests for trading on a national securities exchange. Consequently, there will not be “current public information” (as such term is defined in Rule 144) regarding New HoldCo.

**ARTICLE X.
CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES**

The following discussion is a summary of certain U.S. federal income tax consequences of the consummation of the Plan to the Debtors and to certain Holders of Claims and Interests. The following discussion does not address the U.S. federal income tax consequences to (i) Holders whose Claims or Interests are Unimpaired or otherwise entitled to payment in full in Cash under the Plan, (ii) Holders that are deemed to reject the Plan or (iii) the Investor. This summary is based on the Internal Revenue Code of 1986 (the “**IRC**”), the Treasury Regulations promulgated thereunder, judicial authorities, published administrative positions of the Internal Revenue Service (the “**IRS**”) and other applicable authorities, all as in effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations, possibly with retroactive effect. Due to the lack of definitive judicial and administrative authority in a number of areas, substantial uncertainty may exist with respect to some of the tax consequences described below. No opinion of counsel has been obtained and the Debtors do not intend to seek a ruling from the IRS as to any of the tax consequences of the Plan discussed below. The discussion below is not binding upon the IRS or the courts. No assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtors or to certain Holders in light of their individual circumstances, nor does it address tax issues with respect to Holders that are not “United States persons” as such term is defined in the IRC or that are otherwise subject to special treatment under the U.S. federal income tax laws (including, for example, banks, governmental authorities or agencies, pass-through entities, dealers and traders in securities, insurance companies, financial institutions, tax-exempt organizations, small business investment companies and regulated investment companies and those holding, or who will hold, Claims, Interests, the New Fixed Rate Pool Mortgage Notes, the New Floating Rate Pool Mezzanine Loan Instrument, deeds in lieu of foreclosure, or New HoldCo Interests, as part of a hedge, straddle, conversion or constructive sale transaction). Furthermore, the following summary of certain U.S. federal income tax consequences of the Plan does not purport to address any aspect of state, local, estate, gift, non-U.S., or other tax law. Lastly, the following discussion assumes (i) each Holder of a Claim or Interest holds its Claim, Interest, New Fixed Rate Pool Mortgage Notes, New Floating Rate Pool Mezzanine Loan Instrument, and New HoldCo Interests as “capital assets” (generally, property held for investment) within the meaning of Section 1221 of the IRC and (ii) the debt obligations(s) underlying each Allowed Claim is properly treated as debt (rather than equity) of the Debtor(s) the Holder has the Allowed Claim against.

HOLDERS ACQUIRING NEW HOLDCO INTERESTS IN NEW HOLDCO ARE ADVISED THAT NEW HOLDCO MAY TREATED AS A CORPORATION OR AS A PARTNERSHIP FOR U.S. FEDERAL INCOME TAX PURPOSES AND THE OPERATIONS OF NEW HOLDCO MAY BE CONDUCTED THROUGH ONE OR MORE PASS-THROUGH ENTITIES FOR U.S. FEDERAL INCOME TAX PURPOSES. ACCORDINGLY, ANY U.S. FEDERAL INCOME TAX CONSEQUENCES OF NEW HOLDCO’S ITEMS OF GAIN, INCOME, AND LOSS MAY NOT BE BORNE BY NEW HOLDCO, BUT COULD FLOW UP AND BE ALLOCATED TO NEW HOLDCO’S PARTNERS, REGARDLESS OF WHETHER SUCH PARTNERS RECEIVE CASH DISTRIBUTIONS TO COVER ANY U.S. FEDERAL INCOME TAXES ASSOCIATED WITH THEIR ALLOCATED ITEMS OF GAIN, INCOME, AND/OR LOSS. MOREOVER, SUCH HOLDERS THAT ARE NOT “UNITED STATES PERSONS” OR ARE TAX-EXEMPT ORGANIZATIONS MAY BE TREATED AS BEING ENGAGED IN A UNITED STATES TRADE OR BUSINESS AND SUBJECT TO U.S. FEDERAL INCOME TAX AND TAX FILING OBLIGATIONS. IN ADDITION, ALL HOLDERS ACQUIRING NEW HOLDCO INTERESTS IN NEW HOLDCO WILL BE SUBJECT, WHERE APPLICABLE, TO STATE AND LOCAL INCOME TAX AND TAX FILING OBLIGATIONS.

THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX

PLANNING AND ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM OR INTEREST. ALL HOLDERS OF CLAIMS AND INTERESTS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE FEDERAL, STATE, LOCAL, NON-U.S., AND OTHER TAX CONSEQUENCES OF THE PLAN.

A. Certain United States Federal Income Tax Consequences to the Debtors

1. Cancellation of Debt and Reduction of Tax Attributes

In general, absent an exception, a debtor will realize and recognize cancellation of debt income (“COD Income”) upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD Income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied, over (b) the sum of (y) the amount of Cash paid and (z) the fair market value of any new consideration (including New HoldCo Interests) given in satisfaction of such indebtedness at the time of the exchange.

A debtor will not, however, be required to include any amount of COD Income in gross income if the debtor is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding. Instead, as a consequence of such exclusion, a debtor must reduce its tax attributes by the amount of COD Income that it excluded from gross income pursuant to section 108 of the IRC. In general, tax attributes will be reduced in the following order: (a) NOLs; (b) general business credit carryovers; (c) minimum tax credit carryovers; (d) capital loss carryovers; (e) tax basis in assets (but not below the amount of liabilities to which the debtor remains subject); (f) passive activity loss and credit carryovers; and (g) foreign tax credits. A debtor with COD Income may elect first to reduce the basis of its depreciable assets pursuant to section 108(b)(5) of the IRC. The reduction in tax attributes occurs only after the tax for the year of the debt discharge has been determined. Any excess COD Income over the amount of available tax attributes is not subject to U.S. federal income tax and has no other U.S. federal income tax impact.

Pursuant to the Plan, the certain Claims will be exchanged for new debt instruments. If such exchanges are treated as “significant modifications” for U.S. federal income tax purposes and the adjusted issue prices of the Claims modified are higher than the issue prices of the new debt instruments exchanged therefor, the Debtors may incur COD Income. Moreover, because the Plan provides that certain Holders of certain Claims will receive up to 50% of the New HoldCo Interests, the amount of COD Income, and accordingly the amount of tax attributes required to be reduced, will also depend on the fair market value of the New HoldCo Interests. As this value cannot be known with certainty until after the Effective Date, the amount of COD Income the Debtors may incur is thus uncertain.

Many of the Debtors are treated as “disregarded entities” for U.S. federal income tax purposes, and consequently, the U.S. federal income tax consequences of the Plan described in this section will generally not be borne by such Debtors. Instead, the U.S. federal income tax consequences will be borne by the disregarded Debtors’ respective direct or indirect equity Holders (who themselves may be Debtors) which are regarded entities for U.S. federal income tax purposes. Additionally, certain Debtors are treated as partnerships for U.S. federal income tax purposes. When an entity that is taxed as a partnership realizes income (including COD Income), for U.S. federal income tax purposes such income “flows through” and the entity’s equity Holders (and not the entity itself) are

treated as recognizing their allocable share of such income. If an entity treated as a partnership is owned by another partnership or chain of partnerships, the allocable share of COD Income from the lower level entity would flow through the partnership (or chain of partnerships) up to a U.S. federal income taxpayer (such as an individual or corporation). Thus, the tax consequences of any COD Income incurred by a Debtor treated as a partnership for U.S. federal income tax purposes will generally not be borne by such entity and instead will be borne by the entity's direct and indirect equity Holders (who themselves may be Debtors). Finally, certain other Debtors are classified for U.S. federal income taxes as "taxable REIT subsidiaries" and may be treated as corporations for U.S. federal income tax purposes. As described above, these Debtors may realize COD Income both on their own account and on account of equity interests they hold in lower level Debtors treated as disregarded entities or partnerships. However, as outlined in the third preceding paragraph above, COD Income is excluded from a corporate debtor's gross income to the extent that the debtor is under the jurisdiction of a chapter 11 case and in such case the debtor must reduce its tax attributes by the amount of COD Income that it excluded from gross income.

2. Alternative Minimum Tax

In general, an alternative minimum tax ("AMT") is imposed on a corporation's alternative minimum taxable income ("AMTI") at a 20% rate to the extent such tax exceeds the corporation's regular federal income tax for the year. AMTI is generally equal to regular taxable income with certain adjustments. For purposes of computing AMTI, certain tax deductions and other beneficial allowances are modified or eliminated. For example, except for certain alternative NOLs generated in taxable years beginning or ending in 2008 and 2009, which can offset 100% of a corporation's AMTI, generally only 90% of a corporation's AMTI may be offset by available alternative tax NOL carryforwards. The effect of this rule could cause certain of the Reorganized Debtors to owe a modest amount of federal income tax on taxable income in future years even though NOL carryforwards may be available to offset that taxable income.

B. Certain United States Federal Income Tax Consequences to the Holders of Allowed Claims and Interests

1. Consequences to Holders of Allowed Class FF3A and FF4 Claims

Pursuant to the Plan and in full and final satisfaction of their Claims, (i) Holders of Allowed Class FF3A Claims will receive the New Fixed Rate Pool Mortgage Notes and (ii) Holders of Allowed Class FF4 Claims will, assuming such Holders of Class FF4 Claims vote to accept and otherwise support the Plan, receive the New Floating Rate Pool Mezzanine Loan Instrument. If the Holders of Class FF4 Claims vote to reject the Plan or do not otherwise support the plan, their Class FF4 Claims will be canceled, released, and extinguished as of the Effective Date.

The U.S. federal income tax consequences of the Plan to such Holders of Claims depends, in part, on whether the exchange of such Claims for either the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument should be treated as a "significant modification" for U.S. federal income tax purposes. Under the applicable Treasury Regulations, a "significant modification" is treated as a "deemed" exchange of an old debt instrument for a new debt instrument. In general, the Treasury Regulations consider a modification a "significant modification" if, based on all the facts and circumstances and taking into account all modifications of the debt instrument collectively, the legal rights or obligations that are altered and the degree to which they are altered are economically significant. The Treasury Regulations also provide certain specific guidance as to what may be considered a "significant modification." The Debtors expect that they will take the position that the exchanges of (i) the Allowed Class FF3A Claims for the New Fixed Rate Pool Mortgage Notes and (ii) the Allowed Class FF4 Claims for the New Floating Rate Pool Mezzanine Loan Instrument should both be treated for U.S. federal income tax purposes as significant modifications of such Claims.

If such exchanges do not constitute significant modifications, then the exchanges should not result in any significant U.S. federal income tax consequence to the Holders of Allowed Class FF3A and FF4 Claims.

The remainder of this discussion assumes that the exchanges of (i) the Allowed Class FF3A Claims for the New Fixed Rate Pool Mortgage Notes and (ii) the Allowed Class FF4 Claims for the New Floating Rate Pool Mezzanine Loan Instrument each constitute a significant modification. Holders of Allowed Class FF3A and FF4 Claims should consult their tax advisors regarding the possibility that the exchange of their particular Claims for the

New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument constitutes a significant modification of such Claims.

A Holder of Allowed Class FF3A or FF4 Claims should recognize gain or loss on the exchange of its Claim in an amount equal to the difference, if any, between (i) the “issue price” of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument received (see discussion of “Issue Price” below) and (ii) the Holder’s adjusted tax basis in the Claim exchanged therefor that is not allocable to accrued but unpaid interest. To the extent that a portion of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument received is allocable to accrued but unpaid interest, a Holder of an Allowed Class FF3A or FF4 Claim may recognize ordinary interest income (see discussion of “Accrued Interest” below).

A Holder’s tax basis in the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument received should equal its issue price. A Holder’s holding period for such New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument received on the Effective Date should begin on the day following the Effective Date.

In the event the Holders of Class FF4 Claims vote to reject the Plan or do not otherwise support the plan and their Class FF4 Claims are canceled, the Holders generally will recognize loss for federal income tax purposes in an amount equal to the Holder’s adjusted tax basis in its Claim. The character of such loss as capital or loss or as ordinary loss will be determined by a number of factors, including the tax status of the Holder, the nature of the Claim in such Holder’s hands, whether the Claim constitutes a capital asset in the hands of the Holder, whether the Claim was purchased at a discount and whether and to what extent the Holder has previously claimed a bad debt deduction with respect to its Claim.

2. Consequences to Holders of Allowed Class FF3B Claims

Pursuant to the Plan and in full and final satisfaction of their Claims, Holders of Allowed Class FF3B Claims will receive New HoldCo Interests and Cash. The Holder should be treated as exchanging its Allowed Class FF3B Claims for New HoldCo Interests and Cash in a fully taxable exchange. A Holder of an Allowed Class FF3B that is subject to this treatment, should recognize gain or loss equal to the difference between (i) the sum of (y) the amount of any Cash received and (z) the fair market value of the New HoldCo Interests received that is not allocable to accrued but unpaid interest and (ii) the Holder’s adjusted tax basis in the Floating Rate Pool Mortgage Loan constituting a Holder’s surrendered Allowed Class FF3B Claims. Such gain or loss should be capital gain, subject to the “market discount” rules discussed below, and should be long term capital gain or loss if the Floating Rate Pool Mortgage Loan constituting a Holder’s surrendered Allowed Class FF3B Claims were held for more than one year by the Holder. To the extent that a portion of the New HoldCo Interests received is allocable to accrued but unpaid interest, the Holder may recognize ordinary interest income (see discussion of “Accrued Interest” below). The Holder’s tax basis in the New HoldCo Interests received should equal their fair market value. The Holder’s holding period for the New HoldCo Interests received on the Effective Date should begin on the day following the Effective Date.

3. Consequences to Holders of Allowed Class FF5, A4, A5B, A5C, A8C, A9C, O3, O4A, O4B, R3A, and R4 Claims and Allowed Class R7, R8, R9, and R10 Interests

Pursuant to the Plan and in full and final satisfaction of their Claims, Holders of Allowed Class FF5, A4, A5B, A5C, A8C, A9C, O3, O4A, O4B, R3A, and R4 Claims and Allowed Class R7, R8, R9, and R10 Interests will receive (i) Cash, (ii) the collateral securing their Allowed Claims, or (iii) a deed in lieu of foreclosure. In certain limited circumstances, rather than receiving consideration as described above in exchange for their Claims or Interests, Holders of Allowed Class R3A Claims and Allowed Class R7, R8, R9, and R10 Interests may have their Claims or Interests reinstated and rendered Unimpaired.

Any such Holder who receives consideration in exchange for its Allowed Claims or Interests generally should recognize income, gain or loss for federal income tax purposes in an amount equal to the difference between (a) the sum of the amount of any Cash received plus the fair market value of any consideration received in exchange for its Claim or Interest not allocable to accrued but unpaid interest and (b) the Holder’s adjusted tax basis in its Claim or Interest. The character of such gain or loss as capital gain (subject to the “market discount” rules described

below) or loss or as ordinary income or loss will be determined by a number of factors, including the tax status of the Holder, the nature of the Claim or Interest in such Holder's hands, the extent that a portion of the consideration received in exchange for the Claims or Interests is allocable to accrued but unpaid interest (see "Accrued Interest" below), whether the Claim or Interest constitutes a capital asset in the hands of the Holder, whether the Claim or Interest was purchased at a discount and whether and to what extent the Holder has previously claimed a bad debt or worthlessness deduction with respect to its Claim or Interest.

To the extent that a Holder's Allowed Claims or Interests are reinstated and rendered Unimpaired, such Holder should generally not recognize gain or loss.

4. Accrued Interest

To the extent that any amount received by a Holder of a surrendered Allowed Claim under the Plan is attributable to accrued but unpaid interest and such amount has not previously been included in the Holder's gross income, such amount should be taxable to the Holder as ordinary interest income. Conversely, a Holder of a surrendered Allowed Claim may be able to recognize a deductible loss (or, possibly, a write-off against a reserve for worthless debts) to the extent that any accrued interest on the debt instruments constituting such claim was previously included in the Holder's gross income but was not paid in full by the Debtors. Such loss may be ordinary, but the tax law is unclear on this point.

The extent to which the consideration received by a Holder of a surrendered Allowed Claim will be attributable to accrued interest on the debts constituting the surrendered Allowed Claim is unclear. Certain Treasury Regulations generally treat a payment under a debt instrument first as a payment of accrued and untaxed interest and then as a payment of principal. Application of this rule to a final payment on a debt instrument being discharged at a discount in bankruptcy is unclear. Pursuant to the Plan, distributions in respect of Allowed Claims shall be allocated first to the principal amount of such claims (as determined for U.S. federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the claims, to any portion of such claims for accrued but unpaid interest. However, the provisions of the Plan are not binding on the IRS nor a court with respect to the appropriate tax treatment for creditors.

5. Market Discount

Under the "market discount" provisions of sections 1276 through 1278 of the IRC, some or all of any gain realized by a Holder exchanging the debt instruments constituting its Allowed Claim may be treated as ordinary income (instead of capital gain), to the extent of the amount of "market discount" on the debt constituting the surrendered Allowed Claim.

In general, a debt instrument is considered to have been acquired with "market discount" if its Holder's adjusted tax basis in the debt instrument is less than (i) the sum of all remaining payments to be made on the debt instrument, excluding "qualified stated interest" or (ii) in the case of a debt instrument issued with "original issue discount," its adjusted issue price, by at least a *de minimis* amount (equal to 0.25% of the sum of all remaining payments to be made on the debt instrument, excluding qualified stated interest, multiplied by the number of remaining whole years to maturity).

Any gain recognized by a Holder on the exchange of debt constituting its Allowed Claim that was acquired with "market discount" should be treated as ordinary income to the extent of the "market discount" that accrued thereon while such debts were considered to be held by the Holder (unless the holder elected to include "market discount" in income as it accrued).

6. Issue Price

The current Treasury Regulations provide that the "issue price" of any class of debt instruments depends on whether, at any time during the 60-day period ending 30 days after the exchange date, such class of instruments is traded on an "established market" or any debt instrument exchanged (in whole or in part) for such new debt instrument is traded on an established market. If the new debt instrument or the old debt instrument exchanged therefor are treated as traded on an established market (*i.e.*, "publicly traded"), the issue price of the new debt

instrument will equal (or approximate) the fair market value of such debt instrument as of the Effective Date. In such event, a debt instrument will be treated as issued with original issue discount (in addition to any original issue discount resulting from the deferred portion of the stated interest thereon) to the extent that its issue price is less than its principal amount. Depending on the fair market value of a debt instrument, the total amount of original issue discount could be substantial.

If neither the Class FF3A and FF4 Claims nor the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument exchanged therefor are considered traded on an “established market,” then the issue price for the New Fixed Rate Pool Mortgage Notes and New Floating Rate Pool Mezzanine Loan Instrument should generally equal their stated principal amounts. However, if the Class FF3A and FF4 Claims or the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument exchanged therefor are considered traded on an “established market,” then the issue price for the New Fixed Rate Pool Mortgage Notes and New Floating Rate Pool Mezzanine Loan Instrument would generally equal their fair market value at the time of the exchange (or deemed exchange). Holders of Class FF3A and FF4 Claims should consult their tax advisors regarding the issue price for the debt obligations underlying their Claims and the New Fixed Rate Pool Mortgage Notes and New Floating Rate Pool Mezzanine Loan Instrument exchange therefor.

7. Consequences to Holders of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument

(a) Stated Interest and Original Issue Discount

A Holder of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument will be required to include stated interest on such debt obligation in income in accordance with the Holder’s regular method of accounting to the extent such stated interest is “qualified stated interest.” Stated interest is “qualified stated interest” if it is payable in cash at least annually. Where stated interest payable on the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument is not payable at least annually (the “deferred” interest), such portion of the stated interest will be included in the determination of the original issue discount on such New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument (as set forth below).

A debt instrument generally has original issue discount if its “stated redemption price at maturity” exceeds its “issue price” by more than a *de minimis* amount. A debt instrument’s stated redemption price at maturity includes all principal and interest payable over the term of the debt instrument, other than qualified stated interest. Thus, the deferred portion (if any) of the stated interest payments on the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument will be included in the stated redemption price at maturity and taxed as part of original issue discount.

A Holder of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument that is issued with original issue discount generally will be required to include any original issue discount in income over the term of such debt obligation (for so long as the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument continues to be owned by the Holder) in accordance with a constant yield-to-maturity method, regardless of whether the Holder is a cash or accrual method taxpayer, and regardless of whether and when the Holder receives cash payments of interest on the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument (other than cash attributable to qualified stated interest). Accordingly, a Holder could be treated as receiving income in advance of a corresponding receipt of cash. Any original issue discount that a Holder includes in income will increase the tax basis of the Holder in its New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument. A Holder of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument will not be separately taxable on any cash payments that have already been taxed under the original issue discount rules, but will reduce its tax basis in such debt obligation by the amount of such payments.

(b) Sale, Exchange, or Other Disposition of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument

Except as discussed above with respect to “market discount,” any gain or loss recognized by a Holder on a sale, exchange or other disposition of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument (including the exchange of such debt obligation for the property securing such obligation) generally should be capital gain or loss in an amount equal to the difference, if any, between the amount realized by the Holder and the Holder’s adjusted tax basis in the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument immediately before the sale, exchange or other disposition (increased for any original issue discount accrued through the date of disposition, which original issue discount would be includible as ordinary income). Any such gain or loss generally should be long term capital gain or loss if the Holder’s holding period in the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument is more than one year at that time.

(c) Medicare Tax

Certain Holders that are individuals, estates or trusts are required to pay an additional 3.8% tax on, among other things, gains from the sale or other disposition of capital assets for taxable years beginning after December 31, 2012. Holders that are individuals, estates or trusts should consult their tax advisors regarding the effect, if any, of this tax provision on their ownership and disposition of the New Fixed Rate Pool Mortgage Notes or New Floating Rate Pool Mezzanine Loan Instrument.

C. *Information Reporting and Backup Withholding*

The Debtors will withhold all amounts required by law to be withheld from payments of interest and dividends. The Debtors will comply with all applicable reporting requirements of the IRC. In general, information reporting requirements may apply to distributions or payments made to a Holder of a Claim or Interest. Backup withholding of taxes, currently at a rate of 28%, will apply to such payments if a Holder fails to provide an accurate taxpayer identification number or otherwise fails to comply with the applicable requirements of the backup withholding rules. Any amounts withheld under the withholding rules will be allowed as a credit against such Holder’s U.S. federal income tax liability and may entitle such Holder to a refund from the IRS, provided that the required information is provided to the IRS.

In addition, from an information reporting perspective, the Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer’s claiming a loss in excess of specified thresholds. Holders are urged to consult their tax advisors regarding these regulations and whether the transactions contemplated by the Plan would be subject to these regulations and require disclosure on the Holders’ tax returns.

THE UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN ARE COMPLEX. THE FOREGOING SUMMARY DOES NOT DISCUSS ALL ASPECTS OF UNITED STATES FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO A PARTICULAR HOLDER OF A CLAIM OR INTEREST IN LIGHT OF SUCH HOLDER’S CIRCUMSTANCES AND INCOME TAX SITUATION. ALL HOLDERS OF CLAIMS AND INTERESTS SHOULD CONSULT WITH THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM UNDER THE PLAN, INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL, NON-US, OR OTHER TAX LAWS, AND OF ANY CHANGE IN APPLICABLE TAX LAWS.

**ARTICLE XI.
RECOMMENDATION OF INNKEEPERS**

In the opinion of the Debtors, the Plan is preferable to the alternatives described in this Disclosure Statement because it provides for a larger distribution to the Debtors' creditors than would otherwise result in liquidation under chapter 7 of the Bankruptcy Code. In addition, any alternative other than Confirmation of the Plan could result in extensive delays and increased administrative expenses resulting in smaller distributions to Holders of Allowed Claims and Interests than proposed under the Plan. Accordingly, the Debtors recommend that Holders of Claims and Interests entitled to vote on the Plan support Confirmation of the Plan and vote to accept the Plan.

AGREEMENT FOR DEED IN LIEU OF FORECLOSURE

This Agreement for Deed In Lieu of Foreclosure ("Agreement") is executed as of _____, 2011, by and among **DEUTSCHE BANC MORTGAGE CAPITAL, LLC**, a Delaware limited liability company ("Lender"), and **KPA HI ONTARIO LLC**, a Delaware limited liability company ("Borrower").

RECITALS:

A. Capmark Bank, a Utah industrial bank ("Original Lender") made a loan to Borrower in the original principal amount of Thirty Five Million and No/100 Dollars (\$35,000,000.00) (the "Loan"), secured by a first mortgage lien on the hotel, land and personal property located at 700 North Haven Avenue, Ontario, California 91764, as described on Exhibit A attached hereto (collectively, the "Property"). The Loan is evidenced and secured by the documents executed in connection with the Loan, in favor of Original Lender by Borrower, as set forth on Schedule 1 (the "Loan Documents").

B. Original Lender assigned, sold and transferred its interest in the Loan and all Loan Documents to Lender pursuant to that certain Mortgage Loan Purchase Agreement dated as of March 30, 2007, between Capmark Finance Inc., as seller and German American Capital Corporation as purchaser, an affiliate of Lender, and Lender is the current holder of all of Original Lender's interest in the Loan and Loan Documents.

C. Borrower believes that the fair market value of the Property is less than the indebtedness owed by Borrower to Lender.

D. Borrower desires to execute the Quitclaim Deed (in lieu of foreclosure) in favor of Lender (or in favor of an entity designated by Lender), and Borrower and Indemnitor desire to execute and deliver the other documents and perform the other acts required by this Agreement, in consideration of Lender's agreement not to sue Borrower and Indemnitor in accordance with the terms and conditions of this Agreement.

Borrower and Indemnitor confirm to Lender that they have reviewed the effect of this waiver, release and covenant not to sue with competent legal counsel of their choice, or have been afforded the opportunity to do so, before signing this Agreement, and each acknowledge and agree that Lender is relying upon this release in entering into this Agreement.

2.3 Survival of Representations and Agreements.

The agreements, warranties and representations set forth in this Article 2 are immediately binding upon the parties upon execution of this Agreement regardless of whether or not the Closing provided below occurs, and in any event shall survive the Closing.

ARTICLE 3 CLOSING

The closing ("Closing") on the deed in lieu of foreclosure shall take place on or before [_____, 2011] (the "Closing Date"), (i) through an escrow arrangement satisfactory to Borrower and Lender, or (ii) in such manner and/or at such other date, time, and place, as may be agreed to by the parties in writing.

3.2 Borrower's Deliveries at Closing.

Borrower shall execute and deliver, or cause to be executed and delivered, to Lender (or to an entity or entities designated by Lender) on or before the Closing Date, the following documents:

- (d) The Nonforeign Person Affidavit in the form of EXHIBIT D attached hereto.
- (e) An Assignment and Assumption of Leases, Security Deposits and Contracts (the "Assignment") in the form of EXHIBIT E attached hereto for each Property.

ARTICLE 4 EFFECT OF TRANSFER DOCUMENTS

The following shall be effected as a result of the Closing of the transactions contemplated by this Agreement:

4.1 **Consideration for Deed in Lieu of Foreclosure.**

Borrower acknowledges that the consideration for the Property conveyed to Lender (or to Lender's designee) of all of Borrower's right, title and interest in and to the Property is the Covenant Not to Sue in the form attached to this Agreement.

4.2 **Absolute Conveyance.**

Borrower acknowledges and agrees that: (1) the conveyance of the Property, and the assignment and transfer of the Collateral, to Lender (or to the designee of the Lender) pursuant to the terms of this Agreement are absolute conveyances of all Borrower's right, title and interest in and to the Property and the Collateral (and the other assets or property conveyed in accordance with the other Transfer Documents) in fact as well as in form, and the Transfer Documents are not intended to be a mortgage, trust conveyance, deed of trust or security interest of any kind; (2) the consideration for that conveyance is exactly as recited in this Agreement; and (3) after delivery of the Transfer Documents to Lender (or to the designee of Lender) pursuant to the terms of this Agreement, Borrower will have no right of redemption, or claims in, to or against the Property, the Collateral or to the proceeds or profits that might be derived from the Property or the Collateral.

4.3 **Waiver of All Redemption Rights and Rights to Contest Foreclosure.**

In consideration of this Agreement, Borrower waives any and all equitable and statutory rights to redemption of the Property should Lender elect to foreclose on the Mortgage, or any of them. If Lender elects to foreclose the Mortgage, Borrower agrees not to oppose, attempt to enjoin or take any other action that would impede or prevent the ordinary process of any such foreclosure. Borrower waives any and all rights it may otherwise have to contest the form of the notice of foreclosure sale, the posting and publication of the sale, the conduct of the sale and all other procedures or conduct with respect to such foreclosure sale.

4.4 **Debt and Mortgage Not Extinguished.**

Borrower's indebtedness under the Note, and the lien of the Mortgage shall not be extinguished as a result of the Closing on the transactions contemplated by this Agreement.

4.5 **No Novation or Release.**

Except as may be expressly provided in this Agreement, neither this Agreement nor any of the exhibits attached to this Agreement is intended to be, and none shall be deemed or construed to be, a reinstatement, novation, amendment, modification or release of the Loan, the Loan Documents, or any of them. Neither this Agreement nor any of the exhibits to this Agreement nor any payments made or any actions taken pursuant to this Agreement shall be deemed to cure any default which may exist under the Loan Documents.

4.6 **Nonmerger.**

This Agreement is not intended and shall not result in a merger of the Mortgage, nor the lien of any other security held by Lender, into the fee of the Property, and the Mortgage, the Note and other Loan Documents remain separate and independent to secure payment of Borrowers Parties' obligations, together with any subsequent disbursements, including interest, made by Lender pursuant to the terms of the Loan Documents (including, by way of example and not limitation, the payment of any real or personal property taxes, or hazard or casualty insurance premiums). The granting, acceptance or

recording of the Deed shall in no way affect the priority of Lender's Mortgage over any other liens, mortgages or encumbrances now existing or subsequently placed on the Property, nor shall the execution, acceptance or recording of the Deed affect in any way Lender's right to foreclose the Mortgage by advertisement or by judicial proceedings.

4.7 Title and Possession.

Title to the Property shall pass to Lender (or to the designee of Lender) upon delivery of the Deed at the Closing; delivery shall be deemed to occur upon satisfaction of the requirements for Closing. Lender shall have possession of the Property on the Closing Date, regardless of whether the Deed have been recorded on that date.

4.8 Survival.

All of the provisions of this Article 4 shall survive the Closing, the transfer of title to the Property and Collateral, and the other transactions contemplated by this Agreement.

**ARTICLE 5
BORROWER'S WARRANTIES, REPRESENTATIONS AND COVENANTS**

5.1 Representations by Borrower.

Borrower represents and warrants to Lender that:

- (a) Borrower owns and holds title in and to the Collateral, including all fixtures and equipment and other property, described in the Bill of Sale and the Assignments.
- (b) The transfers and conveyances made by Borrower pursuant to this Agreement are voluntary and have been made for a fair and equivalent consideration. Borrower has relied exclusively upon its own knowledge and judgment with regard to the value of the Property and the Collateral.
- (c) Borrower is duly organized and existing in good standing under the laws of its State of organization. The signing, delivery and performance of this Agreement, and the transactions contemplated by this Agreement are within Borrower's powers, and have been duly authorized.

5.2 Representations by Borrower and Indemnitor.

Borrower and Indemnitor each represent and warrant to Lender that:

- (a) Borrower and Indemnitor (i) have consulted with their own counsel with respect to the execution and delivery of this Agreement; (ii) have not relied upon the representations or advice of Lender or Lender's counsel in connection with this Agreement; and, (iii) acknowledge that Lender Parties have not acted as a fiduciary for Borrower or Indemnitor with regard to the transactions described in this Agreement.
- (b) Borrower and Indemnitor, and each of them, at all times have had access to an attorney of their choice in the negotiation of the terms of, and in the preparation and execution of, this Agreement and the related documents. Borrower and Indemnitor, and each of them,

have had the opportunity to review and analyze this Agreement and related documents for a sufficient period of time prior to the execution and delivery of them.

- (c) No representations or warranties have been made by or on behalf of Lender Parties, or relied upon by Borrower or Indemnitor, pertaining to the subject matter of this Agreement and the related documents.
- (d) All terms of this Agreement and the related documents were negotiated at arms length and were prepared and executed without fraud, duress, undue influence, or coercion of any kind exerted by any of the parties upon the others.

5.3 Covenants.

Borrower and Indemnitor covenant with Lender that:

- (a) Borrower and Indemnitor shall not take any action which would cause any of the representations or warranties in this Agreement to be materially impaired, materially untrue or materially misleading.
- (b) Borrower and Indemnitor shall sign and deliver to Lender (or to Lender's designee) such further documents, and take such further action as may be reasonably necessary to carry out the intent of this Agreement. Borrower shall supply to Lender, to the extent in Borrower's possession or control, or shall assist Lender in obtaining (at no cost to Borrower), all titlework, appraisals, surveys, and whatever other documents or information as Lender may request to perfect Lender's security interests. Because time is of the essence, Borrower shall use its best efforts to obtain such documents and information in an expeditious manner.

ARTICLE 6 LENDER'S WARRANTIES AND REPRESENTATIONS

6.1 Lender's Representations.

Lender's execution, delivery and performance of this Agreement is within Lender's powers and has been duly authorized.

6.2 Survival.

Lender's agreements, obligations, warranties and representations as set forth in this Agreement, and in particular the representations in this Article 6, shall survive the transfer of title to the Property and the other transactions contemplated by this Agreement.

ARTICLE 7 GENERAL PROVISIONS

7.1 Inspection.

At any time prior to Closing and during Borrower's usual business hours, provided Lender has given Borrower prior notice, Lender may enter upon the Property and inspect and examine the Property and the Collateral. Lender shall also have the right at any time during Borrower's usual business hours or during the usual business hours of any third-party having control over Borrower's records, provided

Borrower and such third-party (as applicable) have been given prior notice, to inspect and verify Borrower's records as they relate to the operation, condition and maintenance of the Property, in order to verify any aspect of the Property, the revenues and expenses of the Property, the Borrower's financial condition or other similar matters deemed advisable by Lender. Lender shall have the right to examine, copy (by electronic or other means), comprehensively abstract or audit any of the foregoing records as often as may be reasonably desired by Lender. These inspections and examinations may be conducted by Lender, or Lender's authorized attorneys, accountants, appraisers or other authorized representatives.

7.2 No Limitation on Remedies.

No right, power, or remedy conferred upon or reserved to or by Lender in this Agreement or in the Loan Documents is intended to be exclusive of any other right, power or remedy conferred upon or reserved to or by Lender under this Agreement or any of the Loan Documents or at law or in equity, and each and every remedy shall be cumulative and concurrent, and shall be in addition to each and every other right, power and remedy given under this Agreement, under the Loan Documents or now or later existing at law or in equity.

7.3 No Waivers or Forbearance.

No forbearance by Lender in exercising any of its rights or remedies under this Agreement or any Loan Document, nor any renewal, extension, or rearrangement of any payment to be made under any Note, nor any acceptance by Lender of any payment in an amount less than the amount then due, shall constitute a waiver of any of the terms or of any of Lender's rights or remedies under this Agreement or any Loan Document. Lender shall not by any act or omission or commission be deemed to waive any of its rights or remedies, or any event of default, unless such waiver is in writing and signed and delivered by an officer of Lender and then only to the extent specifically set forth in the writing. No waiver of any Default or indulgence by Lender shall operate as a waiver of the same Default on a future occasion, or as a waiver of any other Default. No delay on the part of Lender in the exercise of any right or remedy shall operate as a waiver. No single or partial exercise by Lender of any right or remedy shall preclude any future exercise of it or the exercise of any other right or remedy.

7.4 Borrower-Creditor Relationship; No Third-Party Beneficiaries.

The relationship between Borrower and Lender is, and at all times shall remain, solely that of borrower and creditor, and shall not be, or construed to be, a joint venture, equity venture, partnership, fiduciary or other relationship of any nature. Lender neither undertakes nor assumes any responsibility or duty to Borrower, Indemnitor or to any other person with respect to the Collateral, Borrower's financial condition or Borrower's operations. This Agreement grants Lender certain rights as a creditor such as the right to inspect Borrower's Property, review Borrower's records, to approve of certain matters and so forth. These rights are granted to Lender for Lender's exclusive benefit, and to preserve Lender's rights as a creditor, and not for the benefit of Borrower, Indemnitor, or any other person. Nothing in this Agreement shall require or obligate Lender to inspect Borrower's Property or Borrower's records. Borrower acknowledges that:

- (a) Borrower is relying entirely upon Borrower's own judgment and is solely responsible with regard to Borrower's operations and financial condition, all matters relating to this Agreement, including the conduct of Borrower and its agents and employees;
- (b) Acceptance, approval or review by Lender of any documents, information, conditions or performance or any other action by Lender Parties under this Agreement or the Loan Documents are for the sole protection of Lender Parties, and shall not constitute a

representation or warranty by Lender Parties to Borrower, Indemnitor or any other person or be relied upon by Borrower, Indemnitor or any other person for any other purpose; and

- (c) Acceptance by Lender of ownership of the Property (or acceptance of ownership by the designee of Lender) pursuant to the terms of this Agreement and the assignment to Lender (or to the designee of Lender) of various contracts and agreements pertaining to the Property will not create any obligation on the part of Lender (or Lender's designee) to third parties that might have claims against Borrower, Indemnitor, or the Property. Lender does not assume or agree to discharge any liabilities pertaining to the Property that originated before the Closing Date.

This Agreement is made exclusively for the benefit of Lender, its successors, assigns and designees as transferees of the Property, Borrower and Indemnitor, and (except as may be otherwise specifically stated hereunder) no other person shall have any rights of any nature under or by reason of this Agreement or any other Loan Document, or the right to enforce the provisions of this Agreement or any other Loan Document by action or legal proceedings or otherwise, or to rely on any representations, certifications, warranties or determinations which may be made under the Agreement. The Indemnitor is signing this Agreement for the sole purpose of binding the Indemnitor to those sections of this Agreement which benefit Lender and which are specifically applicable to the Indemnitor, and for no other reason. Lender shall not be liable to any trade creditor, materialman, supplier or other person dealing with Borrower. There shall be no third-party beneficiary of this Agreement, express or implied.

7.5 **No Duty.**

All attorneys, accountants, appraisers, consultants and other professional persons (including the firms or other entities on behalf of which any such person may act) retained by any Lender Party with respect to the transactions contemplated by this Agreement shall have the right to act exclusively in the interest of Lender Parties, and shall have no duty of disclosure, duty of loyalty, duty of care or other duty or obligation of any type or nature whatsoever to Borrower, Indemnitor, or to any other person, with respect to any matters within the scope of that representation or related to their activities in connection with that representation. Neither Borrower nor Indemnitor shall assert any claim or counterclaim against any such persons with regard to such matters, and all such claims or counterclaims, if any, now existing or later arising, whether known or unknown, foreseen or unforeseeable, are waived, released and forever discharged.

7.6 **Entire Agreement; Modification.**

This Agreement, including all written agreements, instruments, and documents referred to in this Agreement, and all recitals (which are hereby incorporated as covenants of the parties), is the **entire understanding and final agreement between the parties** relating to the subject matter of this Agreement and supersedes all prior agreements, negotiations or understandings between the parties relating to the subject matter of this Agreement. **This Agreement may not be varied, contradicted, added to or modified by evidence of prior, contemporaneous or subsequent oral agreements. There are no unwritten oral agreements between either Borrower or Indemnitor and/or any Lender Party.** This Agreement may only be amended, supplemented or modified by a subsequent agreement in writing which makes specific reference to this Agreement and which is signed by the party against whom enforcement of any such amendment, supplement or modification is sought.

No representation, promise, inducement, or statement of intention has been made by any party which is not embodied in this Agreement, and no party shall be bound by any representation, promise, inducement or statement of intention not incorporated in this Agreement.

7.7 **Notices.**

All notices, demands or other communications under this Agreement shall be in writing and shall be delivered to the appropriate party at the address set forth below (subject to change from time to time by written notice to all other parties to this Agreement). All notices, demands or other communications shall be considered as properly given if delivered personally or sent by certified mail, return receipt requested, or by overnight express mail or by overnight commercial courier service, charges prepaid. Notices so sent shall be effective upon receipt; provided, however, that non-receipt of any communication as the result of any change of address of which the sending party was not notified or as the result of a refusal to accept delivery shall be deemed receipt of such communication.
